## NIS Secondary Student Services

---

(Please refer to the overall plan for **NIS Online Learning** dated March, 2020 for more details)

### Secondary Student Services

In Secondary, Reid Pierce (EAL) and Wesley Dobbs (SEN) will be working with classroom teachers to plan and differentiate assignments. Students who are on Intensive plans will receive regular check-ins.

### First Points of Contact

First points of contact for students and parents: Contact the teachers assigned to grade levels for questions that are not content-specific but are related to writing, clarifying task instructions, proofreading and getting feedback on work:

- **Grades 6 and 7:** Morgan Ogino (mogino@nagoyais.net)
- **Grades 8 and 9:** Abha Kelkar (akelkar@nagoyais.net)
- **Grades 10-12 and Math Lab:** Andrew Sword (asword@nagoyais.net)
- **Grades 12 and Math Lab:** Collin Maplethorpe (cmaplethorpe@nagoyais.net)
- **Questions in Japanese** 日本語で質問: Haruka Hattori (hhattori@nagoyais.net)
- **Questions in Portugues Perguntas em Português :** Carol Magalhaes (cmagalhaes@nagoyais.net)
- **Counselor:** Kim Humphreys (khumphreys@nagoyais.net)
- **Coordinator:** Sarah Pearlz (spearlz@nagoyais.net)

### Writing Lab

Students can share written assignments with the teacher assigned to their grade level as a Google Doc and will receive feedback within 24 hours (during school days).

### Math Lab

Students can submit Math questions to Andrew Sword or Collin Maplethorpe and will receive responses. A video chat in Google Meet will also be open during lunch (12:30-2:00 pm).

### Counseling

Students who receive regular counseling appointments will continue to do so, as often as possible in the same time slots as their typical school day. Students will meet with their counselor over Google Meet. To refer a student for counseling, or to seek support or advice from the school counsellor, please email [khumphreys@nagoyais.net](mailto:khumphreys@nagoyais.net).
