**ATTENDANCE:**

Teachers will be taking attendance during this process and if you're not in communication with your teacher, you'll be marked absent. Parents will need to excuse absences by calling the attendance line (425-408-7010), just like they would if classes were being held on campus.

Your attendance is based on your participation in all classes throughout the week. Make sure you're in touch with your teachers so they know you're there!

## DEVICES:

You can still get a device! You're required to do your learning online (see ATTENDANCE), so we're doing what we can to make sure you have a computer and/or hot spot (for those without WiFi) so you don't miss out on any instruction.

Fill out the Tech Use Agreement Form [HERE](#) (you must have this done to pick up a device).

### PICK-UP HOURS

- TODAY (Monday): 8am-2pm
- TOMORROW (Tuesday): 8am-2pm
- If you absolutely can't get here during those times, please email Mr. Celms at [ncelms2@nsd.org](mailto:ncelms2@nsd.org)

## TECH HELP: 425-408-7669

The Northshore Learns team is eager to provide technical support to families who may need help connecting a computing device, resetting a student's password, or logging into one of the platforms teachers are using for online learning.

Please call 425-408-7669 if you have technical issues. This line is monitored from 7AM to 7PM Monday through Friday. If you reach voicemail, please leave a detailed message so we can get back to you as soon as possible. Several new parent webinars have also been announced and will be in the parent communication.

Visit [Northshore Learns](#) for everything about our online learning system. There are video updates, support for both parents and students, information from Dr. Reid, etc.
