## ADMINISTRATIVE SALARY SCHEDULE 1

1. **Salary Placement:** The individual will be placed on the specific salary range and step appropriate for the position. Step increases will be provided according to the approved schedule unless otherwise determined. Upon hire, credit for previous work history will be evaluated for relevance and job related work experience. Appropriate placement on the Administrative Salary Schedule shall be made by the Executive Director of Human Resources or designee.
2. **Insurance Benefits:** Through December 31, 2019, the district shall provide group insurance benefits to full-time staff members in the amount the State provides to the district, less the retiree subsidy required by State law. This benefit can be applied to district-approved insurance plans. Participation in the dental, vision, life insurance policy and long-term disability plan is required of all full-time employees. Staff members who are less than full-time, but are at least half time, shall also be eligible for prorated district insurance contributions. The District shall provide term life insurance in \$50,000 increments for each administrator on the Administrators' Salary Schedule A in an amount not less than the administrator's salary. The District shall provide term life insurance in the amount of \$300,000 for each administrator on the Administrators' Salary Schedule B.  
  
Beginning January 1, 2020, the District shall provide to eligible employees all non-optional life, dental, health and disability insurance programs available under the rules and regulations of the Washington School Employee Benefit Board.
3. **Professional Dues:** The district will provide for one membership in a professional organization at both the state level and its national affiliate. Memberships in more than one organization must be approved by the Superintendent or designee.
4. **Education and Professional Development:** The district will reimburse an employee for work related educational coursework, programs, workshops, and/or conferences. Such education must be approved by Human Resources and will be reimbursed up to a not-to-exceed amount of \$1,800.00 annually.
5. **Extra Duty:** Extra stipends of up to 5% of the administrator's annual salary can be provided by the Superintendent for responsibilities assigned which are beyond the regular duties as defined by the job description.
6. **Performance Pay:** An incentive merit amount may be provided as determined by the Superintendent for each employee represented on the Administrators' Salary Schedule B. A pool equivalent to 2% of the base salary will be used in determining the performance pay and will not exceed 5% of an individual's base pay.
7. **Vacation:** Each full-time individual will be provided twenty-five (25) paid contract days of vacation per year. Up to thirty-five days of unused vacation may be carried over to an ensuing year. No more than four weeks of vacation may be taken at one time unless approved by the Superintendent or designee. Vacation days shall be deemed used in the order in which they were earned. In circumstances where an employee's responsibilities limit the annual utilization of vacation as determined by the immediate supervisor, employees represented by Schedule A can elect to receive compensation for up to three (3) days of unused vacation; employees represented by Schedule B can elect to receive compensation for up to five (5) days of unused vacation.
