Dear Parents/Carers,

Re: Welcome Letter from the Chair of Local Advisory Board

I would like to wish you all a warm welcome to the new school year; I hope you had a peaceful, relaxing holiday with friends and family. Here at PHJS we have a strong reputation for excellence; this is not by accident but by design. We foster an environment where we celebrate and respect each other's beliefs and passions because this is how we all flourish. We expect the children to do their best, I expect the teachers to do their best and as a Local Advisory Board we will only accept the best for our school community.

The Local Advisory Board are committed to ensure that objectives are met and that planning for the future is both visionary and realistic. We support the school to realise its vision by enabling the children to be learners for life during this important foundation stage of their education. We live in a fast changing world and our children need to be happy, passionate, creative, adaptable and resilient. Through regular strategic meetings we offer effective challenge to ensure that Mrs Pratt and her team adopt strong practices so that our children have access to an enriched education and the opportunities they deserve.

We look forward to joining you and staff on the exciting journey to ensure our children flourish academically, morally and mentally; preparing for a successful future. Together our Park Hill Family will be stronger.

Kind regards,

Beverley Montgomery
Chair of the Local Advisory Board
