This course will cover techniques for becoming a more successful student. Topics covered will include goal setting, time management, organizational skills, research gathering, and the Cornell note taking method.

#### **5th - 8th Grade: Arts/Sculpture - 10:15 a.m. - 12:15 p.m.**

**June 15 – June 26**

Cost \$250 per week +\$35 materials fee

This course allows students to create many different forms of art to help them expand their individual talents. No prior art experience needed.

#### **7th - 8th Grade: Study Skills - 8:00 a.m. – 10:00 a.m.**

**June 15 – June 26**

Cost \$250

This course will cover techniques for becoming a more successful student. Topics covered will include goal setting, time management, organizational skills, research gathering, and the Cornell note taking method.

#### **9th - 11th Grade: Study Skills - 10:15 a.m. – 12:15 p.m.**

**June 15 – June 26**

Cost \$250

This course will cover techniques for becoming a more successful student. Topics covered will include goal setting, time management, organizational skills, research gathering, and the Cornell note taking method.

### **7th - 8th Grade: Pre-Algebra - 10:15 a.m. – 12:15 p.m.**

**June 15 – July 10 \*FOUR WEEK CLASS**

Cost \$400

As a preliminary course to the study of algebra, this course is a review of basic arithmetic, the real number system and its applications in solving and graphing equations and inequalities. Other topics include polynomials and rational and irrational numbers.

### **9th-10th Grade: Algebra I Review - 8:00 a.m. – 10:00 a.m.**

**June 15– July 10 \*FOUR WEEK CLASS**

Cost \$400

This is a review course of Algebra I for students in grades 9-10, who have already completed Algebra I, but who need reinforcement of basic Algebra skills. This course is also a great review of algebraic concepts before taking Algebra II/Trigonometry.

## **WEEK OF JUNE 29 – JULY 10**

### **5th - 6th Grade: Marvelous Math - 8:00 a.m. – 10:00 a.m.**

**June 29– July 10**

Cost \$250 per week

This academic course is designed to help students gain confidence in their mathematics ability by providing practice in the computation of whole numbers, decimals and fractions.

### **5th - 8th Grade: Robotics - 10:15 a.m. – 12:15 p.m.**

**June 29 – July 10**

Cost \$250 per week

This is a hands-on exploration of building a robot. Students study robotic sensors, such as ultrasonic and gyroscopic sensors that provide the robot with movement, sight, and other functions. Come and see the robots in action on the final day of the camp!

### **7th - 8th Grade: Writing Lab - 8:00 a.m. – 10:00 a.m.**

**June 29 – July 10**

Cost \$250 per week

This course will focus on the structural foundation needed to write strong, analytical paragraphs. Students entering La Reina for the seventh or eighth grades will have an opportunity to become familiar with the La Reina writing program and with the terms used to teach writing.

### **9th - 11th Grade: Writing Lab - 10:15 a.m. – 12:15 p.m.**

**June 29 – July 10**

Cost \$250

This course will focus on the structural foundation needed to write strong, analytical paragraphs. Students entering La Reina for the seventh or eighth grades will have an opportunity to become familiar with the La Reina writing program and with the terms used to teach writing.

## **WEEK OF JUNE 15 – JUNE 26 - 12:45 p.m. - 2:45 p.m.**

### **5th - 8th Grade: Let's Get Baking**

**June 15– June 26**

Cost \$250 + \$35 materials fee

Your bakers will create tasty treats in this fun and creative class. Your child will learn about simple recipes that they can use at home, while teaching them kitchen safety. You will love helping your child with this homework!

### **5th - 8th Grade: Sports Camp**

**June 15 - June 26**

Cost \$200

La Reina Athletics introduces a comprehensive physical education enrichment class. The class will include units on indoor soccer, basketball, volleyball, and tennis.

### **5th- 9th Grade: Theatre Workshop**

**June 15 - June 26**

Cost \$250

Musical Theatre Experience is dedicated to nurturing the performing artist. Beginners gain a strong foundation and more advanced students are challenged at their own level. The class features a showcase and parents will be invited to attend on the last day of class.

### **9th-11th Grade: SAT/ACT Math & English**

**June 15– June 26**

Cost \$250

This course is designed to help students prepare for the SAT/ACT test.

## **WEEK OF JUNE 29 – July 10 - 12:45 p.m. - 2:45 p.m.**

### **5th-8th Grade: Speech and Debate**

**June 29 - July 10**

Cost: \$250

Speech teaches basic skills and techniques that help students become more effective communicators both as listeners and as presenters. Debate will focus on the basic principles of interscholastic competitive policy (team) debate while developing effective basic communication skills and argumentation strategies

### **5th - 9th Grade: Graphic Design**

**June 29– July 10**

Cost \$250

This course teaches the art of visual communication using words and images by using the latest software. Students learn about advertisement and logo design, how to manipulate images, paint digitally, design geo-filters and manage social media.

### **5th - 8th Grade: Sports Camp**

**June 29 - July 10**
