

# WHS Winners at the 2020 Region 13N Visual Art Scholastic Event (VASE)

The Visual Arts Department is very excited to announce the winners of the **Visual Art Scholastic Event (VASE) Regional Art Competition** held in February. The students who entered were allowed a maximum of 2 entries each and they brought their artwork to the event and met with a judge (one-on-one) who evaluated and critiqued their work. Pieces that won regional gold were then judged again to determine which pieces would advance to compete at the state level.

This year, 1572 works of art were adjudicated in our region; of these, 129 pieces are advancing to compete at the state level. Of these 129 state qualifying artworks, **28** were created by the talented students of Westlake High School; ***that's over 21% of state qualifiers from our region coming from our school! Go Chap Artists!*** Additionally, 6 of our students had both of their pieces chosen to advance to state level competition! **117** of our art students won regional gold as well and are listed below the state qualifiers. **These 22 students (28 pieces) below are our State Qualifiers. Please congratulate them if you see/know them.**
