We believe in making work approachable to everyone regardless of their disability. EnableUtah offers programs customized for each of the 200+ individuals we work with. We assist with job training, education, daily living skills, and support for finding a customized career in the community. At EnableUtah individuals with disabilities can learn and grow while earning a paycheck. Our participants love the sense of community they get by coming to EnableUtah to work in our Day Training Program. They work on light assembly, packaging, and quality control contracts, learning job skills while earning a paycheck. However, a growing number of individuals with disabilities have aspirations to work on-site at local businesses in the community. For these people, we have a team of dedicated job coaches to help make their dreams a reality. We believe in the right of all people to progress into community based employment if they choose.</p>

<p>Vista Education Campus, Davis School District 97 South 200 East Farmington, Utah 84025-2300</p> <p>Jennifer Novoa, Director James Gordon, Asst. Director Jennifer Izatt, Coordinator Tammi Bradford, Coordinator (801)402-5975 jnovoa@dstdmail.net, jgordon@dstdmail.net https://vista.davis.k12.ut.us Serving Individuals Age 18 and Up</p>	<ul style="list-style-type: none"> • Employment Support • PostK-12 Training & Education • Independent Living Needs • All Transition Areas 	<p>We provide services to students after 12th grade in all IDEA identified classification areas. Students have an up-to-date eligibility and an IEP but have not received their diploma (graduated) up to age 22. Students may have participated in their high school graduation but did not receive their diploma. We should be contacted if a student dropped out but is suspected of having a disability or previously had services who are now over age 18 (or past their 12th grade year), but under age 22. We may need time to conduct needed assessments and develop programming, but we can provide services for those who remain eligible for SpEd services.</p>	<p>We assist students still in the Davis County School District whose IEP Teams identified the need for transition services to continue beyond Grade 12. Based on their level of supports needed and readiness for them, students participate in employment, training, and independently living instruction. As ready, students go out into the community for work site and community experiences. These might include a group, independent, or paid work site. It may include safe experiences purchasing, learning about community businesses, exploring community services, and participating in recreation and leisure activities. Supervision is provided unless otherwise specified in programming arranged with parents.</p>
