

# White Bear Lake Area **SENIOR VOICE**

## 2020 Census - Expect a New Look

Every 10 years, the U.S. Census Bureau conducts a census to count those living in the United States and its territories. The census is critical for a better understanding of our community. The data collected will be used to help determine congressional representation and federal funding decisions. It is critical that every person is counted.

Watch for information on the 2020 Census that will be mailed to you between March 12 and 20, 2020. Expect the census to look different than in the past as this is the first census with an option to respond electronically.

Most people in the Twin Cities Metro will not initially receive a paper census form. The mailing (most likely a postcard) that you receive will include instructions for responding to the census online or via phone. If you do not easily have access to respond via the internet, you can follow the instructions to respond by calling a phone number where you will be connected with a person to record your information. If you would prefer a paper questionnaire you can call the phone number on your postcard or wait until April 8 when paper forms will be mailed to people who have not responded yet.

Important funding to our community is dependent on everyone responding to the census. Missing just one person in the census will result in loss of federal funding of thousands of dollars over the next 10 years until the next census. Because of the change in how the census is being done, White Bear Lake Area Schools does not want to take any chance on missing anyone.

### **Assistance in completing the 2020 Census online is available at all Ramsey County libraries.**

The White Bear Librarian, Therese Sonnek, will also be offering help at the White Bear Area Senior Center from 9 - 11am on April 14 and 28. (2484 East County Road F, White Bear Lake)

### April 16 is Healthcare Decision Day

It always seems too early, until it's too late. National Healthcare Decisions Day is a great reminder to take time to think about what is most important to you.

What are your hopes, dreams, and aspirations for living to your full potential? What about your wishes toward the end of your life? If you can't speak for yourself, do your loved ones know your wishes for medical care? Plan time to have these conversations.

Take the next step...

- Start with yourself - Think about your own healthcare decisions.
- Document your priorities and wishes - Complete a healthcare directive.
- Talk to family/friends/loved ones - Discuss your wishes with others and learn their wishes.
- Spread the word - Encourage others to talk about advance care planning.

### Have questions or need help completing your healthcare directive?

- Ask at your next doctor's visit
- Stop in to the Senior Center to pick up Advance Care Planning resources and forms.
- Contact Honoring Choice
  - Call 612-362-3705

### Celebrating Volunteer Appreciation Month in April.

Communities that encourage the contributions of older adults are stronger! By engaging and supporting all community members, we recognize that

older adults play a key role in the vitality of our neighborhoods, networks, and lives. Everyone benefits when everyone can participate.

We encourage you to connect, create, and contribute for stronger and more diverse communities!

Complete a Volunteer Application online at [www.whitebearseniorprogram.org](http://www.whitebearseniorprogram.org), stop in to the Senior Center or call 651-653-3121 for more information

**Thank you to all our volunteers!!**

MAKE YOUR MARK: MAY 2020

We know the White Bear Lake area is a wonderful place for all ages to live, work and play. One thing that makes it such a wonderful place is how involved older residents are in local churches, civic and charitable organizations, schools and businesses.

“Make Your Mark” was selected as the 2020 theme of Older Americans Month to encourage and celebrate the countless contributions that older adults make to our communities. This year’s theme highlights the difference everyone can make in the lives of older adults, in support of caregivers, and to strengthen communities.

There are so many ways to “Make Your Mark” in our local community. Become involved in weekly recreational and social activities at the Senior Center, participate in lifelong learning through Adult Enrichment and stay active through Adult Recreation programs. Many older adults stay engaged in service to others by providing companionship, transportation assistance and home support through Meals on Wheels, Neighbors Helping Neighbors, Help at Your Door, Little Brothers Friends of the Elderly, and Lutheran Social Services.

Stop in to the Senior Center or give us a call to get connected to these or other local service opportunities.

**NOT-TO-BE-MISSED!**

## Come join us for the *Wheel of Friendship!*

Come *Spin the Wheel* and enjoy this fun, interactive gathering,

- packed with meaning, laughter and joy -

### Our Age-Friendly Community

Developing age-friendly communities has been a focus throughout the country and here in Minnesota, Governor Tim Walz announced an initiative last year called MN 2030 and signed an executive order to establish the Governor’s Council on Age-Friendly Minnesota.

The Consortium of Lake Area Senior Services (CLASS), is taking a leadership role in building awareness around achieving age-friendly communities in the northeast metro, with a series of educational programs beginning in April.

Please join city officials, local business leaders and community members to learn more at:
