Dear 2016-17 Stevenson Boys Swimmers and Divers,

“The hungry dog hunts best” was a favorite phrase of my college coach, and for a team that started this year long on aspirations but short on recent accomplishments, we showed plenty of hunger to compete against the top teams in the state from the start. Time and again we faced more respected competition, and we were excited and inspired to race hard and effectively. All our efforts showcased a spirit of unity and aggressive racing-- to see what we could accomplish-- and the answer was -- a lot!

With the addition of two new coaches to our staff, Coach Smith and Coach Wes, we put many pieces in place to establish this program as yearly contender. As I told the boys, other schools don't have the coaching know-how, the space to have 90+ boys practicing at a high level, and the daily desire to make themselves and their teammates awesome. Those pieces were in shape for us, and we improved every week. The improvement is most exciting because every person plays a role in all the successes on this team: the best times, the never-say-die relays, the team victories all result from each person contributing their piece-- playing a meaningful role on a daily basis in practice and meets. I cannot tell you how proud I was to see boys come out and race full out against each other -- even when the opposing team was not super strong. Since “you learn to go fast by going fast,” having the depth of intra-team rivalries where you pushed each other to reach for more plays a key role for us.

Starting with Patriot Relays we showed that we are building a special program. The varsity defeated the defending champion Lyons team and set us up for an undefeated dual meet season on the JV and the Varsity level. It was a pleasure to see the JV boys take on with relish New Trier a couple times (1 dual win and 1 CLOSE invite loss), Hinsdale Central-Naperville Central-St. Charles at the HC Frosh Invite (a dominating performance), and our JV Open rivals (another dominating performance). As we now match strokes with state powers, the name of the game is “who's up next?” to replace seniors, give breakthrough performances, and continuously improve our varsity prospects. The consistent attendance of the Gold Group at two-a-days and the impressive turnout and work ethic of the Green Group lead to a full 75 swimmers who recorded a relay split under :30 for the 50 freestyle and 20 who broke :52!

This year we returned to the top 5 in the state for the first time since 2004 -- earning over 4 times the points as last year. It was great fun to see the improvement and excitement over the course of the JV Open Meet, JV/VAR Conference meet, Sectional, and then State. Breakthrough performances abounded, but let's highlight the new JV NSC Conference record holders from this year: Ethan, Jack, Collin, Varun, Niccolo, Beno, AJ, Ari, and Michael! In addition, we obliterated nearly all our JV team records: Beno, Niccolo, Michael, Jack, Ethan, Collin, and Varun.

When you begin to set records for your JV such as 3:17 in the 4x100 free relay, you know that the varsity records must topple as well-- at State! Congratulations Daniel, Joseph, Nicholas, and Jacob in the medley (shaving 1.1 off the previous record); Topher, Andrew, Jacob, and Daniel in the 4x50 (1.7 second improvement); and the 4x100 relay of Nicholas, Andrew, Daniel, and Topher (a whopping 4.9 drop)! That trio of relays will garner us All-State and All-American respect. I couldn't be prouder. Matthew repeatedly broke both the 6 and 11 dive records this season as he powered his way to the state finals. Finally, Topher set a new varsity record as he took second in the 100 (1 second drop) --- and most notably in his new record while capturing the IHSA State Championship in the 50 yard freestyle (.1 drop)! Topher joins Darren Hydanek and Tommy Gregory as the only individual state champions in SHS swimming and Diving history. Congrats!

Rahul, Varun, Zach, Matthew, Daniel, Daniel, Ryan, Ben, Cami, Andrew, and Patryk your contributions to our growth and successes as a team are profound. In a year of growth for this program, you helped lead the way, and future teams will build off of your contributions.

Sincerely,

A handwritten signature in black ink, appearing to read "Coach" followed by a stylized, cursive signature.
