GENERAL FINANCIAL AID INFORMATION FOR SUMMER 2020

If you received a 2019-2020 financial aid award and you request summer aid, a revised award will be issued. Your loan funds will be posted to your student ledger provided you are eligible to receive the loan funds. If the amount of your financial aid exceeds your College charges, a refund will be issued to you via EFT or check. **Financial Aid for federal Direct loans will not be processed until you have established attendance in at least six (6) credits.**

I am planning on being enrolled in _____ credits for the summer 2020 term.

I request \$_____ in federal aid (Pell Grant/federal Direct loans) for summer 2020. Any remaining eligibility from the 2019-2020 year will be awarded, up to the amount requested. **Requested amounts are not guaranteed.** If you are eligible for Pell Grant, the Financial Aid office will award Pell first and then any remaining federal Direct loan eligibility.

1. I verify that all of the information on this form is true and complete, and have read the general financial aid information for summer 2020. I understand any change in my schedule may result in a reduction or total cancellation of any or all financial aid awards.
2. I understand that I must be enrolled in a minimum of six (6) credits at the time my federal Direct loan is disbursed. If I am enrolled in less than six (6) credits, I will be ineligible for any loan funds.

BOOKSTORE VOUCHERS:

If all financial aid documentation is complete and you have excess financial aid available after all college charges, you may be issued a book voucher which allows you to charge your books at the bookstore once the books are available for purchase. If you utilize that voucher, the charges will be added to your account, which will reduce the refund you receive.
