

WELLESLEY MEMBERSHIP
CLUB OF WESTCHESTER

What does membership to the Wellesley-in-Westchester Club provide? Your tax-deductible membership helps support scholarships for local Westchester County students to attend Wellesley and helps sustain our local annual book awards program. The annual book awards program is designed to acknowledge academic achievement and community service of more than 50 Westchester high school girls during their junior year, and promotes awareness to local high schools about the college. We also hope you will join us for local alumnae events and programs -- alumnae and professor talks, tours and much more. The Wellesley-In-Westchester Club is a 501(c)3 charitable organization. Membership is tax-deductible and eligible for matching donations from members' companies. A copy of our last tax return can be furnished upon request. We appreciate your support and look forward to making many alumnae connections here in Westchester!

I enclose a total of \$ _____ for the following:
