Re: Asbestos, Lead Based Paint and Regulated Materials Abatement Costs for the
Town Hall located at 83 Mountain Road in Suffield, Connecticut

Dear Mr. Cloonan:

TRC has conducted a walk through visual assessment for asbestos-containing materials (ACM) and other regulated materials within the interior of the Town Hall in Suffield, Connecticut. Information from the visual assessments was used in preparing the following abatement cost estimates:

Asbestos Removal	\$178,858.38
Regulated Materials	\$14,468.25
Total	\$193,326.63

Attached are the abatement estimate tables. If you have any questions regarding these costs, please feel free to contact me directly at (860) 298-6266.

Very truly yours,

TRC ENVIRONMENTAL CORPORATION
