The Headmaster's Annual Fund Appeal 2019-20 For the Aysgarth School Foundation

The Headmaster's Annual Fund Appeal

(Part of the Aysgarth School Foundation)

Dear Friend of the School,

It is a pleasure to outline this year's Headmaster's Fund Appeal.

Thanks to your generosity, over £1.65 million has been raised for Aysgarth School and this has allowed us to embark upon a vast number of projects that have benefitted both the school and its pupils: projects from the Clement Hales Sports Hall, Reynolds Hall through to the improved facilities and equipment in use during creative subjects and the activities programme. Furthermore, bursaries have widened the access to Aysgarth and have enabled parents to offer their sons an Aysgarth education when financial circumstances have rendered such hopes as near impossible.

Most recently, your generosity has helped to purchase Pre-Prep Forest Schools equipment, wireless headsets and table tennis tables. Every single aspect of your assistance has been gratefully received and I take this opportunity to thank you on behalf of the pupils and staff of this very special school. Looking to the future, this year we are seeking your assistance on four very different projects:

- A cricket bowling machine
- Street furniture for skateboards and scooters
- Art history library books
- Digital cameras for use by the Pre-Prep pupils

I do hope that you will be able to support us in these aims. With my thanks as ever for your continued support.

Rob Morse (Headmaster of Aysgarth School)

Bowling machine

The boys have, for some time, benifitted from the use of a bowling machine. As the current machine begins to near the end of it's life, we are seeking a new Stuart and Williams machine to enchance our coaching offering. We provide the opportunity for the boys to net through the winter and our cricketing staff are very keen to ensure that the best possible facilities are available. With a significant number of boys playing representative cricket, and the game being as popular as ever, Aysgarth cricket is in good shape - this will enable us to go a stage further.

Appeal target: upwards of £2358 each

Street furniture

The boys are extremely excited at the prospect of acquiring some equipment to help develop their scooter and skate tricks. Suitable for skaters of all ages and skill levels, the boys will have a great time 'shredding' on ramps, boxes and rails. Lightweight yet tough and durable these versatile portable ramps, boxes and rails will be easy to setup and store. Boys on wheels over ramps on concrete? Aysgarth to the core! (Manufactured to the highest standard by a Yorkshire based family company).

Appeal target: £200 per item

Art history library

The recently developed art department is a hive of industry and especially now that it is overseen by the new Head of Art, Miss Emmott. Emma-Jayne is keen to develop the range of art history books available to the boys for research. These books will support the existing curriculum and further develop the boys' knowledge of art history.

Appeal target: approx £20 per item

Digital cameras

The Pre-Prep children love to take digital photographs to support their work within the classroom. We are hoping to purchase a small number of robust and simple cameras to allow them to freely experiment and develop their photographic skills.

Appeal target: £70 per item

Goddard Bursary Appeal

The Aysgarth School Foundation was launched in 2008 and, since that time, it has been committed to widening access to the School through means tested bursaries. The implementation of the Goddard Bursary Appeal, upon Anthony and Caroline's retirement in 2015, has further added to this extremely worthy cause. It is thanks to the Aysgarth Foundation that a number of boys have benefitted from an Aysgarth education when financial circumstances have, to all intent and purposes, rendered such hopes as impossible.

If you would like to support us by helping to build these funds, please tick the box on the reply form. Please also draw our attention to any deserving recipients.
