**ATTENDANCE:**

Teachers will be taking attendance during this process and if you're not in communication with your teacher, you'll be marked absent. Parents will need to excuse absences by calling the attendance line (425-408-7010), just like they would if classes were being held on campus.

Your attendance is based on your participation in all classes throughout the week. Make sure you're in touch with your teachers so they know you're there!

---

**DEVICES:**

You can still get a device! You're required to do your learning online (see ATTENDANCE), so we're doing what we can to make sure you have a computer and/or hot spot (for those without WiFi) so you don't miss out on any instruction.

Fill out the Tech Use Agreement Form [HERE](#) (you must have this done to pick up a device).

To pick up a Chrombook, stop in the Main Office and we can round up Mr. Celms to check one out to you. And you can always email [ncelms2@nsd.org](mailto:ncelms2@nsd.org).

## **TECH HELP: 425-408-7669**

The Northshore Learns team is eager to provide technical support to families who may need help connecting a computing device, resetting a student's password, or logging into one of the platforms teachers are using for online learning.

Please call 425-408-7669 if you have technical issues. This line is monitored from 7AM to 7PM Monday through Friday. If you reach voicemail, please leave a detailed message so we can get back to you as soon as possible. Several new parent webinars have also been announced and will be in the parent communication.

Visit [Northshore Learns](#) for everything about our online learning system. There are video updates, support for both parents and students, information from Dr. Reid, etc.

## **MEAL SERVICE during BUILDING CLOSURES**

We are making a concerted effort to continue feeding students during this time the kids are taking their classes online and off campus.

Need to pick up a lunch? [CLICK/TAP HERE FOR THE FORM](#).

If you're unable to get to a pick up location, [CLICK HERE](#).

# PARENT LETTER from BHS on VIRTUAL LEARNING

## March 6, 2020

Dear BHS Students and Families:

On Monday we will begin our learning from the [Cloud](#). Keep in mind school is in session; however, the building is closed to students. **All activities** that typically happen on campus are postponed until further notice.

The intent of the Cloud Classroom is for learning to continue **uninterrupted**. Teachers have been intentionally selecting what curriculum can be delivered to you virtually, so that upon our return to the building we do not lose momentum teaching our content areas. It is important that you communicate with your teacher and reach out to them during office hours to get support.

- Check your emails daily and often.
- Review the schedule posted on our website. Keep a structure to support your learning.
- Treat Cloud Classroom like a regular class.
- Your attendance at school is based on your participation in all classes throughout the week.
- Keep track of all due dates and submit your work on time.
- Communicate with your teachers.
- If possible, create a space at home to do your work.
- Counselors and administration are available if you need us.
- Should you need technical assistance for Virtual Learning please call 425-408-7669 (also on the district website under [Northshore Learns](#)).
