02/29/2020 2:26 PM	.Shawli	Shawli22@gmail.com	Springville K-8	Stoller MS	Westview		Springville to Five Oaks is queerThe proposal Springville students fearOur kids listen to this and shakePlease do not commit this mistake.
02/29/2020 10:30 PM	aahlad s mallajosyula	aahladm@gmail.com	Findley Elem	Stoller MS	Sunset		Hi Committee, please do not split any Elementary schools feeder pattern. Last meeting committee voted for splitting Springville and other elementary schools. Please get clarity on Summa for next meeting which would help with the decision. Please do not split Findley Elementary school. Please have it go to Stoller intact or to Timberland with the swaps discussed in the last meeting.
02/29/2020 9:05 AM	Aarnav	Aarnav85@outlook.com	Springville K-8	Stoller MS			I would like to bring these 2 false statements in JW testimony on Feb 25th.- JW has 17% Summa kids not 50% like he mentioned.- JW sunset high school Feeder pattern kids with working map will be more than [?]200[?] at Stoller. It[?]s not a small number and also same as other school HS patterns. But comparing JW 200 kids HS pattern with East Oak Hills 20 only HS feeder pattern is unimaginable.
02/29/2020 12:45 AM	Abby	abbysteep06@gmail.com	Barnes Elem	Meadow Park MS	Sunset		UNCONSCIOUS BIAS!! I love the diversity in this committee as its a great representation of our communities. Now, there are 2-3 committee members very biased in favor of Springville in Stoller. I don[?]t understand why this is happening, but I[?]ve noticed this for a while. Last meeting was too obvious at the end, when they all talked after Jason to shutdown the idea to bring back Map C2.1 (Abdul and Abhijit proposal). Thankfully, the 2-3 guys are not the committee, there are 17 very diverse folks in the committee. I wanted to share my observation and I admit I don[?]t know how to address it, other than raising the awareness on this. WATCH OUT for unconscious/hidden bias and unintended consequences.
02/29/2020 12:43 AM	Acosta	eacosta@gmail.com	Sato Elem	Stoller MS	Westview		DO NOT KEEP STOLLER OVERCROWDED!! DO NOT SPLIT ELEMENTARY SCHOOLS! Send Springville to Five Oaks, please!!!
02/29/2020 6:12 PM	Akhil Sharma	Sharma.akhil@yahoo.com					I would like to clarify something. It is being felt that committee members don[?]t like the actions of Springville parents. We always resorted to peaceful expression of our ideas, unlike other communities who repeatedly violated Mr Spark[?]s instructions about clapping and disturbing the process. If we were told not to do something we didn[?]t. Also, we all came together because we found it entirely unreasonable to disturb our school which is so far up North. After November meeting, 23 out of 25 maps were showing Springville in Five Oaks. Please don[?]t dislike Springville parents for their unity. We all very strongly feel that if the new school was anywhere near Springville community, we would happily move there. No questions asked. But as the new school is so far and Springville is so far away from any other middle school, it is very unreasonable to send us anywhere other than Stoller. Please don[?]t dislike our community for being united but try to understand why so many of us are coming together in every meeting and sending several comments. We have no one in the Committee from our school. All we can do is send our views, data and requests to you. There is a possibility of some parents sending messages in the name of Springville parents, trying to put us in unfavorable situation. We respect each and everyone of you. You are parents like us and we are grateful that you are devoting your personal time. Please continue while understanding our point. All we are asking is for our regular middle school program to continue in the school which isn[?]t too far, like half the district away from our homes. Thanks.
02/29/2020 10:43 AM	Alexandra Yau	17ayau@cosmofilia.com	Jacob Wismer Elem	Stoller MS	Sunset		Following the last boundary meeting, I can't figure how we can be talking about splitting Jacob Wismer, moving Arbor Height and much more. I have not been posting much because I thought, like most parents at Jacob Wismer, that the committee will be logical and do what's best for the parents and teachers' communities and learn from their past mistake (Oak Hill East _ 1 digit students Middle School -High School Sunset feeder). Stoller was originally built for people leaving in this area, not for new developing communities miles away. If you can walk to your Middle School, then it should be your middle school! Jacob Wismer, part Findley, Arbor Height, part Sato are walking distance. Every first Monday of the month, Jacob Wismer PTO organizes Walking School Bus to help our community to get to know each other faster, teach our kids good healthy habit, and have a positive impact on our environment. How can the committee justify to take that away? Portland is one of the greenest cities in America. Does the committee really want to go opposite route? More gas emission, less money for teachers, drive instead of walk, split the community? Make the RIGHT CHOICES for our environment (walking neighborhood), for our community (no splitting unless logical like walking Findley), for our students (no more overcrowding situation for 2021 AS WELL AS 2025), for our teachers (less buses, more money for our teachers). I still want to believe that the committee will make the right choice to the benefit of not 1 community (Springville) but communities (Jacob Wismer, Findley, Sato). PLEASE! Thank you.
02/29/2020 8:00 PM	Amanda Clay	Jingwangclay@gmail.com	Springville K-8	Stoller MS	Westview		JUST BECAUSE OUR KIDS RIDE THE BUS , it doesn[?]t mean BSD can make the kids commute time the FURTHEST and LONGEST. Please consider what education really for.
02/29/2020 8:55 PM	Aminath Nazhath	nazu03@gmail.com	Rock Creek Elem	Stoller MS	Westview		Please ensure that Rock Creek gets fair treatment when compared to other schools in North 26. I am ok with any split or distance as long as our school is academically balanced. This means that any part of us that is moved has to move with two schools from North 26 to ensure we are balanced fairly academically. BSD owe us to ensure that we get a fair deal when compared to everybody else North of highway 26 and that we are not the only school that will be impacted disproportionately.
02/29/2020 8:06 PM	Anshul	Anshul.us@gmail.com	Springville K-8	Stoller MS	Westview		We are northernmost neighborhood in ALL OF BSD.... and Please realize that for North Bethany, Stoller is the only school at a reasonable distance...The next school is 5 miles away for Springville kids.....and just because our kids have to step on a bus to Stoller, please do not make them commute further and longer when there are other equitable solutionsThank you for listening to our concern. Appreciate all your effort and hard work on this
02/29/2020 8:14 PM	Anshul	Anshul.us@gmail.com	Springville K-8	Stoller MS	Westview		PLEASE MOVE SUMMA TO TIMBERLAND .....Findley has the most number of kids in SUMMA so it makes sense to have SUMMA at Timberland... Jacob Wismer SUMMA is also mostly concentrated in the east close to Findley and Timberland.....Please do not prioritize and option program at stoller WHILE DISPLACING NEIGHBORHOOD KIDS FROM NORTH BETHANY WHO DO NOT HAVE ANOTHER REGULAR MIDDLE SCHOOL NEARBY....Thank you for all you are doing
02/29/2020 8:14 PM	Anshul	Anshul.us@gmail.com	Springville K-8	Stoller MS	Westview		We are northernmost neighborhood in ALL OF BSD.... and Please realize that for North Bethany, Stoller is the only school at a reasonable distance...The next school is 5 miles away for Springville kids.....and just because our kids have to step on a bus to Stoller, please do not make them commute further and longer when there are other equitable solutionsThank you for listening to our concern. Appreciate all your effort and hard work on this

02/29/2020 10:36 PM	Anu	Anoo_paapu@yahoo.com				I would like to request BSD and the district to address the stoller overcrowding by not continuing to feed a growing neighborhood springville into stoller. Just the sheer vocal and online presence is due to how large the community is. Please do the logical thing by keeping neighborhood schools fir the neighborhood. Don[?]t propose solution that defy all logic behind schooling district boundaries and neighborhood schools. Allow walking and declining communities to continue to keep their school. Don[?]t split Findley and allow us to continue to go to Stoller.
02/29/2020 7:50 AM	arshasuren	varshausren@yahoo.co.in	Springville K-8	Stoller MS	Westview	KEEP COMMUNITIES TOGETHER. MOVE ENTIRE SUMMA TO TIMBERLANDLooking closer at the 2025 projections by BSD for Springville, you will notice that BSD projections says that Springville has more growth than Sato... which is TOTALLY INCORRECT..... springville is already BUILT OUT our elementary school current enrollments say a totally different story than what BSD has projected. Lately BSD projected that Scholls heights elementary school will be overcrowded with all the development in that area but in their own words later nothing like that ever happened. With the history of over projection and clear errors in this process too, springville at Stoller with all of Jacob Wismer and Sato MINUS the summa, will in REALITY be TOTALLY SUSTAINABLE IN 2025.Some Jacob Wismer parents complaining about walkability to schools but they have no concerns about Springville kids crossing 185th passing 14 STOP SIGNALS, WITH MULTIPLE BUS STOPS IN BETWEEN, IN AN AREA PRONE TO TRAFFIC-ACCIDENT SPENDING MORE THAN 40 MINUTES EACH WAY.IS THIS WHAT EQUALITY STANDS FOR?IN FACT Jacob Wismer is VERY MUCH CLOSER TO FIVE OAKS(3.7 miles) RATHER THAN SPRINGVILLE and the route using Kaiser/Bethany Blvd is much safer for Jacob Wismer to reach Five Oaks.
02/29/2020 7:56 AM	arshasuren	varsha.suren@yahoo.co.in	Springville K-8	Stoller MS	Westview	RECONSIDER MAP A. DONOT SPLIT COMMUNITIESTHERE ARE MORE THAN 14 ELEMANTARY SCHOOLS WHICH ARE CLOSER TOFIVE OAKS THAN SPRINGVILLE.I will be very strange and UNLAWFUL to expect Springville to travelsuch a huge distance, hop around 14 TRAFFIC SIGNAL STOPS, have leadtime for bus stop pick ups, spend time on 185th road which is designatedas the highest prone accident route in Washingtom county.Even Findley and Jacob Wismer are closer to Five Oaks via Kaiser Road andthey don't have to travel thru 185th.Looking closer at the 2025 projections by BSD for Springville, you will notice that BSD projections says that Springville has more growth than Sato... which is TOTALLY INCORRECT AND BASELESS..... springville is already BUILT OUT ..... our elementary school current enrollments say a totally different story than what BSD has projected. Clearly BSD has OVERPROJECTED just like they did in multiple occasions in the previous years causing the budget fiasco and the high school over projections of Sunset by 12% in the high school boundary process. Lately BSD projected that Scholls heights elementary school will be overcrowded with all the development in that area but in their own words later nothing like that ever happened. With the history of over projection and clear errors in this process too, springville at Stoller with all of Jacob Wismer and Sato MINUS the summa, will in REALITY be TOTALLY SUSTAINABLE IN 2025
02/29/2020 8:02 AM	arun	arun_koroth@yahoo.com	Springville K-8	Stoller MS	Westview	BRING ON MAP A. MOVE SUMMA TO TIMBERLANDThere are many options to relocate SUMMA program but THAT IS AN OPTIONAL PROGRAM. First preference should be given to regular program which IS ABSOLUTELY REQUIRED, OPTIONAL comes second..good to have but not an ESSENTIAL AT ALL.Le us not lose sight of the top two objectives. Fill Timberland and Reduce Stoller.While reducing stoller, please don't punish Springville, which has only one middle school under4 miles.Jacob wismer has two options Stoller and Five oaks under 4 miles.Findley has five options under 4 miles Stoller, Timberland, Five Oaks, Cedar park and Meadow park.Terra Linda has 4 options under 2.5 miles. Stoller, Timberland, Five oaks, Meadow park.Please maintain proximity and community for regular middle school education.Shipping Springville to Five Oaks will be unprecented and a gross injustice.You would be punishing the only school with no other neighbourhood alternatives.Even Findley and Jacob Wismer are closer to Five Oaks via Kaiser Road andthey don't have to travel thru 185th.IN FEB25TH MEETING we had 8 members voting for MAP A. Towards end of meeting there was an additional member (Abdul) who also preferred MAP A. Considering that the total vote count will be 9. So request committeeto focus on MAP A rather than thinking of different maps at this stage.
02/29/2020 8:11 AM	arun	arun_koroth@yahoo.com	Springville K-8	Stoller MS	Westview	STOLLER PROJECTIONS FOR 2025 IS INCORRECT. PLEASE AVOID COMMUNITY SPLITSThere is no further growth in Springville. But BSD projection is showing even more growthfor Springville than SATO. How is that possible.Move Jacob wismer SUMMA to Timberland or full of Jacob wismer to Timberland.It will serve multiple purposes:a) Make proper utilization of new middle school Timberland which is ONE OF THE MAJOROBJECTIVE OF BSDb) Instead of making large sacle changes why can't some portion of Jacob Wismer moved toTimberland. It will serve multiple purposes. Proper utilization of Timerland. Also JWcomplaints about not being together with their friends will reduce and they will alsohave SUMMA at Timberland. Finally also reduce the load on STOLLER further more.Just for an optional program, lof of time being wasted to talk about retaining it inStoller and going over walkability issues back and forth. Stoller capacity required is 90% for 2021 which is already met by MAP A. For 2025 theprojections are over estimated besides none of the maps A, B nor C drastically reduces Stoller capacity to less than 100% by 2025.
02/29/2020 7:04 PM	arunk	arun_koroth@yahoo.com	Springville K-8	Stoller MS	Westview	MAPA SHOULD BE REVISTED. FOCUS ON 90% FOR 2021 NOT 2025IN FEB25TH MEETING we had 8 members voting for MAP A. Towards end of meeting there was an additional member (Abdul) who also preferred MAP A. Considering that the total vote count will be 9. So request committeeto focus on MAP A rather than thinking of different maps at this stage.The map shows reducing Stoller overload and filling up Timberland. In addition theentire SUMMA shoudl eb moved to Timberland. SUMMA is just an optional program so it shouldnot be given preference over regular programs. Also the estimates for 2025 at Stoller doesnt look correct. There is no new growth in Springville now. Also a house with 3-4 bedrooms doesnt mean it has 3-4 kids. There are many houses in Springville with only one kid. Please don't sacrifice our children's well-being over what-ifs and empty lots.The 2025 numbers are merely projections. and don't get anywhere close to total capacity andcan be managed.Instead of making large sacle changes why can't some portion of Jacob Wismer moved toTimberland. It will serve multiple purposes. Proper utilization of Timerland. Also JWcomplaints about not being together with their friends will reduce and they will alsohave SUMMA at Timberland. Finally also reduce the load on STOLLER further more.

02/29/2020 7:06 PM	arunk	arun_koroth@yahoo.com	Springville K-8	Stoller MS	Westview	THERE ARE MORE THAN 14 ELEMANTARY SCHOOLS WHICH ARE CLOSER TO FIVE OAKS THAN SPRINGVILLE. I will be very strange and UNLAWFUL to expect Springville to travel such a huge distance, hop around 14 TRAFFIC SIGNAL STOPS, have lead time for bus stop pick ups, spend time on 185th road which is designated as the highest prone accident route in Washington county. Even Findley and Jacob Wismer are closer to Five Oaks via Kaiser Road and they don't have to travel thru 185th. BELOW SHOW THE VARIOUS SCHOOLS THAT ARE CLOSER TO FIVE OAKS RATHER THAN SPRINGVILLE. SPRINGVILLE IS AT THE BOTTOM WITH THE MAXIMUM DISTANCE. Elmonica Elem, McKinley Elem, Beaver Acres Elem, Oak Hills Elem, Rock Creek Elem, Terra Linda Elem, Bethany Elem, Barnes Elem, Aloha Hubel, C Tobias Elem, JACOB WISMER Elem, FINDLEY Elem, William walker Elem, Bonny slope Elem, SPRINGVILLE Elem
02/29/2020 6:55 PM	arunv	vijayanarun@hotmail.com	Springville K-8	Stoller MS	Westview	MAP A for Feb 25 should be considered first. IN FEB 25TH MEETING we had 8 members voting for MAP A. Towards end of meeting there was an additional member (Abdul) who also preferred MAP A. Considering that the total vote count will be 9. So request committee to focus on MAP A rather than thinking of different maps at this stage. The map shows reducing Stoller overload and filling up Timberland. In addition the entire SUMMA should be moved to Timberland. SUMMA is just an optional program so it should not be given preference over regular programs. JW, SATO and Springville minus SUMMA meets the objective in 2025 and is totally sustainable in 2025. Please keep us with North Bethany community even if it needs using a couple of portables if needed in 2025, as these are at its best far out estimates and BSD has always over projected across the district..so this 2025 issue might be NON-EXISTENT. The estimate FOR 2025 NEED FURTHER CLARIFICATION. In last budget review meeting, BSD indicated that number of students across BSD have been stable last year and tend to drop in future due to smaller members per household in new generation. Regarding sending entire Springville to Stoller that is the correct decision. THERE ARE MORE THAN 14 ELEMANTARY SCHOOLS WHICH ARE CLOSER TO FIVE OAKS THAN SPRINGVILLE. I will be very strange and UNLAWFUL to expect Springville to travel such a huge distance, hop around 14 TRAFFIC SIGNAL STOPS, have lead time for bus stop pick ups, spend time on 185th road which is designated as the highest prone accident route in Washington county.
02/29/2020 7:01 PM	arunv	vijayanarun@hotmail.com	Springville K-8	Stoller MS	Westview	BSD built 64 million dollar Timberland facility to relieve middle school congestion. So ideally the kids closest to it should move to Timberland. Move entire Findley and SUMMA students to Timberland. It doesn't make sense to have Springville students travel such a huge distance to Five Oaks, just to make way for some SUMMA students. The transportation data regarding Springville to Five Oaks is not accurate. A) IN SOME OF THE ROUTES, THE BUS DOESN'T START AT THE EXACT LOCATION AS INDICATED IN THE MAP B) IS SOME BUS VIDEOS THE BUS MAKES ONLY ONE STOP THAT TOO FOR 30 secs. HOW IS THAT CORRECT. With at least 12-20 STUDENTS IN A STOP, IT WILL TAKE MORE TIME THAN THAT. C) THERE ARE 14 TRAFFIC SIGNALS LEADING FROM SPRINGVILLE TO FIVE OAKS. WE CAN'T EXPECT THE TRAFFIC TO GIVE A PASS THRU ALL THE TIME. D) THERE ARE LOT OF PARENTS TAKING THE 185TH ROUTE FOR WORK AND IT CONCLUDES WITH THE BSU TIMINGS. SO THERE WILL BE LOT OF ADDITIONAL TRAFFIC ALONG THAT ROUTE. C) WHEN PROJECT TO WIDEN NW West Union RD BEGINS MOST OF THE CARS WOULD TAKE 185TH AND US 26. Let us not lose sight of the top two objectives. Fill Timberland and Reduce Stoller. While reducing Stoller, please don't punish Springville, which has only one middle school under 4 miles. Jacob Wismer has two options Stoller and Five Oaks under 4 miles. Findley has five options under 4 miles Stoller, Timberland, Five Oaks, Cedar park and Meadow park. Terra Linda has 4 options under 2.5 miles. Stoller, Timberland, Five Oaks, Meadow park. Please maintain proximity and community for regular middle school education. Shipping Springville to Five Oaks will be unprecedented and a gross injustice. You would be punishing the only school with no other neighbourhood alternatives.
02/29/2020 8:05 AM	asidhu	sidhu.arun@comcast.net	Springville K-8	Stoller MS	Westview	MAP A SHOULD BE REVISED. FOCUS ON 90% FOR 2021 NOT 2025. MOVE SUMMA TO TIMBERLAND. IN FEB 25TH MEETING we had 8 members voting for MAP A. Towards end of meeting there was an additional member (Abdul) who also preferred MAP A. Considering that the total vote count will be 9. So request committee to focus on MAP A rather than thinking of different maps at this stage. a) The Feb 25 MAP A with Summa moving to Timberland is the most balanced approach for Stoller and Timberland b) Springville, Sato and Jacob Wismer fit into Stoller in a long term & sustainable manner declining after 2025. c) It avoids multiple community splits into elementary school splits. Has support across a large group of Findley, Sato, Springville and Rock Creek parents. d) Even with aggressive growth numbers, it shows modest growth to 2025 well under total capacity which will then decline and will get below permanent capacity. There is no new development in Springville. Also there are many houses with more than 3-4 rooms but with single kid. So BSD projections showing more development in Springville than SATO is incorrect.
02/29/2020 8:08 AM	asidhu	sidhu.arun@comcast.net	Springville K-8	Stoller MS	Westview	PLEASE AVOID SPLITTING COMMUNITIES AND MAKING LARGE SCALE SPLITS ACROSS SCHOOLS. Moving Springville and Rock Creek to FO has ramifications that affect multiple schools. To reduce load on Five Oaks, it likely splits McKinley and Elmonica. It pushes out Beaver Acres and Aloha Huber to Meadow park. It can overcrowd Meadow park, make it feed 3 high schools and causes the free lunch to skyrocket in Meadow park especially if Oak Hills is moved out as well. So better to consider MAP A to avoid all these cascading affects. Instead of making large scale changes why can't some portion of Jacob Wismer be moved to Timberland. It will serve multiple purposes. Proper utilization of Timberland. Also JW complaints about not being together with their friends will reduce and they will also have SUMMA at Timberland. Finally also reduce the load on STOLLER further more. IN FEB 25TH MEETING we had 8 members voting for MAP A. Towards end of meeting there was an additional member (Abdul) who also preferred MAP A. Considering that the total vote count will be 9. So request committee to focus on MAP A rather than thinking of different maps at this stage.

02/29/2020 6:42 PM	avarsha	a.varsha26@yahoo.com	Springville K-8	Stoller MS	Westview	MAP A - THERE IS ONLY ONE ADDITIONAL VOTE REQUIRED. SO MOST MEMBERS WERE INLINE WITH MAP A Do not split elementary schools[?]. Springville, Sato, Findley, Rock Creek and Oak Hills have all been shown split in various maps proposed by the committee or BSD. Studies have consistently shown that minimizing transitions results in better academic performance and emotional health for children. We are strongly supportive of the current Feb 25th working map which does not introduce any additional ES splits. Do not divide communities[?]. Springville cannot be separated from its eastern neighbors, Sato, whom they are closely intertwined with. Rock Creek is naturally tied to Springville and Bethany; it should not be removed from both. If any portion of Rock Creek is removed from Springville, it should be placed with Bethany. West Oak Hills is part of the Bethany Elementary community and should remain so. East Oak hills is part of the Terra Linda community and should remain so. We should also not use uncertain 2025 projections to divide existing communities especially when populations decline after 2025. Summa should not split communities[?]. [?]The Summa program should go where the highest concentration of feeding school kids go, in order to minimize splits. We across these four schools agree that the entire North Summa program should go to Timberland with Findley who constitute ~40% of Summa students in Stoller.
02/29/2020 6:44 PM	avarsha	a.varsha26@yahoo.com	Springville K-8	Stoller MS	Westview	MAP A WAY TO GO FORWARDa) It avoids splitting of communities.b) It avoids Springville having to travel the maximum distance along the unsafest route to Five Oaks.c) BSD will also gain in transportation costs by keeping Springville at Stoller.d) It will further help to move the entire SUMMA from Stoller to Timberland.e) Rockcreek will need to travel to Meadow park but they will have Bethany Elem with them. Also SUMMA is also there in Meadow park.f)JW , SATO and Springville minus SUMMA meets the objective in 2025 and is totally sustainable in 2025.g) The 2025 projections doesn't seem accurate. There is no further development in SpringvilleThe estimate FOR 2025 NEED FURTHER CLARIFICATION. IN LAST BUDGET REVIEW MEETING BSD INDICATED THAT NUMBER OF STUDENTS ACROSS BSD HAVE BEEN STABLE LAST YEAR AND TEND TO DROP IN FUTURE DUE TO SMALLER MEMBERS PER HOUSEHOLD IN NEW GEN.So it doesn't clarify how does the Stoller increase drastically in 2025. There is no new growth in Springville. Also there are houses with more than 3-4 rooms but with single kid.PLEASE DONT GIVE PRIORITY TO SUMMA SOVER NEIGHBORHOOD STUDENTS - The Summa program should go where the highest concentration of feeding school kids go in order to minimize splits. The entire North Summa program should go to Timberland with Findley who constitute 40% of Summa students in Stoller.H) The Jacob wismer to Sunset feeder at Stoller is about 18% or over 200 kids in the Feb25th MAP A. Its not a single digit percentage as MISREPRESENTED by one of the Jacob Wismer testimonies. Its well in line with high school feeders across the district.
02/29/2020 6:50 PM	avarsha	a.varsha26@yahoo.com	Springville K-8	Stoller MS	Westview	IN FEB25TH MEETING we had 8 members voting for MAP A. Towards end of meeting there was an additional member (Abdul) who also preferred MAP A. Considering that the total vote count will be 9. So request committee to focus on MAP A rather than thinking of different maps at this stage.Moving Springville and Rock creek to FO has ramifications that affect multiple schools.To reduce load on Five oaks, It likely splits McKinley and Elmonica. This means that any part of us that is moved has to move with two schools from North 26 to ensure we are balanced fairly academically. BSD owe us to ensure that we get a fair deal when compared to everybody else North of highway 26 and that we are not the only school that will be impacted disproportionately.

## 2.29.20 MS BOUNDARY PUBLIC COMMENTS

02/29/2020 11:44 PM	Ben Levy	zydecolevy@yahoo.com	Springville K-8	Stoller MS	Westview		KEEP COMMUNITIES TOGETHER: Springville and Sato are intertwined and together make up North Bethany. Do not split us apart for the sake of trying to gerrymander 2025 numbers. We'd rather have 114% and have our complete community.
02/29/2020 11:48 PM	Ben Levy	zydecolevy@yahoo.com	Springville K-8	Stoller MS	Westview		The 90% permanent capacity objective is for Stoller in 2021. There is no 2025 objective, because the 90% objective for 2021 assumes growth in the following years. Please do not make up goals for 2025 and split apart our communities on the basis of non-objectives that may end up being inaccurate.
02/29/2020 1:25 AM	Bill Alt	b_alti@yahoo.com	Springville K-8	Stoller MS	Westview		Friends and neighbors, My son will not be impacted by the school boundary changes but I can see everyone's point of view in this thread. I agree with a lot of comments from most of the parents from all the schools regardless of which elementary school it comes from. It's heart warming to see how much each and every one of us cares about our children. After all, it is what good parents do. However it is disheartening to see that everyone is bickering over this when none of this is any of the parent's fault. Instead of fighting among friends and neighbors, I suggest we dig deep in to the origin of the problem. To me, it seems that building Timberland middle school has started all this animosity. When I think about it, Beaverton school district should have built a north Bethany middle school near Springville or Sato to compensate for growth, not at the Timberland location. If such a school was built instead, none of this heartache would have happened. All of us commenting here have chosen to pay more for our houses than other neighborhoods so that our kids can go to great schools. No offense to Five Oaks, but we all paid more taxes for our kids to go to Stoller as it is a much higher rated school. It is not fair for me to pay for a steak and get a hamburger. I think the real liable party here is the Beaverton School District. Instead of fighting among us, I say let's unite and hold the Beaverton school district liable for this mistake and demand an explanation for why they spent \$61,000,000 of our tax dollars for a school that no one wants to go to. We can sit down and speculate about all possible reasons they built Timberland including under handed deals but at the end of the day, it is simply not logical. Someone didn't do their job properly and caused this inconvenience to all of us. In my opinion, the proper solution is for all of us to lobby for a North Bethany Middle school where Sato, Springville, Rock Creek, and Bethany students would attend. Stoller would have students from Jacob Wismer, Findley, and Oaks Hills. This way no Bethany student would have to cross Highway 26 and have a long commute to an underperforming middle school that is not in their home neighborhood. This would solve ripping the community apart in a seemingly never ending battle of words. Parents, let us unite and place blame exactly where it is deserved: Beaverton School District. Timberland could be a permanent home for an Options school when North Bethany Middle school would open, so the building would not be a waste.
02/29/2020 8:54 PM	cathy	cathyl@gmail.com	Springville K-8	Stoller MS	Westview		Dear BSD&#x00cECONOMIC DIVERSITY with ALL OF SPRINGVILLE is the best it could get AT STOLLER.... if SUMMA moves out, economic diversity WILL ONLY GET BETTER FROM HERE. Any map in whichever configuration, we have seen that if SUMMA stays in Stoller, we can NEVER MEET OBJECTIVE 2 of 90% . Moving SUMMA out of an overcrowded school is essential. Findley has the most SUMMA STUDENTS so it makes sense to move it to Timberland. The concentration of JW SUMMA is also in the east which is also considerably close to Timberland Thank you.
02/29/2020 11:43 AM	chandana	chandabvrl@gmail.com	Jacob Wismer Elem	Stoller MS			Please include JW summa students to Stoller considering walkability to Stoller from Arbor view JW students.
02/29/2020 12:05 AM	Dong Xi	dongidx@gmail.com					Dear all, Please consider canceling this committee meeting due to the potential outbreak of covid-19 and the positive case identified in Portland metro area. The straightforward way to finalize the boundary for stoller is to include Jacob wismer, sato and springville, with keeping summa program intact / not moved anywhere, And send all the new constructions in sato, springville to timberland new middle middle school. Thanks for the consideration.
02/29/2020 9:10 PM	Ehoy Lawless Lewerenz	Lawlesse1@hotmail.com	Rock Creek Elem	Stoller MS	Westview		Please ensure that Rock Creek gets fair treatment when compared to other schools in North 26. I am ok with any split or distance as long as our school is academically balanced. This means that any part of us that is moved has to move with two schools from North 26 to ensure we are balanced fairly academically. BSD owe us to ensure that we get a fair deal when compared to everybody else North of highway 26 and that we are not the only school that will be impacted disproportionately.
02/29/2020 9:54 PM	Erica Frankel	ericabck@yahoo.com	Findley Elem				Hello, Please do not split up Findley! We are open to either Timberland or Stoller but want to remain together. We support the February 25th working map as it kept all of Findley together at Timberland and then we would continue on to Sunset together as well. Seems like a great option. Just please keep us together. Thank you!
02/29/2020 8:56 PM	Gregory Lawless	lawlessgf@hotmail.com	Rock Creek Elem	Stoller MS	Westview		Please ensure that Rock Creek gets fair treatment when compared to other schools in North 26. I am ok with any split or distance as long as our school is academically balanced. This means that any part of us that is moved has to move with two schools from North 26 to ensure we are balanced fairly academically. BSD owe us to ensure that we get a fair deal when compared to everybody else North of highway 26 and that we are not the only school that will be impacted disproportionately.
02/29/2020 9:06 PM	Haoquan Zhang	Liang.b.y1974@gmail.com	Rock Creek Elem	Stoller MS	Westview		Please ensure that Rock Creek gets fair treatment when compared to other schools in North 26. I am ok with any split or distance as long as our school is academically balanced. This means that any part of us that is moved has to move with two schools from North 26 to ensure we are balanced fairly academically. 02/29/2020 3:30 PM	Heather Lambert	heather.pilates@gmail.com	Oak Hills Elem	Meadow Park MS	Sunset	ACMA	I would like to thank BSD for finally addressing the situation at Oak Hills during the Feb 25th meeting. I won't dwell on the fact that once again the majority of the meeting was wasted on not making any progress for Stoller. It seems silly to me that my older boys commuted from Oak Hills to Meadow Park on the bus everyday for 25 minutes each way and we never complained about it. Meadow Park isn't even our closest middle school. There are others in this district who could do the same and stop filling Stoller and start filling other schools like Five Oaks, or at least split up a little. Oak Hills is willing to do that for the sake of our kids being with a better feeder pattern and helping to balance out the schools. Oak Hills a small group. Some of these Northern school populations are so large that they could literally fill up 1/2 a middle school. We were put into Sunset High School 3 years ago because we can walk to that school. If BSD is going to put forth this guideline on us, it should be district wide to make things fair and equitable. If a student can walk to their neighborhood school, then walk. If they have to be on a bus, then it shouldn't matter which building they attend but rather focus on a good feeding pattern. Five Oaks is a logical feeding pattern for Westview as is Meadow Park. We should not be overfilling a school to save a measley 5 min on transportation. As I said, I want to thank BSD for recognizing that Sunset Bound Oak Hills Students need a better feeder for middle school to prepare them for success in High School. Given that we are already split for High School, we would prefer the split to take place before middle school instead. This is a more critical transition for children. Please follow through with the suggestion to send Sunset Bound Oak Hills to Timberland for middle school. And please consider creating a more balanced Sunset/Westview population at Stoller if it is going to be a split feeder. Either send the Northern area of Jacob Wismer to Sunset or take some of the Westview students from Springville to a different middle school to provide a better balance for Sunset.
02/29/2020 4:15 PM	Helen Chang	portlandhelen@gmail.com	Rock Creek Elem				Please ensure that Rock Creed gets fair treatment when compared to other schools in North 26. Not sending alone without any other northern neighborhood schools.
02/29/2020 7:52 AM	Hyojoung lee	dlrae1000@hanmail.net	Jacob Wismer Elem				I am living in Arbor Hights. I want our neighborhood join Findley community.
02/29/2020 8:13 AM	iithin	jrathod81@gmail.com	Springville K-8	Stoller MS	Westview		BSD PLEASE TAKE NOTE OF THIS. The Jacob wismer to Sunset feeder at Stoller is about 18% or over 200 kids in the Feb25th MAP A. Its not a single digit percentage as MISREPRESENTED by one of the Jacob Wismer testimonies. Its well in line with high school feeders across the district.
02/29/2020 8:39 AM	Jagadevi	Jagadevi.chikkalli@gmail.com	Jacob Wismer Elem				Please note 100% of Jacob Wismer is walk/bike able to Stoller and it[?]s not causing overcrowding issue as it[?]s a very stable community. Doing any nip/tuck to wismer doesn[?]t solve overcrowding at stoller. Please consider new/far/growing communities to trim.
02/29/2020 7:09 PM	jithin	jrathod81@gmail.com	Springville K-8	Stoller MS	Westview		MOVE ENTIRE SUMMA TO TIMBERLAND Every middle school walkable kids where SUMMA is not offered have to take BUS to go to middle schools where SUMMA is offered. So it is happening for other SUMMA kids in BSD due to the nature of how SUMMA program is offered only at few middle schools. Jacob Wismer SUMMA kids won't be the FIRST and ONLY WALKABLE KIDS to take BUS for SUMMA program, This is EQUITABLE. Also SUMMA is an optional program. Optional means Optional. In general for any activity, in any sphere of life, first preference should be given to regular stuff which IS ABSOLUTELY REQUIRED, OPTIONAL comes second..good to have but not an ESSENTIAL AT ALL. Please maintain proximity and community for regular middle school education. Shipping Springville to Five Oaks will be unprecended and a gross injustice.
02/29/2020 9:07 PM	Kexin Zhang	484888@bsd48.org	Rock Creek Elem	Stoller MS	Westview		Please ensure that Rock Creek gets fair treatment when compared to other schools in North 26. I am ok with any split or distance as long as our school is academically balanced. This means that any part of us that is moved has to move with two schools from North 26 to ensure we are balanced fairly academically. BSD owe us to ensure that we get a fair deal when compared to everybody else North of highway 26 and that we are not the only school that will be impacted disproportionately.
02/29/2020 8:58 PM	Khamouane Lawless	lawlessgf@hotmail.com	Rock Creek Elem	Stoller MS	Westview		Please ensure that Rock Creek gets fair treatment when compared to other schools in North 26. I am ok with any split or distance as long as our school is academically balanced. This means that any part of us that is moved has to move with two schools from North 26 to ensure we are balanced fairly academically. BSD owe us to ensure that we get a fair deal when compared to everybody else North of highway 26 and that we are not the only school that will be impacted disproportionately.
02/29/2020 1:25 PM	Kim Moen	andrewandkim@comcast.net	Cooper Mountain Elem	Highland Park MS	Mountainside		Although I appreciate the ideal for economic equity across the middle schools in the district, it is quite unequitable to only look at this for one middle school and adjust the boundaries for only 2 (out of 34) elementary schools solely for this issue. This is not a board objective provided to this committee, nor has it been a discussion priority by this committee to date. If the committee suddenly feels the need to balance the free/reduced lunch percentage across the district, then equitably, they would need to look at every school and work from both ends of the free/reduced lunch spectrum. The district is already taking steps toward this as they are concurrently working on developing a common middle school experience to provide equitable opportunities across all middle schools. I urge the district to look into other ways to address this issue, as simply changing a few boundaries and isolating and disrupting certain communities is not the solution. Please keep Cooper Mountain Elementary school feeding to Highland Park Middle School.
02/29/2020 6:04 AM	Laxmi Karumbu	Laxmikarumbu@gmail.com	Findley Elem	Stoller MS	Sunset		Before the district arrives at a final decision please do look at summa and projected summa population. I think 70% of springville sato and Findley will make this up and this may lead to crowding in timberland and more issues with Summa which hopefully we don[?]t need to have another meeting for .Are both the schools going to support Summa or what are the options if timberland reaches summa capacity ? Also what is the capacity?
02/29/2020 7:58 AM	Leda Mareth	ledamareth@hotmail.com	Rock Creek Elem	Stoller MS	Westview		Please consider using the map that was presented at the February 25 meeting. I feel that this is the best map we have seen so far and meets all the criteria set forth. If summa is moved out of Stoller, The projected population in 2021 is under 90%. My understanding is that this is the only goal the committee needs to meet. The other issue with this map is the high school feeding patterns in Stoller. If the committee suggest a change in the HS boundary to continue up Ladlaw through the middle of Sato, it would correct the issue. This would allow all of Findley to go to one high school. While it does divide Sato between two high schools, the area of Sato that would go to Sunset is brand new and has no strong ties to either school.

02/29/2020 3:24 PM	Lori Near	Lori.near@yahoo.com	Jacob Wismer Elem	Stoller MS	Sunset	Dear committee - I remain hopeful that over the next few weeks/months your group will be able to come to some sort of agreement on recommendations that not only make sense, but that take into consideration what is in the best interests of ALL BSD students, teachers and administrators. My optimism of the process came to fruition when the group voted that YES, in order to make any inroads at reducing the overcrowding at Stoller, a split within the Springville boundaries would be feasible. Here are some tough realities:1. SPV and Sato ARE the two largest communities In the district TODAY, and have the most projected growth over the next few years. Those two schools alone can fill an entire middle school today. For this reason, SPV, Sato and JW cannot feed into Stoller in their entirety. It just does NOT work. Let me be clear that JW families are NOT suggesting anybody be kicked out of Stoller, nor are we claiming Stoller as OUR school. We simply want all kids to be offered an appropriate learning environment where kids are not in classes of 35 to 40 students, are not having to sit on the floor to eat lunch, are not having to share lockers and are not having their conferences cancelled because teachers have no time to fit them in. It is NOT in the best interests of the kids, the staff or the BSD. However, we don't believe it makes any sense to bus walkable kids. JW is 100 percent walkable to Stoller so putting them on a bus is just a complete waste of tax dollars. Dollars that can be better spent in classrooms all across the district. 2. Walkability matters. Anyone disputing that fact is not thinking logically. Putting walkable students on buses adds incremental buses to our roads. Buses that our district may not have today and would have to purchase. It also adds a need for more drivers and money to pay the new drivers. However, taking existing buses and drivers and having those same buses drive a few minutes further is logical and is a consideration that NEEDS to happen, especially if any progress at getting to those objectives is going to happen. 3. Feeding patterns that are smooth and have no splits would be the dream. Since the dream does not seem to be a possible reality, please consider splits that are even, or splits that make sense and are welcomed by specific neighborhoods. For example, walkable Findley communities have been asking to stay at Stoller so they can continue to walk. This helps the percentage of sunset bound kids at Stoller. If SPV and Sato stay at Stoller with JW and no Findley kids, the sunset bound students from Stoller are depleted to about 17 percent. If Summa students from Stoller boundaries are then moved to Timberland, the number of Sunset bound students from Stoller will continue to drop down to single digits. No split feeder of that nature anywhere in the district should be acceptable. Please ensure that does NOT happen within Stoller or anywhere else. Lastly, I want to address the horrible and unruly comments that have been made on social media platforms and on printed flyers being distributed across neighborhoods. This conduct is not only divisive, it is unwelcome and unacceptable. Having a different opinion is one thing but to use inappropriate language and to suggest and any BSD school is horrendous is simply crossing the line. I urge the committee and the BSD to remind communities that this behavior will NOT earn anyone points and will only hinder the entire process. Thank you for your efforts throughout the process. Your time and commitment is appreciated.
02/29/2020 8:59 PM	Mary Lynn Klafka	pdxthree@comcast.net	Rock Creek Elem	Stoller MS	Westview	Please ensure that Rock Creek gets fair treatment when compared to other schools in North 26. I am ok with any split or distance as long as our school is academically balanced. This means that any part of us that is moved has to move with two schools from North 26 to ensure we are balanced fairly academically. BSD owe us to ensure that we get a fair deal when compared to everybody else North of highway 26 and that we are not the only school that will be impacted disproportionately.
02/29/2020 6:15 PM	Nancy Collett	nancy@norwesters.net	Cooper Mountain Elem			Please keep Cooper Mountain boundaries the same - with the split between Highland Park and Mountainside. Please don't move boundaries around for the sake of filling some statistics on a page thinking that because of my family's income it will improve the test scores at a different school. Instead focus on keeping the family and school relationships that have already been established in place.
02/29/2020 9:02 PM	Olesya Baykalova	Olesyabaykal@gmail.com	Rock Creek Elem	Stoller MS	Westview	Please ensure that Rock Creek gets fair treatment when compared to other schools in North 26. I am ok with any split or distance as long as our school is academically balanced. This means that any part of us that is moved has to move with two schools from North 26 to ensure we are balanced fairly academically. BSD owe us to ensure that we get a fair deal when compared to everybody else North of highway 26 and that we are not the only school that will be impacted disproportionately.
02/29/2020 6:31 AM	Pramodh Bangaru	Pb97229@gmail.com	Springville K-8	Stoller MS	Westview	Dear BSD and committee members.Thank you for your hard work.Is Stoller a special school unlike any other schools in BSD district? Is BSD made a policy that they will not be using any portable after 2021 across school district? If that is the case than I would understand why some committee members didn't vote on the new Map in FEB 25th meeting. If this is not a policy made by BSD than I don't understand the rationale behind committee members decision who has not voted in FEB 25 meeting.In case of stoller attendance, the Map meets the objective 2 for 2021 year with 88% permanent capacity. For 2025 , there is no specific requirements to meet 90% or 100% permanent capacity. The committee board has to make sure , stoller is not in the same overcrowded situation. That is the only direction they have from Boundary adjustment policy . Even with unreasonable ( I'm not saying this just because I want to sway the committee members, SVP 2019 stoller students 363 actual numbers , projected student for 2025 is 544 Students , it is over 54% increase . The total lots under SVP to be built between now till 2025 is only 50 as per builders number, so where is the 54% increase coming from BSD should explain) projections for 2025 for SVP and SATO , the stoller numbers will be well below 100% full capacity which means, stoller will not be in the same situation as today. Is this not meets all the stoller objectives?! request all of you to not make a decision that impact 450 kids , or splitting the communities . We already been split during SVP , SATo Boundary adjustment. Don't do it again. We are still are saddened with the previous split where my daughter had to go through emotional journey when her best friend had to go to SATO. She was her only buddy in SVP.
02/29/2020 3:03 PM	Preeju Philip	preejusan@gmail.com	Springville K-8	Stoller MS	Westview	Jacob Wismer plus Springville plus Sato is 88% PERMANENT CAPACITY IN 2021 when SUMMA moves to another school with capacity. This MEETS OBJECTIVE 2 right thereThe February 25th MAP MEETS OBJECTIVE 1 AND 2 . Please go ahead with that for Stoller with SUMMA MOVING OUT OF STOLLER.
02/29/2020 3:08 PM	Preeju Philip	preejusan@gmail.com	Springville K-8	Stoller MS	Westview	ECONOMIC DIVERSITY.....In the February 25th working map, in ADDITION TO MEETING OBJECTIVE 1 and 2, that map also has BETTER ECONOMIC DIVERSITY AT STOLLER. Please keep Springville at Stoller . NORTH BETHANY HAS ONLY ONE MIDDLE SCHOOL NEARBY..... please be our voice. Please be the voice of Springville kids who do not have a direct representation. Thank You

## 2.29.20 MS BOUNDARY PUBLIC COMMENTS

02/29/2020 7:28 PM	Priyanka Aggarwal	aggpri@gmail.com	Springville K-8	Stoller MS	Westview		PLEASE DON'T CREATE OR INTRODUCE MORE BOUNDARIESFew committee members expressed their concerns on 2025 Numbers with this Solution at Stoller as it makes Stoller at 114% in 2025. First of all 114% is of Permanent Capacity but very much below of Total Capacity. Even for Permanent Capacity it is just 2-3 extra Kids in a Class of 30.
02/29/2020 10:40 PM	Pronab das	Pronab.das@Qorvo.com	Findley Elem	Stoller MS	Sunset	ISB	Keep Findley kids together, please.
02/29/2020 9:00 PM	Richard Klafka	pdxthree@comcast.net	Rock Creek Elem	Stoller MS	Westview		Please ensure that Rock Creek gets fair treatment when compared to other schools in North 26. I am ok with any split or distance as long as our school is academically balanced. This means that any part of us that is moved has to move with two schools from North 26 to ensure we are balanced fairly academically. BSD owe us to ensure that we get a fair deal when compared to everybody else North of highway 26 and that we are not the only school that will be impacted disproportionately.
02/29/2020 6:15 PM	Richell Chiu-Yap	RCHWEY88@YAHOO.COM	Springville K-8	Stoller MS	Westview		To the committee members:PSU forecast of Springville and Jacob Wismer population indicates a stable Stoller population.Springville will add 84 kids at 2028-29 while Jacob Wismer will drop by -85 kids.Please see page 36-38 of the report below-- <a href="https://pdxscholar.library.pdx.edu/cgi/viewcontent.cgi?article&amp;#61;1129&amp;context&amp;#61;enrollmentforecasts">https://pdxscholar.library.pdx.edu/cgi/viewcontent.cgi?article&amp;#61;1129&amp;context&amp;#61;enrollmentforecasts</a> Please do not be too concerned of overpopulation at Stoller at 2025 numbers. We need to only target 90% capacity at 2021. Please consider keeping portables at Stoller in case of fluctuations.Best regards,Richell Chiu-Yap
02/29/2020 6:17 PM	Richell Chiu-Yap	RCHWEY88@YAHOO.COM	Springville K-8	Stoller MS	Westview		Dear Committee Members,According to PSU study, the following elementary schools are scheduled to greatly decrease in population: Jacob Wismer (-85) , Findley (-100), Terra Linda (-31) , Oak Hills (-20) , Cedar Mill (-19). These are the same schools proposed to be in Timberland Middle School. This presents a good case that there will be more space at Timberland for the SUMMA program.Reference: page 36-37, <a href="https://pdxscholar.library.pdx.edu/cgi/viewcontent.cgi?article&amp;#61;1129&amp;context&amp;#61;enrollmentforecasts">https://pdxscholar.library.pdx.edu/cgi/viewcontent.cgi?article&amp;#61;1129&amp;context&amp;#61;enrollmentforecasts</a> Please keep our Sato and Springville kids at their nearest middle school - Stoller.Best regards,Richell Chiu-Yap
02/29/2020 6:19 PM	Richell Chiu-Yap	RCHWEY88@YAHOO.COM	Springville K-8	Stoller MS	Westview		Dear Committee Members,According to the PSU study, the feeders for Five Oaks middle school is expected to remain flat. Beaver Acres (-32), Elmonica (-12), McKinley (-13). There is not enough space to add Rock Creek, Bethany, and Springville into Five Oaks.Please keep Rock Creek, Bethany, and Oak Hills in Meadow Park. Please keep Sato and Springville in Stoller. There's enough capacity in Stoller at 2025 if existing portables will remain on site. Please have portables in your recommendations to the Superintendent. We are not even certain that they will be necessary.Reference: page 36,37 <a href="https://pdxscholar.library.pdx.edu/cgi/viewcontent.cgi?article&amp;#61;1129&amp;context&amp;#61;enrollmentforecasts">https://pdxscholar.library.pdx.edu/cgi/viewcontent.cgi?article&amp;#61;1129&amp;context&amp;#61;enrollmentforecasts</a> Best regards,Richell Chiu-Yap
02/29/2020 6:38 PM	Richell Chiu-Yap	RCHWEY88@YAHOO.COM	Springville K-8	Stoller MS	Westview		Dear Committee members,Please vote for the Feb 25 work map. It splits less communities and elementary schools, prioritizes regular students over the SUMMA Options program, and does not unnessarily tear away Springville from our North Bethany community on a long commute. It hits 2021 targets at 88% at Stoller, without Summa. 2025 projections may show it as slightly over capacity at 114%. There are portables on site to address that (IF NECESSARY) or Teaching and Learning can also opt to have slightly more kids per class. That is not the end of the world, rather than create ripple effects across half the district by pushing the northernmost school down south of 26. The effects of the changes requested at the last meeting, just to try and reduce the 114% 2025 projections is NOT worth it, especially at a school that can handle it. Can you justify all these changes because of 150 POTENTIAL students in Stoller? Keeping Springville in Stoller only &#34;hurts&#34; Stoller (if the projections are accurate), but keeping SUMMA /Findley in Stoller &#34;hurts&#34; HALF THE DISTRICT, because of future forecasts that we are not even sure would happen.95% is NOT the goal for 2025, as some committee members have alluded. Even Sparks said it at the last meeting. Please don't be swayed by committee members who have their own self-serving agenda. Thank you for considering these points.Best regards,Richell Chiu-Yap
02/29/2020 7:27 PM	Sandeep Kumar	sandysrivastava@gmail.com	Springville K-8	Stoller MS	Westview		END OR REDUCE BUT PLEASE DON'T CREATE OR INTRODUCE MORE BOUNDARIESFeb 25th Map for Stoller has so much of Potential. As proved by BSD Data, it gets 88% at Stoller in 2021 and hence meet the Objective once SUMMA is moved out of Stoller.Few committee members expressed their concerns on 2025 Numbers with this Solution at Stoller as it makes Stoller at 114% in 2025. First of all 114% is of Permanent Capacity but very much below of Total Capacity. Even for Permanent Capacity it is just 2-3 extra Kids in a Class of 30.
02/29/2020 10:33 AM	SANJOY K SAHA	sanjoy123@gmail.com	Springville K-8	Stoller MS	Westview		SPRINGVILLE IS ALWAYS A PART OF NORTHERN COMMUNITY. The kids from Springville should have Stoller as their middle school. We just have one middle school in our community proximity.I have seen comments from some communities that if a lockout or lockdown comes they can just walk to Stoller and protect their kids. What about kids from Springville? We have to travel through the busiest roads all over to FO to ensure our kids are safe?? Is this what equity is about? Thinking of only one community[?]'s kids? Is this the attitude that we should be passing to our future kids? Please BSD, keep THE MIDDLE SCHOOL OF ENTIRE SPRINGVILLE IN STOLLER.
02/29/2020 10:48 AM	SANJOY K SAHA	sanjoy123@gmail.com	Springville K-8	Stoller MS	Westview		SUMMA IS AN OPTIONAL PROGRAM: Please do not punish the regular schoolers over the Option Program Kids. Springville MS kids should not be bused all the way for no fault of theirs. Springville, is well established in North Bethany, with a slow growth rate (80 kids in 5 yrs), uprooting it and moving it to Five Oaks only rewards the builders who are on a building spree in the Sato area. You will be booting real children in our community to keep empty homes lots and homes zoned to Stoller.PLEASE do not uproot all or portions of Springville from its North Bethany community.
02/29/2020 11:29 AM	SANJOY K SAHA	sanjoy123@gmail.com	Springville K-8	Stoller MS	Westview		PLEASE DO NOT PRIORITIZE EMPTY LOTS AND HOMES OVER ACTUAL CHILDREN: It is unethical to take a local community, Springville, which is well established in North Bethany, with a slow growth rate (80 kids in 5 yrs) and uproot the children by moving them 2.5x further to Five Oaks. The projected growth is Sato area. This action would only benefit the developers who have given zero thought to required infrastructure in the area. You will be booting real children with immediate Impact in our community to keep empty homes lots and homes zoned to Stoller. You would be prioritizing projected children over real children who WILL be impacted. PLEASE do not uproot all or portions of Springville from its North Bethany community.

## 2.29.20 MS BOUNDARY PUBLIC COMMENTS

						BSD commitment to Equity is challenged by SUMMA concentration amongst those neighborhoods that are very affluent, and this implies that BSD is spending a good chunk of their learning and development budget that favors only a small minority of wealthy students in the district. Based on heat map, almost negligible SUMMA population is from the poverty areas, which means SUMMA program is not equitable to those in the district that are within the poverty zone or those dependent on Free and Reduced Lunch option. GIVE PRIORITY TO THE REGULAR CURRICULUM STUDENTS OVER SUMMA. BASED ON THE HEAT MAP, IT IS CLEAR THAT SUMMA ENTRANCE IS VERY CLOSELY TIED TO WEALTHY NEIGHBORHOODS AND ACCESS TO SPECIAL COACHING CLASSES. Move SUMMA out of STOLLER. Keep Springville in STOLLER.
02/29/2020 7:22 PM	SANJOY K SAHA	sanjoy123@gmail.com	Springville K-8	Stoller MS		
02/29/2020 8:44 PM	SANJOY K SAHA	sanjoy123@gmail.com	Springville K-8	Stoller MS	Westview	PLEASE MOVE SUMMA TO TIMBERLAND .....Findley has the most number of kids in SUMMA so it makes sense to have SUMMA at Timberland... Jacob Wismer SUMMA is also mostly concentrated in the east close to Findley and Timberland.....Please do not prioritize and option program at stoller WHILE DISPLACING NEIGHBORHOOD KIDS FROM NORTH BETHANY WHO DO NOT HAVE ANOTHER REGULAR MIDDLE SCHOOL NEARBY....
02/29/2020 8:50 PM	SANJOY K SAHA	sanjoy123@gmail.com	Springville K-8	Stoller MS	Westview	map of 02/25 meets all objectives but missed approval by on one vote. Only objection being 2025 unrealistic goal for stoller to be 90 percent of permanent capacity. That was not even the BOARD OBJECTIVE!! Please go with Feb 25 th map as it meets the BOARD OBJECTIVE OF MEETING 90% STOLLER CAPACITY..
02/29/2020 12:12 AM	Shawli	shawli22@gmail.com	Springville K-8	Stoller MS	Westview	In the next meeting please discuss how many JW student are feeding Sunset. Please calculate exact number and then proceed with the discussion. Our calculation shows there are 200 JW regular kids feeding Sunset. The 200 number doesn't include JW Summa kids. With JW Summa kids the number will be higher. Stoller Representative Please Clarify The Number. REGARDING SUNSET AND WESTVIEW FEEDER CONCERNS IN STOLLER WITH Final Working Map: There will be 200 Jacob Wismer Sunset kids, out of 956 kids in Stoller. This number doesn't include Summa JW Kids. With Summa kids the number will be higher. Also, I have never seen kids making friendship by asking will you feed to Westview or Sunset.
02/29/2020 12:17 AM	shawli	shawli22@gmail.com	Springville K-8	Stoller MS	Westview	Dear Committee members, Thanks for all your efforts on this Boundary adjustment process. Summa should be relocated to a school that has capacity , not in an area of high demand. Please prioritize regular school over Summa. Springville, Sato and Jacob Wismer can fit together in Stoller without summa. This keeps Stoller to 88% of permanent capacity in 2021 which is the primary objective of this boundary adjustment process.
02/29/2020 12:33 AM	Shawli	shawli22@gmail.com	Springville K-8	Stoller MS	Westview	Request To Remove The Flawed Bus Trial.Springville parents are called liars because we said bus data is flawed or have errors. Please either remove the data or correct it. It shows in all 5 test run for each route the bus reaches Five Oaks at 9:05 am. That is incorrect. For example in Route 3, the bus reached 9:10:36 am. Check the Route 3 GPS TRACK. There are many more problems. Please watch the videos. So the request is please remove flawed data.
02/29/2020 12:51 AM	Shawli	shawli22@gmail.com	Springville K-8	Stoller MS	Westview	Another fact about Springville to Five Oaks commute. For Route 3, the bus reaches Five Oaks at 9:10:36 am. The route have 51 rides, and will take 2:55 minutes to get off the bus (3 secs per kid). Kids will get off the bus at 9:13 am. School starts at 9:15 am. As o many middle schooleer eats breakfast at school cafeteria, please take that into account. Hungry kids cannot concentrate. How will the kids reach Five Oaks, eat breakfast and attend class on time. They are Middle School kids not robots. So does BSJL parents and the committee think Springville to Five Oaks is feasible? Acsnt No. Date Time(PST) Speed(MPH) Heading Log Reason Lat Lon Address Source(559 / 2 / 10 / 2020 8:45:34 S O South South East Motion Start 45.5740258 -122.848656 N W Truckee Rd, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:45:52 O O South Motion Stop 45.572333 -122.848634 N W Viola St, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:47:20 O O South Door Open 45.573131 -122.848634 N W Viola St, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:47:26 O O South Door Open 45.573131 -122.848634 N W Viola St, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:47:40 S S South Motion Start 45.5731794 -122.8486136 N W Bagdad Rd, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:47:50 S S South Motion Stop 45.5730515 -122.8502855 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:48:35 O O South West Standard 45.5730515 -122.8502855 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:48:48 O O South Motion Stop 45.573275 -122.8502889 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:50:02 O O South Door Open 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:50:17 S S South Motion Start 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:50:35 S S South West Standard 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:50:42 S S South West Motion Start 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:50:48 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:50:52 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:50:58 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:51:02 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:51:08 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:51:14 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:51:20 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:51:26 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:51:32 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:51:38 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:51:44 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:51:50 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:51:56 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:52:02 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:52:08 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:52:14 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:52:20 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:52:26 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:52:32 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:52:38 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:52:44 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:52:50 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:52:56 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GPSS59 / 2 / 10 / 2020 8:53:02 S S South West Motion Stop 45.5735756 -122.8502882 N W 188th Ave, Portland, OR 97228, United States GP

02/29/2020 7:53 AM	SRSHASUREN	varsha.suren@yahoo.co.in	Springville K-8	Stoller MS	Westview	MAP A IS THE OPTIMAL ONE. a) It avoids splitting of communities.b) It avoids Springville having to travel the maximum distance along the unsafest route to Five Oaks.c) BSD will also gain in transportation costs by keeping Springville at Stoller.d) It will further help to move the entire SUMMA from Stoller to Timberland.e) Rockcreek will need to travel to Meadow park but they will have Bethany Elem with them. Also SUMMA is also there in Meadow park.f) JW , SATO and Springville minus SUMMA meets the objective in 2025 and is totally sustainable in 2025.g) The 2025 projections doesn't seem accurate. There is no further development in Springville. The estimate FOR 2025 NEED FURTHER CLARIFICATION. IN LAST BUDGET REVIEW MEETING BSD INDICATED THAT NUMBER OF STUDENTS ACROSS BSD HAVE BEEN STABLE LAST YEAR AND TEND TO DROP IN FUTURE DUE TO SMALLER MEMBERS PER HOUSEHOLD IN NEW GEN. So it doesn't clarify how does the Stoller increase drastically in 2025. PLEASE DON'T GIVE PRIORITY TO SUMMA SOVER NEIGHBORHOOD STUDENTS - The Summa program should go where the highest concentration of feeding school kids go in order to minimize splits. The entire North Summa program should go to Timberland with Findley who constitute 40% of Summa students in Stoller.H) The Jacob wismer to Sunset feeder at Stoller is about 18% or over 200 kids in the Feb25th MAP A. Its not a single digit percentage as MISREPRESENTED by one of the Jacob Wismer testimonies. Its well in line with high school feeders across the district.
02/29/2020 3:59 PM	Ting Su	tingjinsu@gmail.com	Rock Creek Elem			Any move should require two additional northern schools to ensure some academic balancing for us. Please ensure that Rock Creed gets fair treatment when compared to other schools in North 26.
02/29/2020 9:03 PM	Tolmachev Nikolay	4228olenic@gmail.com	Rock Creek Elem	Stoller MS	Westview	Please ensure that Rock Creek gets fair treatment when compared to other schools in North 26. I am ok with any split or distance as long as our school is academically balanced. This means that any part of us that is moved has to move with two schools from North 26 to ensure we are balanced fairly academically. BSD owe us to ensure that we get a fair deal when compared to everybody else North of highway 26 and that we are not the only school that will be impacted disproportionately.
02/29/2020 6:40 PM	varsha	varshasuren@yahoo.co.in	Springville K-8	Stoller MS	Westview	BSD PLEASE TAKE NOTE OF THIS. The Jacob wismer to Sunset feeder at Stoller is about 18% or over 200 kids in the Feb25th MAP A. Its not a single digit percentage as MISREPRESENTED by one of the Jacob Wismer testimonies. Its well in line with high school feeders across the district.
02/29/2020 7:48 AM	varsha	varshasuren@yahoo.co.in	Springville K-8	Stoller MS	Westview	The Jacob wismer to Sunset feeder at Stoller is about 18% or over 200 kids in the Feb25th MAP A. Its not a single digit percentage as MISREPRESENTED by one of the Jacob Wismer testimonies. Its well in line with high school feeders across the district. BSD PLEASE TAKE NOTE OF THIS.
02/29/2020 3:06 PM	Vasu Akkineni	vasu.akkineni@gmail.com				SPRINGVILLE TO FIVE OAKS HAS A RIPPLE EFFECT - Moving Springville to Five Oaks has a ripple effect on multiple schools. It will likely split McKinley and Elmonica. It moves out Beaver Acres and Aloha Huber to Meadow Park. The demographics at Meadow Park will be very bad with Oak Hills Moved out as well. It will overcrowd Meadow Park and make it feed 3 High Schools. This would mean an entirely new map with changes to boundaries of a lot of schools below US 26. The Feb 25th Working Map is the best solution for most students and is least disruptive. The Objectives are Stoller at 90% in 2021 and to fill Timberland. By moving all of SUMMA from Stoller to Timberland in the Feb 25th Map both the objectives are achieved.
02/29/2020 3:42 PM	Vasu Akkineni	vasu.akkineni@gmail.com	Springville K-8	Stoller MS	Westview	HARD DECISION OF USING FEW PORTABLES OVER SPLITS - I have a Fourth Grader at Springville who will be in the first group of students affected by this Middle school boundary change. I encourage the committee to consider the hard decision of using portables (lesser number) for a few years at Stoller instead of making the hard decision of splitting Springville. I try to imagine my child as a fifth grader realizing which friends she will lose next year because of this split. I think avoiding splits is totally worth the 14%. It was disheartening to see the committee spend hours going back and forth over 14% at max growth in 2025 at the expense of splitting schools, when 2025 is not even the objective.
02/29/2020 1:13 PM	Vicki Bock	jvbock@comcast.net	Findley Elem			Please keep in mind when working on the boundary changes how most people at the Feb. 25th meeting were very happy to see how you managed to keep the schools together without splitting them in the northern section. That, along with reducing overcrowding at Stoller, seem to be two of the highest priorities. With that in mind, please do not split Findley Elem. School. Thank you for listening and your hard work.
02/29/2020 8:31 PM	Vinod A	vinod.a@gmail.com				Please move SUMMA --&gt; TIMBERLAND... Findley has the most number of kids in SUMMA and it makes more sense it is at TIMBERLAND. Also JW population is going down more so the SUMMA numbers too. 75 kids from JW go to ISB which is 7 miles away and they will go to TIMBERLAND for SUMMA. There is no way they will pick to stay back at Stoller. Thinking what families may do if they don't pick SUMMA should be factor to decide. SUMMA at TIMBERLAND is choice that can reduce the numbers enough for Springville, SATO and JW in 2021 to meet the 90% objective. 2025 is &lt;100% of Total capacity. Numbers are going down beyond 2025.
02/29/2020 5:18 PM	Vinod Kulkarni	vkpkulkarni@gmail.com		Stoller MS		Committee members - thank you for being concerned about Stoller overcrowding. Going with the current working map, the Stoller population is at 88% Permanent capacity (Summa at a different school) which meets the JC objective with 2021 numbers. However, 2025 numbers provided put Stoller at 1231 or 114% permanent capacity or 90% total capacity. How do we solve this ? If you look closely at the BSD forecast 2022 onwards, you will note that the population from JW is declining starting 2019, the population at SPV will start declining 2023 onwards and the population at SATO will be flat starting 2023. Give these forecast, please be assured that starting 2026 the overall Stoller population will decline to 100% permanent capacity and following that will be well within 90-95% of permanent capacity. 114% for one year is manageable. Please don't split the North Bethany Community with 2025 data in mind. Thank you !

02/29/2020 12:32 AM	Yunfei Wang	yunfeiwangyw@gmail.com	Findley Elem	Stoller MS	Sunset	Let's all be frank to ourselves, the strong objection from parents of Springville feeding to Five Oaks is because Five Oaks MS is a 4/10 school, not because the distance, if Five Oaks were a 10/10 middle school, they will be more than happy to send their kids there. During the meeting on Feb. 25th, committee members reached consensus that SPV&#43;SATO&#43;JW is not going to work, there is no way to get around it. so the only option now is to feed SPV or SATO to a different middle school. since Springville doesn't want to go to Five Oaks, sending Springville or SATO to Timberland is a proposal which will face least objections. I think committee should seriously consider this proposal for the following reasons:1. least increase of demand for school buses 2. minimum impact to all other existing feeder school, Findley, Jacob Wismer, Rock Creek can stay at Stoller. 3. all walkable neighborhoods still go to Stoller 4. legacy, sibling, diversity patterns remain unchanged.If I were a Springville or SATO parent given the choice between Five Oaks and Timberland, I would choose Timberland. however this should be a temporary solution for the fast growing communities in north Bethany, I am sure Mr. Sparks, as the long term planning administrator, already sees the ultimate solution would be build a dedicated middle school in the north Bethany area, to accommodate the needs of two fastest growing communities north of hwy26.

Hello Mr. Sparks,

Good morning!

I wanted to take a few minutes and send you the attached document. This document has two separate BSD documents super-imposed to give the consolidated picture of District poverty heat map vs. District SUMMA heat map.

It's a very simple document to understand that SUMMA has definite linkage to Wealthier and Elite neighborhoods.

Given this analysis: there's two concerns here -

1) BSD commitment to Equity is challenged by SUMMA concentration amongst those neighborhoods that are very affluent, and this implies that BSD is spending an good chunk of their learning and development budget that favors only a small minority of wealthy students in the district. Based on heat map, almost negligible SUMMA population is from the poverty areas, which means SUMMA program is not equitable to those in the district that are within the poverty zone or those dependent on Free and Reduced Lunch option.

2) Based on the attached document - It's clear to see that largest two populations of SUMMA are from the Findley and Jacob Wismer schools which are amongst the wealthier neighborhoods in all of BSD. This is not to take away from the kids that are gifted but this also raises a valid question how's it possible that two schools have consistently managed to crack the SUMMA entry level testing? Is there any additional help being provided to the students in these schools by parents putting the kids through expensive external coaching classes to crack the SUMMA testing?

Does BSD have any research that can be made public why only these two schools account for such large numbers of SUMMA qualified candidates?

Are there any BSD policies around expensive SUMMA entrance coaching opportunities being provided largely by the affluent families whereas their peers from poverty areas are deprived of any such additional coaching opportunities.

Lastly, the concerns are around the undue influence that JW AC member is advocating for SUMMA during the Boundary committee meetings. It has been noted that a disproportionate amount of discussions have happened about SUMMA students that are less than 4% of total BSD middle population but the majority of discussions have been spun around SUMMA. This is putting the remainder of 96% of BSD regular education students at a distinct disadvantage.

We request your help to review and address these concerns; and if possible to influence the AC members to realign and focus their discussions off SUMMA during the meeting to cater to the needs of regular education students in the district.

(Please review and attach the document)

Thanks,

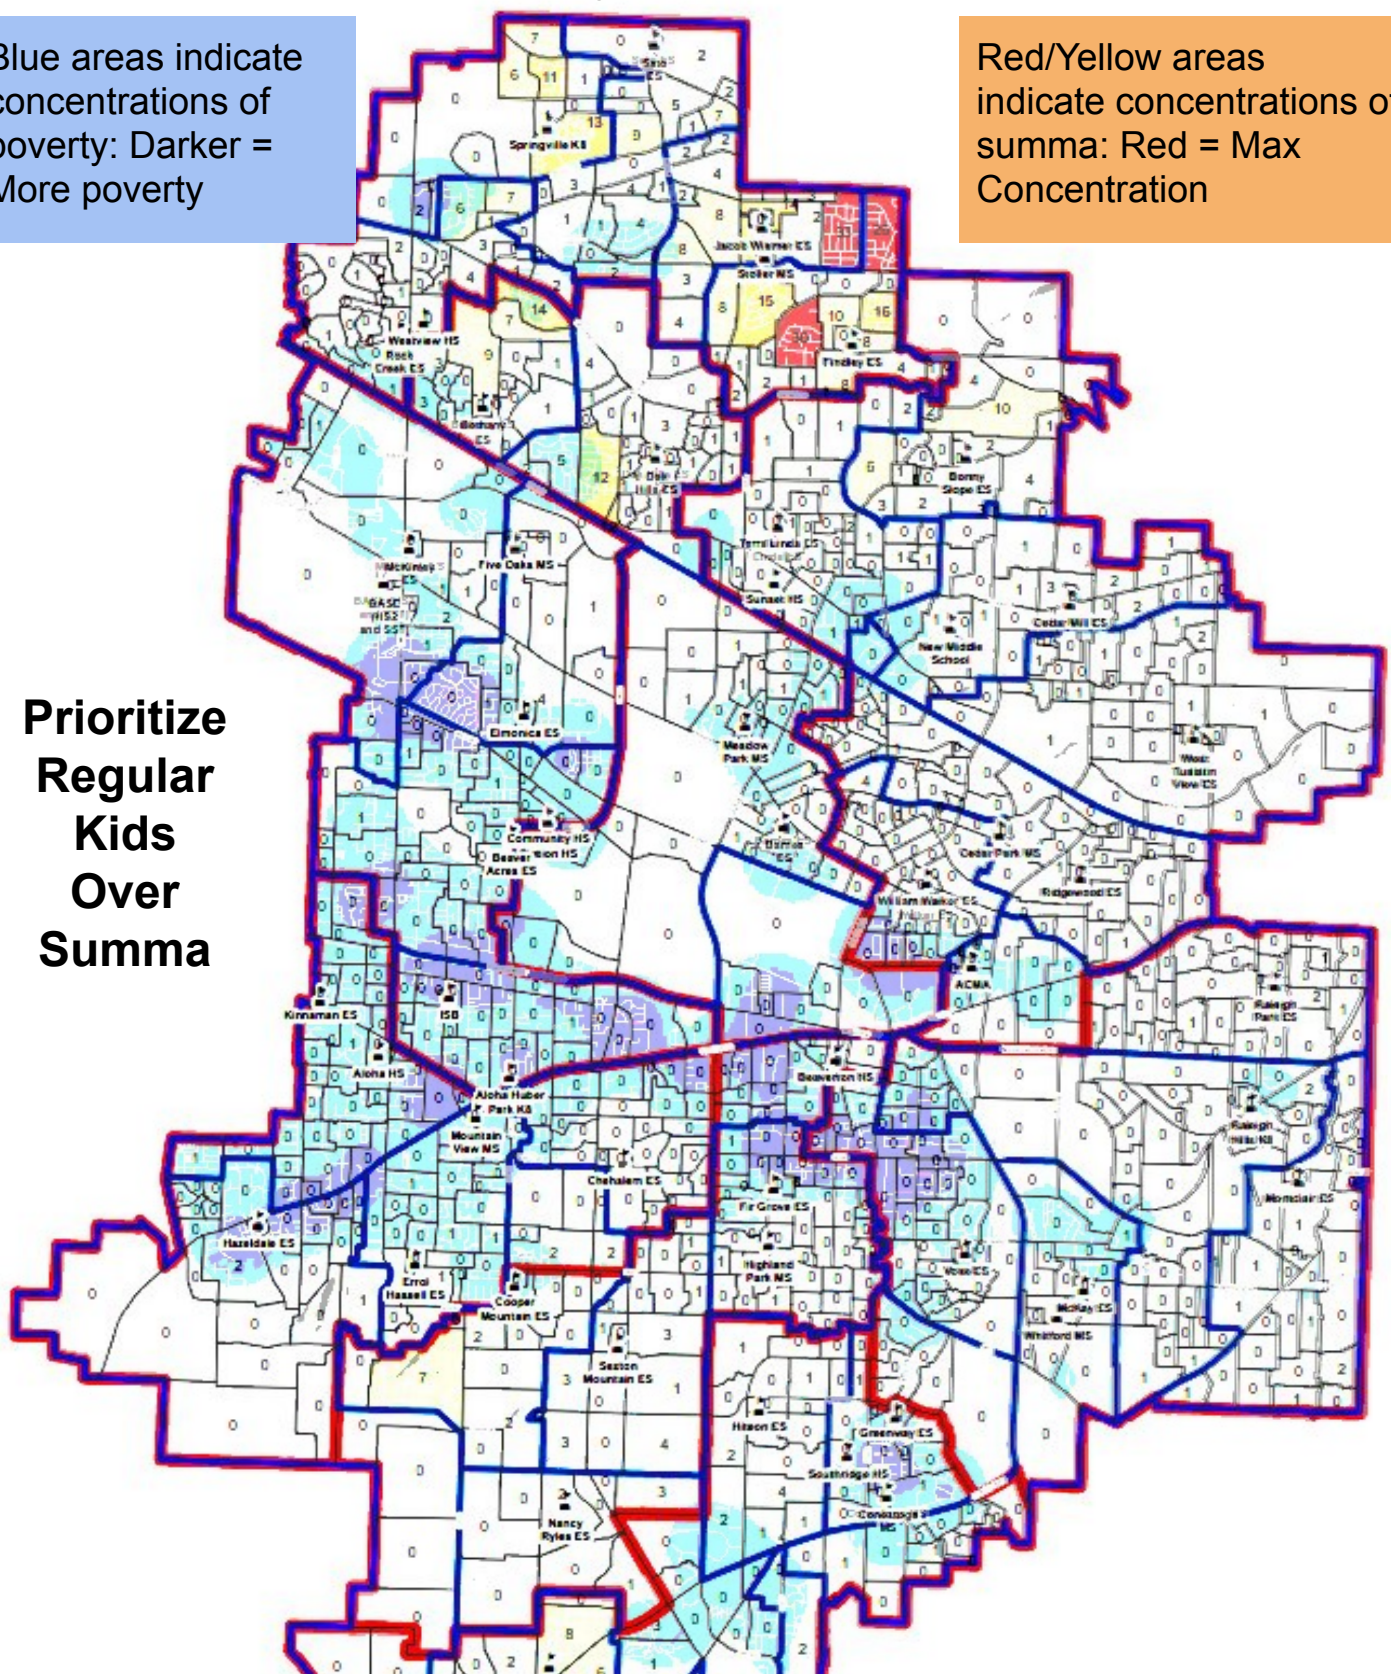

Prashant

## Summa and Poverty Maps From BSD Superimposed

Blue areas indicate concentrations of poverty: Darker = More poverty

Red/Yellow areas indicate concentrations of summa: Red = Max Concentration

# Prioritize Regular Kids Over Summa

## Summa concentrations and areas of increased poverty are **mutually exclusive**
