## ACTION ITEM

### 1. Go See Clue!

Based on the iconic 1985 Paramount movie which was inspired by the classic Hasbro board game, Clue is a hilarious farce-meets-murder mystery. The tale begins at a remote mansion, where six mysterious guests assemble for an unusual dinner party where murder and blackmail are on the menu. When their host turns up dead, they all become suspects. Led by the Wadsworth – the butler, Miss Scarlett, Professor Plum, Mrs. White, Mr. Green, Mrs. Peacock and Colonel Mustard race to find the killer as the body count stacks up. Clue is the comedy whodunit that will leave both cult-fans and newcomers in stitches as they try to figure out...WHO did it, WHERE, and with WHAT!

Showtimes are this Friday and Saturday at 7 PM and next Friday and Saturday at 7 PM! Join us for yet another great Drama department show!

### 2. Rumours about the “Senior Assassin” Game

Credible rumor has it that Senior Assassin has started up again this year, and that it is happening at several schools in the area (and across the Nation - this has been a game going on for a decade or more). Senior Assassin is a game where kids pay up to \$50 (at least that’s what I’ve heard it costs at NCHS) to play and they “shoot” each other with Nerf guns. Each student has a “hit list” of other kids in the game they are supposed to get. If you get “shot” you are out of the game. This continues until there is one winner. Most of the action takes place in the community, and honestly, at many of your houses. **Do you really want strange teens hiding in your bushes or around your house waiting to “shoot” your child? Do you want your teen doing the same at someone else’s house (and what if that family calls the police on your student)?**

I cannot emphasize to you as parents and families how important it is that kids DO NOT bring any Nerf guns to campus - either in their cars or in their backpacks. As the [District Student Rights and Responsibilities](#) states, “toy, “dummy” or look-a-like objects that appear to be a firearm” can result in a Suspension.

Thanks in advance for talking with your teen about the game, about why they would spend \$50 on such a game, and for making sure they do not under any circumstance bring any Nerf (or other) guns to school. As you can imagine, a suspension that mentions “weapon” is not something you want in your child’s discipline file.

### 4. District Visionaries Conference Information

The Northshore School District Equity and Diversity Department is announcing “20/20 Visionaries”, the District’s inaugural students of color conference. This conference will be held on Thursday, March 26th from 8:45am – 1:45pm at Cascadia College.

- ★ WHO CAN ATTEND: This conference is for Northshore School District middle and high school students. While the event is designed to reach students of African, Black, Hispanic, Latinx, Native, Asian, Asian Indian, Middle Eastern, and Pacific Islander descent, it is open to all Northshore students in grades 6 – 12.
- ★ PURPOSE: The purpose of “20/20 Visionaries” is to create intentional space for Northshore students of color to engage in positive identity development, build community and collaborate with one another, meet and work with educators and community partners who share similar backgrounds and identities, and learn more about various college and career paths.
- ★ THEMES: identity, collaboration, education, leadership, and social justice.
- ★ BRIEF CONFERENCE OUTLINE: During the conference, students will hear from keynote speaker Christian Paige; attend two workshop sessions of their choice that will be led by community members; learn about higher education options, resources, and supports from UW Bothell and Cascadia College students and faculty; and have the opportunity to take a guided campus tour of UW Bothell and Cascadia.
- ★ LOGISTICS: Lunch and District bus transportation will be provided. This will be an excused absence for all students who attend.
- ★ PERMISSION PACKET: Students must complete a permission packet, which includes a permission slip, photo release form, and dietary restriction form. When students have completed the packet, they will turn it into the point of contact at their school, which is Campus Supervisor Nani Lium at NCHS. Click [HERE](#) for the Packet.

Due to limited venue capacity, there is a cap for how many students at each school can attend the conference (36 students per high school, 18 students per middle school, and eight students at SAS). This means that conference registration is on a first come first served basis. The last day for all students to submit their permission packet is Monday, March 9.

### 5. Junior Class of 2021 Fundraiser Information

The junior class is having a fundraiser through Huntington Learning Center in Bothell. On March 25th, we'll host a practice SAT, and on April 1st, a practice ACT. Each test is \$25 to be turned in on test day, and 100% of the money is donated to Nordic News.

Students will get their scores and a diagnostic printout of areas of strengths and weaknesses. None of the scores are reported to any college; students will get results at a release night on in the library or an individually-scheduled meeting with Huntington. Sign up using this [Sign-Up Link!](#) Thanks for supporting junior class!

## 6. Computers for Home

Did you know that North Creek can provide computers to families who do not have computers at their home? If your student needs a computer at home, have your student see their counselor (it's confidential) and they will help your student take the next steps!

## 7. North Creek High School International Food and Cultural Festival

## 8. Senior Breakfast Info

I have heard there is some confusion about the cost of Senior Breakfast. The \$15 we are asking of each family offsets the cost of breakfast for our kids. The other fundraisers that Seniors are doing are to help off-set the cost of Senior Prom (we've already paid for the venue and DJ - so seniors are trying to earn money so their ticket prices are reasonable). Given how much money many of our teens spend at Starbucks each day, I'm hopeful the \$15 for a great, bonding, final Senior Breakfast is not too much to ask!
