Parents,

We are aware that some of you may have been alarmed by the notice in the news this morning regarding sports within the Archdiocese of Miami. I want to take this opportunity to clarify that the suspension of athletic activities will only affect elementary/middle schools within the Archdiocese of Miami and not the high schools. As of 9:30 a.m. this morning, Tuesday, March 10, all high school interscholastic sports are still active and will continue as scheduled.

I kindly ask that for all media announcements related to Catholic schools and COVID-19, you wait for a direct confirmation from Cardinal Gibbons regarding any alterations to our normal operations.

We intend to fully operate in all capacities until directed otherwise. Please be advised that in the event of any changes to our regular operations, you will be notified immediately.

Thank you and God Bless,

Oscar Cedeno
Principal
