

DMS Newsflash

March 2020

Dear Parents/Guardians,

PROMOTING READING FOR OUR STUDENTS

The first week of March marks our annual reading week at Deans Mill School. This year's theme is DMS Reads Across Stonington. The week will be filled with a variety of fun and engaging activities that relate to our local community. Some of the week's activities for students will include: a school-wide "Read In", a Book Buddies meet up with another class, a visit from Community Readers, door decorating, and a Stonington Gallery Walk around the building. Our 5th Grade students will be participating in a discussion with a Stonington High School Senior who is illustrating and publishing a children's book called Phantom's Journey, about a local therapy dog. While we promote literacy and reading regularly, the purpose of the week is to increase our students' passion for reading.

The reading skills our students develop during elementary school will serve them through adulthood. Here are strategies you could implement at home to help your child develop his/her reading skills:

- 🍏 Make reading a part of every day. Even a few minutes a day can make a difference.
- 🍏 Read to your child and read with your child.
- 🍏 Serve as a role model. Give your child opportunities to see you enjoy reading.
- 🍏 Visit the library. Get your child a library card and make regular visits to the library a fun experience.
- 🍏 Limit screen time.
- 🍏 Give your child a choice. Present a variety of books to your child that are the right level, length, and type for your child and let them choose.
- 🍏 If your child is an impatient reader, choose books that have movement.
- 🍏 If your child has trouble reading, help choose stories that he/she can relate to.
- 🍏 Reading well is about understanding meaning, not just knowing how to say the words
- 🍏 Give books and magazine subscriptions as gifts.

<https://www.caringforkids.cps.ca>

By implementing some of these strategies at home, you can help further develop your child's reading skills and build a solid foundation for the future. Let's make every week reading week!

Sincerely,

Specials Update

Our goal for the year is to keep families informed about grade level curriculum in Art, Library, 5th Grade Band, Music, and Physical Education, and how they can support their children at home.

Art

Miss Biernacki

Fourth grade students have been busy learning about value and form. We are currently working on creating dragon eyes. We compared pictures of dragons from renaissance paintings and Chinese tapestries to find similarities and differences. We could see that the attitudes towards dragons changed drastically between Eastern and Western cultures. Each student could choose how he or she wanted his or her dragon to look. We used different shades of watercolor paint in the center of the eye to make it appear as if the round eyes were spherical. Value is one of the most effective ways to create the illusion of form on a flat surface.

Please note: Music and Arts Night for K-2 is March 19th!

Music

Mrs. McMinn

Fourth graders are hard at work getting ready for the spring concert in April. and are looking forward to demonstrating their recorder skills! So far students have learned pitches B, A, G, and E on the recorder. They have played some familiar songs such as "Hot Cross Buns" and "Rain, Rain." We are currently working on singing and playing our recorders in a 2-part canon on the song, "Who Has Seen the Wind?" And as always, we continue to work to make beautiful sounds on the recorder by completely covering the holes with our fingers, using "warm, soft air," and "tonguing" the notes "doo" (articulation).

5th Grade Band

Fifth Grade Band students are working hard as we prepare for our first performances! More details are coming soon. Students are continuing to develop their melodic and rhythmic independence as we practice our first full band ensemble pieces. Please encourage students to count carefully—they can practice tapping a foot while playing, or can even try using a metronome when they practice at home. (Google has a metronome feature, if you do not have a metronome at home!) Continue to encourage practice at home. The band students are making great progress and should be so proud of their hard work!

Library*Mrs. Anderson-Halbert*

Mrs. Anderson is so excited to be back at DMS! Kindergarten students are reading the Arthur series by Marc Brown and talking about what an author and an illustrator do. First grade students are reviewing picking "just right" books and the different parts of a book. Second graders are learning about being safe online. Third graders are learning about how libraries are organized – check out the public library so they can show off what they know! Fourth graders are learning about how to find books on topics that interest them using the Dewey Decimal System, and fifth graders are learning how to use some cool features of our online catalog. Lots happening in the library this month!

Physical Education*Mrs. LaPalme*

Grade 4 students will be finishing up a basketball unit and re-tests for fitness tests. The students have been working though dribbling, passing and shooting skills. They will be going into small sided mini games. We will continue to work on our fitness levels through various games and activities.

Scoliosis Screening

Scoliosis screening will be performed on April 30, 2020
for Deans Mill School 5th Grade Female Students

Dear Parents/Guardians,

The State of Connecticut mandates that school nurses conduct postural screenings for female students in grades 5 and 7 and male students in grade 8. School nurses will be performing this screening during the months of March and April.

The purpose of this program is to recognize the signs of spinal curvature at its earliest stages so that the need for treatment can be determined. Specifically, scoliosis is a sideways curvature of the spine. In its early years, it is painless and develops gradually, especially during the years of rapid adolescent growth. Kyphosis, sometimes called round back, is an exaggerated forward bend of the spine and is often confused with poor posture. Many cases of curvature of the spine are mild and require only ongoing observation by a doctor after the first diagnosis. Others get progressively more severe as the child grows and requires active treatment. Early treatment can prevent the development of a severe deformity which can affect a person's appearance and health.

Each student will be screened individually by school nurses. The nurses will inspect the student's spine as he or she stands and then bends forward. The student's entire back from shoulders to hips need to be observed without covering. Boys will be required to remove shirts. Girls should be observed wearing a two-piece bathing suit top or bra.

If further consultation is recommended, parents will be notified in writing of the findings and will be asked to seek further evaluation from their own physician.

If you have any questions, please contact your child's school nurse.

FOUNDATION

Dear Family and Friends of Deans Mill School,

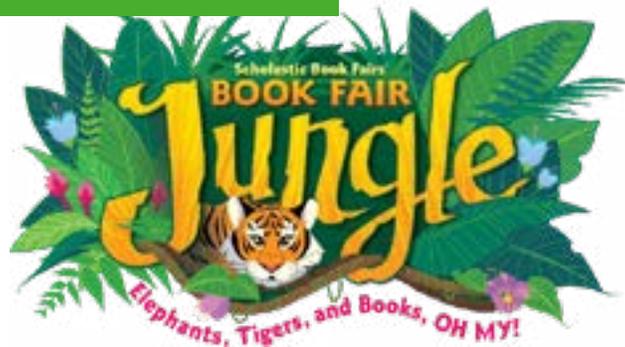

The Ducks are coming!!! The 22th Annual Pawcatuck River Race will take place on Saturday, April 25, 2020 at 1:30 pm. These adorable rubber yellow ducks will be released in masses into the river for an amazing race down the Pawcatuck River. This year's festivities will kick off at 11:30 am where there will be food, face painting, children's activities and entertainment in Donahue Park.

For \$5, a sponsor will have a chance at winning one of over 90 great prizes, including the Grand Prize of a trip for a family of four to Disney World that includes hotel, air, and park passes or \$2,500 cash. Aside from the great prizes, for each duck certificate sold, Deans Mill School will receive \$2.85! This money is used for many different programs that benefit our school. Last year was a great success; we sold 705 certificates. Our goal is to sell 1000 this year, let's see what we can do!

Please ask your families, friends, neighbors and co-workers to sponsor a duck. Complete the order form on the front of your envelope and return it to your teacher by **Monday, March 30th**. Checks should be made payable to "DMS-PTO". Duck sponsors must be 18 or older (please make sure they are registered to a parent or guardian if they are not). Duck sponsor certificates will be completed and returned to you to distribute to the sponsors. Each certificate will have a number that belongs to one possible lucky duck. Sponsors need not be present to win. Please remember all order forms must be turned in by **Monday, March 30th**.

If you have any questions please contact me at tracyibrunelle@gmail.com. Good luck to all the ducks!

Thank you,
Tracy Brunelle
DMS Duck Race Chairperson

Dear Parents and Families,

Reading for pleasure unlocks the power of information and imagination and helps children discover who they are. In celebration of Read Across America week, here's what you can do to help children develop stronger reading skills and a love for reading:

- Set the example. Let children see you read.
- Have a collection of books in your home. Update this collection routinely to keep up with changing tastes and reading skills.
- Explore different titles and genres that may intrigue the minds of our developing readers.
- Support our school's Book Fair. With your support, we are able to bring more books to the shelves of the classroom and school libraries for our children to use.

Our Scholastic Book Fair is a reading event that brings the books our children want to read right into our school. It's a wonderful selection of engaging and affordable books for every reading level. Visit our Book Fair and be involved in shaping your child's reading habits.

Book Fair Dates: Friday, February 28th – Friday, March 6th in the Deans Mill School Gym

Shopping Hours: 9:30 a.m.- 2:00 p.m.

Special Activities: Family Night! Wednesday, March 4th from 4:00 p.m.-7:00 p.m.

Explore our online book fair and sign up for eWallet! Don't have cash or a check on hand? The Scholastic Book Fair **eWallet** is a safe and convenient digital payment option for your child to shop the Book Fair, cash-free! The new and improved Scholastic Store offers over 6,000 products that ship direct to home (free shipping on book-only orders of \$25 or more). Our online fair is available from February 23rd to March 7th. Please visit our Fair homepage to shop online or to set up your child's eWallet account:

<https://bookfairs.scholastic.com/bf/deansmill>

We hope to see you and your family at our Book Fair! Remember, all purchases benefit our school!

Sincerely,
The Deans Mill School PTO

*Cash, Check (payable to DMS PTO), Credit Cards and eWallet accepted! All in-fair purchases are tax exempt. If personal circumstances don't allow for a book purchase for your child and you would like assistance, please reach out to Stephanie Gagnon at sgagnon7@gmail.com

Basket Raffle & Pasta Dinner Donations Needed

Dear Local Businesses and Friends,

On Friday, March 27, 2020 Deans Mill School will be hosting our 20th annual Basket Raffle at Deans Mill School to help raise funds for student activities. We are respectfully asking for any donation you would consider making. Perhaps a basket of items from your business, a gift certificate to your store, or any item that could be used in either our door prize category (\$20.00 and under) or our grand prize category (\$50.00 and up). Any effort on your part will be greatly appreciated. Through the generosity of local businesses and friends we will be able to continue to pay for field trips, field day, bring cultural enrichments and much more to our school.

We invite you to come and join us at the basket raffle and be a part of the schools and the community working together. Come see the baskets that everyone has created together. We are certain you will have a fun-filled evening.

We are trying to get all donations by March 7, 2020. Thank you in advance for your donation, and if you have any questions please feel free to call the school at 535-2235. If you would like your donation picked up, please call Katie Quinlan (860) 857-5032.

Deans Mill Schools Basket Raffle is coming up!

Letters were sent home for each classroom's theme basket. Here is the full list of themes for each classroom. Deadline to have items in is no later than March 23rd. If you would like to do a cash donation we have shoppers! Cash donations are due by March 13th.
