### LEARNERS AND COMPANY

Physical exercise, social interaction, and keeping your brain active are important for all of us as we age. These activities are also critical for people with early memory loss and research indicates that they may slow the progression of dementia. Learners and Company is a new program at VINE designed for independent older adults with concerns about their memory. Each four-hour day will include mind-sharpening activities, group exercise, and fun and enriching activities that include outings to places of interest in the area. Classes will meet once a week at the VINE Adult Community Center. Transportation and lunch will be available for a small additional charge.

- Wednesdays, April 1–May 6; 11am–3pm
- \$25 for members and \$35 for non-members per week.
- Call Mary Wichtendahl at (507) 386-5577 for more information.
