## TSC PANTHERS

### Teamwork

Passing in soccer shows teamwork from all the players.

### Leadership

Leadership is shown when players call out to their teammates as well as the coach

### Caring

When players kneel for a player who gets injured they are caring

Each year in TSC, ( Troy soccer club) the players have an indoor soccer season. On November 17 at 5:00 at ultimate soccer arena, the TSC panthers had a very close and significant win. The final score was 4-3. Panthers had a big comeback with the score 1-3 in the first half and won 4-3 in the second half!

“I’m very happy they won but I thought they deserved it because they were switching, finding the flanks, and corners. But overall it was a nerve racking game,” says Peter , coach of the TSC panthers. The panthers are in the highest division in the TSC league and they really showed how they never gave up with their skill.

“We never gave up and we kept fighting for the win”. Says Danny a member of the panthers. The team used teamwork in the the second half to score 3 goals in the second half. They also used a lot of energy to do the big comeback at the end. Don’t ever give up. It’s not only in soccer. - Alex jamil

## TSC COUGARS

## OAKLAND NATIONALS

On November 17 at 3:30 p.m. the TSC Cougars were scheduled to play FC Union in Ultimate Soccer arena. It was a competitive game. The first half went by with the score being 0-0, when in the beginning of the second half of the game, a player on TSC, Ahbinav got hit in the face with a soccer ball. He went down and held his head. All the players kneeled. When asked about how it felt when everyone kneeled for him he said

“I didn’t see it but now I know and it was very respectful and caring.”

The coach as well as the players show leadership when calling out to teammates and players on where they need to be and what to do. There are

At ultimate soccer arena 2019 the 16th of November at 11:30!

Hhhhhhhhhhhmmmmmmmmmm! The alarm went off. The next teams are in play. Both teams are probably going to have a fire lit up! Tweet! The opponents were trying to beat OAKLAND BLACK NATIONALS!!! People are flying like jets that have terrible pilots! BAM! Wosh ! “Yesssss”! A goal by someone named Luke O! By half time the score was 2 to 0! Nationals are winning. By the end of the game unfortunately after a hard game Nationals lost 2 to 4! But still both teams tried hard and did great teamwork but soccer is just one of the many sports! There are so many more! 😊-Aiden wolfe!

On Sunday, November, 17 at Goldfish swim school in Rochester MI, from 4:00 to 5:00, Ella, Josh, Josie, and Jen Dombrowski attended a swimming school for children. At the swimming school, kids learn multiple strokes such as, backstroke, freestyle, breaststroke, and butterfly. In the local interview, most stated that the least favorite stroke had to be butterfly. “it’s the most tiring and hardest stroke.” Said 6 year old Josh. Some kids even like butterfly, or like, or dislike other strokes differently. According to the interview, Some were the best at breaststroke, or freestyle. Those are most popular at Goldfish swim school of Rochester where Ella, Josh, and Josie swim at. This swim school is highly recommended for kids of all ages at least younger than 13 years old. “I just love watching my kids improve and build endurance.” “I am so proud of them!” Said Jen Dombrowski, the mom of Ella, Josh, and Josie Dombrowski.

# Veteran's Day Assembly

On Monday November 11th at Troy Union elementary in the LGI the 4th and 5th graders joined together for the Veterans Day assembly with Mr. Matt Horning who is in the army and works on cyber security for the USA. Mr. Matt Horning taught the children many important things about cyber security and his job.” I would like to learn to fly planes and be in the Air Force”said Mrs. Wilson and Sofia Do a teacher and a student at Troy they Union Elementary from room one. Mr. Matt Horning shows leadership when he does his job he always shows energy. He works together with his colleagues and always has a positive attitude. He taught the kids how to avoid and be safe from fake news he also shows teamwork when he helps people and he does his job because he works with a lot of different people they work together to make sure everyone stays very safe and very responsible and respectful. -

# Culture In A Restaurant

On Saturday November 16,2019 around 4:30pm it was Shelby Thomas's sister Annalee Post's birthday dinner at Texas de Brazil in Detroit Michigan. Annalee invited her mom Melisa Post, her dad Chris Thomas, her grandma Jane Post' her aunt Tracey post,her dads friend(basically uncle)Rob Lumis' Robs wife Marinda Lumis, and her sister Shelby Thomas. They all had a great time.Everyone was stuffed after the meat came and after that they were getting some cake. Annalee Post the birthday girl said"guys,I'm stuffed but it won't be a birthday without cake."So they got the cake and enjoyed the birthday dinner.If you want some good meat and a lot of other good things

The salad bar

The meat

What it looked like

## Culture At Dance

On October 16 2019 at 7:00 Katherine Wetzel charged into the dance studio with her mission on her mind to see different things that people do to show culture and what she found was the teachers show culture by helping their students with technique percision and detail on things such as foot and arm work. And students show culture by taking there criticism and using it.

# JUMPING KINDNESS

## CULTURE ON THE JUMP

“A ball hit me in the gut and everyone said Your out”,says Dylan jones. At sky zone in Michigan at 2:00 - 4:00. The activities were warped wall, ninja course, dodgeball obstacle course, and basketball. “ The obstacles were all fun but it was very hard at the same time” says Jason.

## Quotes

“My favorite part at sky zone was dodgeball. I just like how you get people out it’s also fun to dodge”says Jason.

“My favorite part at sky zone was the obstacle course,I liked jumping over things and doing flips over it to see how high I go”says Dylan jones

### The many activities

At sky zone there is many activities they include basketball dunking, jumping off a trampoline into a foam pit, and an obstacle course.

### Sky zones life

Sky zones franchise started in 2004

On October 31 on Halloween about 2:00 at Troy Union Elementary (room 1) Mrs. Wilson and her class had a Halloween party. So they could celebrate their Halloween. They celebrated with snacks and games but that's not all! After, everyone in Troy Union Elementary had a parade with their costumes.

But that's not all that happened at the Halloween party. They showed a lot of character traits like teamwork when all the adults helped at the party. They showed Unity when everyone was having fun. They showed they cared when they included everyone and that Halloween tradition at Troy Union Elementary will go on for long to come!

"The party was so much fun"

-Sophia Do

"The party

"The party was so much fun"

# Culture in Basketball

## Pelicans vs Bulls

On November 16, 2019 the Pelicans and the bulls faced off at Troy High School in Troy Michigan, USA. At 12:00 P.M. the game started.

When asked his favorite part of the game, head coach Nathan responded, "when Oliver did a killer crossover, drove up and made a layup." When asked the same question, player Shane Wilkiemeyer responded, "when the final buzzer went off." A basketball game involves energy because you try your best and have fun. A basketball game also involves teamwork because you pass the ball around too! create opportunities to score. The final score of the game was 40-8.

**Teamwork makes the dream work!**

Passing the ball is good teamwork and will help you win

Energy can help out a lot and get you a far way

# Culture On The Ice

On Saturday November 16 at the Troy Sports Center, peewee hockey team the Troy capitals took on Rochester At 5:00. The game would be close! It was number 14 Alexander Chrobak's second time ever being center nobody knows what can happen. In the first period, Alex Chrobak passed it to Alex weaver who passed it to Easton who passed it back to Alex weaver who shot...AND SCORED!! "What amazing teamwork". Said coach weaver. For the rest of the game it went like that back and forth. It ended up going to overtime 8-8 because of Alex Chrobak's goal but sadly Troy lost 9-8. "I think we had a great game as a team we will win next time". said Max Macarty, player for the Troy capitals.

## Culture In Hockey!

Teamwork: the players used teamwork

when passing the puck to one another!!

Energy: the team use's energy when they are skating and using effort to try hard.

Leadership: leadership is shown when the players call out to each other telling who is going to get the puck.

On Tuesday at 2:13pm at Troy Union Elementary School two kids named Jacob and Abraham we're at school having recess. They were playing soccer to have fun when Jacob and Abraham showed Teamwork by passing the ball. "I love the way Abraham and I were passing the ball said 5th grader Jacob. "I love to play with my Second best friend Abraham said. "It was fun playing with Jacob". Jacob lets Abraham take his ball out for recess every day and Abraham likes it. "Jacob told Abraham he is his best friend. If we work together we are the best boys in the whole school said Jacob." With Jacob skill and my speed we are super said Abraham ". Troy Union elementary school is a great place to be and the students show many positive qualities and continue to grow!.

# Kindness Blooms At Recess!

By: Avish and Himanish

November,25,2019

## Kids play at recess!

Recess is a treat to everyone who is an elementary school student! Troy Union is the school that stands out the most! On Monday, November 18, 2019, recess was very interesting because Kindness was blooming everywhere at recess! It was interesting everywhere, but one duo stood out the most: Arjun and Isaac. Arjun was playing soccer and invites Isaac to play Soccer with him!

Isaac says, "I felt really happy to included and I also started passing the ball to Arjun a lot!"

Arjun says, "I felt really happy and proud to include Isaac!"

Everyone could see caring in the actions that Arjun was making! When Isaac was bored, Arjun was caring and included Isaac to play with him! All of the students thought that Arjun was being more than just caring! Today's recess was way off the charts for caring and all the letters in CULTURE!

## Kindness Blooms!

On Sunday a dozen friends arrived and their parents from 5:00 to 7:00 for a very special party. It was a total blast for me said 10 year old Deepak. This was the best party I ever had said 9 year old Shaurya Me and all my friends got to take part in laser tag and the arcade games. There were positive characters characteristics like caring. If someone fell a opposing team member helped them up and team work. Me and Shaurya worked to defeat the red team. Don't forget you can book your party at zap zone. See you later.

One Sunday November 17, there were three very excited Troy residents on the anticipated arrival of their mother and wife Alia was from hir trip to Florida. When Alia was asked if she had a good trip she replied with a spectacular answer "she loved it! For instance she talked about so many fun things she did with her friends and sisters like how they went to Animal Kingdom and much more. Another question that was asked about was if she missed her family. She responded with a loud, "yes!"

# The MAKERSPACE!

On every Tuesday in November, Mrs. Wilson’s classroom 1 goes down to the makerspace at the Troy Union library to make board games for the first graders. “I like the makers space a lot because we get to explore and create new things,”says 5th grader Katherine Wetzel. In the makerspace there are many things to create. For example there is paint,3D printer, sewing machine, and more.”Every Tuesday we get to make cool things down there.”said 5th grader Gabby Salem.The makerspace shows caring by making board games for first graders, Teamwork for working together, and responsibility for cleaning up after themselves. All the kids at Troy Union love the makerspace because it is a place with endless possibilities and a place to get creative!

## The 3D pens

## Circuits board clay

## Sewing machine
