Mindfulness Meditation: The Art of the Present Moment **NEW**

Instructor: Mary Jo Meadow

Mindfulness is the art of living in the present moment, which brings increased happiness to life. This ancient method is used widely for handling pain, tension, stress, habit control, 11th step, insomnia, painful emotions and disturbing thoughts. Its content is our own experiences of body and mind. There is no ideology, so it is compatible with any religious or other practices. Research shows that it improves both physical and mental health. The teaching is cumulative so attendance at all meetings is most helpful. Wear loose fitting, comfortable clothing.

White Bear Lake Area Schools believes in lifelong learning for everyone

As part of this belief, the Community Services and Recreation Department is part of a five-district consortium, the Community Bridge. Together with the Mahtomedi, North St. Paul-Maplewood-Oakdale, Roseville area, and South Washington County Schools, the consortium provides adults with developmental disabilities access to education, recreation, and social activities.

Brochure Mailing List Sign-Up (651) 748-7232

The Community Bridge Consortium publishes a quarterly brochure that lists a variety of customized classes/activities for adults with Developmental Cognitive Disabilities (DCD).

These classes are sponsored by the consortium members and held throughout the consortium area in schools and other community facilities. Call 651-748-7232 for information or to be placed on the brochure mailing list.

Early Childhood Screening

SCREEN AT THREE

Early Childhood Screening is required by the state of Minnesota for all children prior to entering kindergarten. White Bear Lake Area School District provides this screening at no charge.

3 reasons to screen at age 3:

- » Screening can ensure school success
- » If health or developmental concerns are identified, educational services are available immediately
- » It is fun for children and provides caregivers with valuable information regarding child development

Register online at: 651-653-3100 or whitebear.ce.eleyo.com

Early Childhood Screenings are held at:

Normandy Park Educational Center

DAY

Program Information

Extended Day is an out-of-school time program designed to meet the needs of busy families and active kids. We create an environment that compliments the school day, encourages social and emotional growth and emphasizes student creativity, healthy choices, teamwork and service to the community.

Youth in the program are actively engaged in a structured environment to expand and develop skills during their out-of-school time hours. Flexible scheduling, including consistent and drop-in contract options are available.

The program is youth-focused and choice-based, giving students the opportunity to develop social skills and positive relationships with peers, increase literacy and math skills, and participate in individual and group activities. Daily program activities are varied and diverse, and include fitness, service projects, creative play, literacy, science, and much more. Off-site field trips and special events take place throughout the year.

Every child has special and unique needs. We work closely with families to create an atmosphere that encourages growth. The partnership between parents, child, school and staff is key to our success. To ensure quality and compliance our staff/student ratio is 1:15.

Pre-registration is required for all participants, with a required minimum of five business days between online registration and first day in the program in there's no wait list.

MN Swordplay Fencing

AGES 5+ / Instructor: Maria Benford

Whatever you are looking for in the sport of fencing there is something for everyone! Fencing is a vigorous sport that develops stamina, quick reactions, speed, accuracy of movement and excellent coordination. More than a game fencing requires a mental attitude of self-discipline involving total manipulation of mind and body in perfect harmony. It utilizes natural body movement to create simple and effective self-protection techniques with the sword. All participants are encouraged to have fun no matter what their ability. Attacking, defense, timing and intense tactics are all integrated into this beginning class. Whether you're fencing for a good work out, or gaining points for the Olympics, fencing is fun for the whole family. We provide everything needed to fence (mask, jacket, glove, and weapon). Fencers need only to come dressed comfortably (for freedom of movement) including long sweat pants and running shoes.

Hmong and Asian American Cultural Liaison

Nirvana Yang
(651) 407-7623
nirvana.yang@isd624.org

Nyob Zoo (Hello), my name is Nirvana Yang and I am honored to be the Hmong and Asian American Cultural Liaison for the White Bear Lake Area School district. As an alumni of a college prep program for first generation students coming from low-income families, I understand difficulties students face while applying to colleges. I want to connect with families who need the additional support, as well as create programs to help students feel welcome to their school.

Early Childhood Hmong Cultural Liaison

Chente Xiong
(651) 653-3157
chente.xiong@isd624.org

Nyob Zoo! My name is Chente Xiong and I came here as a refugee from Laos. I've worked many jobs since I arrived here, but have always found my way back to helping those in need, especially families. I am a huge advocate in providing resources and building cohesive relationships with those who come into my care. I enjoy working with communities of color and believe that diversity is equity.

Enlace Cultural Español

Briana Santoscoy
(651) 407-7625
briana.santoscoy@isd624.org

Saludos a todos. Mi nombre es Briana Santoscoy. En mi rol de Enlace Cultural con el distrito escolar de WBL y las familias y los estudiantes Latinos, estoy enfocada en el acceso justo y equitativo de información para nuestras familias, en el apoyo para los estudiantes Latinos, y en aumentar la capacidad de las escuelas a saber colaborar con nuestra comunidad. Trabajé casi diez años en las escuelas públicas de Minneapolis, donde vivo con mi esposo y nuestros tres hijos. Si usted tiene preguntas o ideas relacionadas con la escuela o el progreso de su estudiante, o si usted está buscando recursos para su familia, favor de llamarme.

Early Childhood Latino Cultural Liaison

Amy Ottaviani
(651) 653-3157
amy.ottaviani@isd624.org

Saludos! My name is Amy Ottaviani and this is my 7th year working as a Cultural Liaison with WBLAS Early Childhood Programs, serving our youngest learners and their families. I primarily work as an advocate for Latino students and families, but I also work as a School Readiness Teacher with preschoolers and parents from many cultures in our Family Literacy/Adult ESL class at Normandy Park. In these roles, I will continue to help families understand and navigate the school system, encourage family engagement, connect students and families with any needed community resources, and be a support for early childhood staff.

Native American Cultural Liaison

Jordan Zickermann
(651) 407-7647
jordan.zickermann@isd624.org

Hello (Boozhoo),
I am excited to be the Native American and African American cultural liaison. My work throughout the district focuses on diversity, inclusion, and equity, as it has throughout my entire career.
Please feel free to contact me regarding any questions, comments or concerns you may have! Miigwech (Thank you).

African American Cultural Liaison

Miles Webb, Sr.
(651) 407-7685
miles.webb@isd624.org

My name is Miles Webb and I am extremely happy and excited to work in the White Bear Lake Community as the African-American Cultural Liaison. I spent the last ten years working in the St. Paul Public Schools, first as a special education TA, then as a Behavior Specialist at Bruce Vento Elementary school. I have a Bachelor's degree in Psychology from Concordia University-St. Paul and I am currently enrolled in a masters program at St. Mary's University. I live in Hudson, Wisconsin with my wife and four children.

Youth Enrichment Procedure

CHECK IN FOR ENRICHMENT CLASSES

All students must check in with the Extended Day Staff. Students will be given a snack before their class.

At the end of class, students will be escorted to the main doors of the building (Otter students will be brought to Door O). Parents should wait at the building entrance for the students.

REGISTRATION PROCEDURE

Online registration for youth classes will close 48 hours prior to the first day of class. Any registrations after this deadline must be delivered to the Community Services office or called in, and will result in missing the first day of class. There are no prorated fees.

Refunds & Prorating

Notify Community Services & Recreation immediately if you need to withdraw from a class.

Full refunds or credits are given if a class is canceled. Refunds are not issued after a class has begun. There are no prorated fees.

To receive a refund, minus a processing fee, you must withdraw from an activity **at least 3 business days prior to the first day of the activity**.

Processing fees for classes:

- » under \$50 have a \$5 fee
- » \$50-\$149 have a \$10 fee
- » \$150-\$399 have a \$20 fee
- » \$400+ have a \$30 fee

Class Confirmation

An automatic email confirmation will be sent to you upon registration. Community Services & Recreation will contact you by telephone or email if there is a change.

Please list a daytime telephone number so Community Services can reach you if a class is canceled at the last minute. Community Services & Recreation assumes no responsibility for reaching those who do not provide a daytime telephone number.

Fee Assistance

Community Services & Recreation strives to make each activity, class, program and service high in value and quality. If your financial circumstances prohibit you from signing up, please call to arrange a payment plan or to inquire about fee assistance.

UCare Discount

UCare members may be eligible for a \$15 discount on most classes in this catalog. If a class is less than \$15, the member may take the class free of charge. UCare for senior members are limited to three \$15 discount per year. Members must be on UCare at the time of registration, and during the class(es).

UCare members must call or mail-in registration to receive a discount. Members need to include their UCare ID number when registering. This discount cannot be used for the following classes: Private lessons, alcohol-related activities, high-risk activities (skydiving, rock climbing, etc.), and gambling trips.

Do You Have a Disability?

Do not let it be a barrier to enjoying the wide variety of class offerings in this catalog. Please call to discuss accommodations.

Liability Waiver

There is an inherent risk of accident or injury in any activity. It is the responsibility of the participant or the parent of the participant to be aware that there are assumed risks in participation. ISD 624 assumes no responsibility for injuries received during activities. Any changes in a participant's activity level should be done under approval and direction of their physician and/or healthcare provider(s).

Questions?

If you have questions about anything contained in this catalog, please call the Community Services and Recreation Department's general telephone number (651) 407-7501.

Help us give you the best programming we can! Programs can fill in advance or may be canceled due to low enrollment. Registering early is the best way to secure a spot!

Student Voice

It is an exciting time as students are literally designing and leading their own futures in White Bear Lake Area Schools. Student voice and agency has been a primary focus since the 2017-18 school year, when more than 200 students, families, staff and community members came together to shape the district's future.

Out of the important conversations came a new Mission Statement and a Strategic Plan that puts students first. The phrase "Students who design and create their own future" is listed as the first distinguishing feature in the District Mission Statement. Fittingly, the first strategy of the Strategic Plan reads "We will ensure that each student is the primary agent in their learning."

The direction provided by the Mission and Strategic Plan continues to guide our work and conversations. During one such conversation, an important definition was agreed upon as it relates to our direction. Student Agency was defined as "students lead their learning." Key components of students being primary agents in their learning are flexibility, partnership between educators and learners, hands-on experiential learning, and connection to the greater community.

We continue to work to find ways to bring students' voices and leadership into the forefront. Student representatives are taking part on important district committees, including those focused on district- and building-level Strategic Plans, family engagement initiatives, and the district's Equity Commitment. Our facilities process also has student voices interwoven into the fabric, with student representatives taking part on core teams and subcommittees at the building level.

Weinhold named KS95 Teacher of the Week

Sunrise Park Middle School Music Teacher Todd Weinhold was named the KS95 Teacher of the Week in February. He was presented with a plaque from KS95's Morning Show Host Crisco, who also answered students' questions about their job in radio.

The program celebrates and recognizes teachers' contributions to our kids in helping make them successful in school and for the future. Winners are chosen among listener nominations.

110 Teachers nominated for Teacher of the Year

A total of 110 teachers from throughout the district were nominated for the 2020 White Bear Lake Area Educators (WBLAE) Teacher of the Year honor. All nominees are given the opportunity to continue with the selection process by submitting written responses to pedagogical and philosophical questions.

Six finalists will be selected to interview with members of the community, administration and their fellow teachers. The final celebration and announcement of the 2020 WBLAE Teacher of the Year will take place at the WBLAHS - South Campus Theater on April 23.

Two district student voice amplifiers that began more than a decade ago are Superintendent Student Advisory Council groups and School Board Student Liaison positions. These middle school and high school student representatives serve an important role in meeting with district leadership quarterly and sitting at the School Board table each month, adding important student perspective into the conversation. The models for student engagement and empowerment have been replicated by other districts across the state.

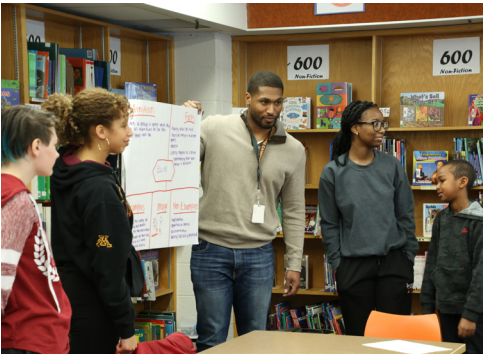

Students' voices have also been added into the mix through student panels in our Future of Learning committee, which started meeting in December and was tasked to make recommendations to create District-wide alignment between the Strategic Plan, the design of learning spaces, and educational programming. The insights provided by the students, representing ages from elementary through high school, helped the committee to define parameters around programming and design elements moving forward through district-wide facilities projects that will be happening in the coming years.

Student leadership groups are highlighting the importance of student stories, with Sunrise Park Middle School student leaders hoping to impact their school community through a storytelling initiative. Stories are also being told through events that showcase student talent. White Bear Lake Area High School's Black Excellence Club hosted a Black History Month Showcase encouraging student voice through cultural dances, skits, speeches, poems and music. The students' ownership of their stories will lead to important outcomes in the years to come.

Although there are many public ways the district is gathering student input, there are other important pieces of the puzzle taking place, as well. Students have provided feedback through surveys that will help the district learn and grow. An important example of this is an equity audit being conducted this spring as we seek to understand how we can improve the equity and quality of education for all of our students.

These student-focused initiatives will help us create a future forged by student voice. Based upon the conversations I've witnessed thus far, it's a future I'm excited to see take shape.

Dr. Wayne A. Kazmierczak, Superintendent of White Bear Lake Area Schools

FREE Senior Activity Pass

More than 300 Senior community members (those age 65+) who live in the District participate in the Senior Activities Pass program and enjoy complimentary admission to school activities.

Those who wish to apply for the Activity Pass may pick up an application at District Center (4855 Bloom Avenue, White Bear Lake) or the Senior Center (2484 East Cty Rd F, White Bear Lake).

Our Beliefs

Approved by the Board during the Strategic Planning process:

- Each person has innate value.
- Service nurtures both community and self.
- Everyone has the power to design their own future.
- Respect for diversity is strength.
- Integrity is fundamental to relationships.
- Each person has unrealized potential.
- Communities with shared goals have unlimited potential.
- We are stewards of the earth.
- Learning enriches one's quality of life.
- Everyone has a right to a safe and respectful environment.
- Challenge leads to innovation and growth.
- All people deserve unconditional love.

Comprehensive Facilities Plan projects overview

The following construction projects will address building needs across the district:

- district-wide additions and renovations to accommodate projected enrollment growth,
- safety and security improvements and deferred maintenance projects at all district facilities,
- district-wide classroom and building updates to create flexible learning spaces.

Building-specific changes will include:

- a new K-5 elementary school being built in Hugo,
- converting Oneka from grades 2-5 to a K-5 elementary and Hugo Elementary from grades K-1 to a northern Early Childhood location,
- the current grades 9-10 North Campus receiving an addition to become the district's grade 9-12 high school,
- Sunrise Park Middle School moving to the current grades 11-12 South Campus location,
- the current Sunrise Park Middle School site becoming the site for various community programs including the Senior Center and Early Childhood programs currently housed at Normandy Park, the Transition Education Center currently located in leased space in Hugo, and the district office,
- Central Middle School expanding to take over the current District Center building.

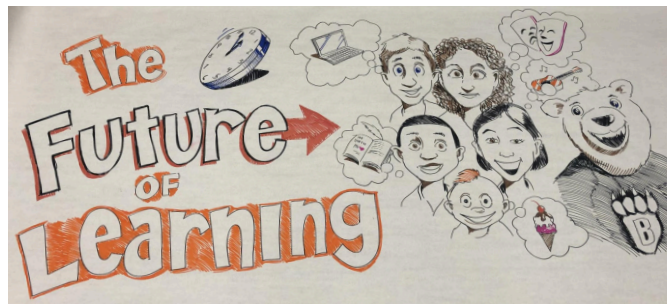

Committees

The Future of Learning Committee, which is made up of stakeholders from both the district and individual buildings, met from December of 2019 until early in 2020. The group was tasked with setting a district-wide vision for all upcoming facilities projects and for developing educational specifications for facilities and instructional practices.

Building Our Future Facilities Process

On November 5, 2019, district voters approved a \$326 million building bond request to address building needs across the district by a margin of 57.4% yes to 42.6% no.

The district has been moving forward with a facilities process that will allow us to complete construction in phases until the 2024-25 school year. The new elementary school is expected to open for the 2022-23 school year and the new, unified high school is expected to be open to house students in grades 9-12 for the 2024-25 school year. Additional facilities projects will be completed in the meantime.

Core Planning Groups focused on the new elementary school and the unified high school have begun meeting. These groups, made up of staff, family and student representatives, are scheduled to finish their work in April in order to turn the project over to building user groups who will focus on the design of the buildings. Some of the priorities discussed in the core groups have been: considering all learners, honoring the strategic plan, driving the process with student needs, and creating shared and flexible collaborative space.

Site Based Planning Groups include school and community stakeholders and will be pulled together to provide detailed input for specific spaces during the construction process taking place at each individual building. Conversations have already begun for those projects that will be completed early in the construction timeline.

The District Facilities committee continues to set district standards, review the design and budget, and provide updates to the School Board.

If I Built A School

District students shared their ideas about school design in a video that was shared with families and community members in February.

Early Childhood Screening - Screen at 3

Early Childhood Screening is required by the state of Minnesota for all children prior to entering kindergarten.

The best age at which to screen is age three. The White Bear Lake Area School District provides this screening at no charge.

3 REASONS TO SCREEN AT 3:

- Screening can ensure school success
- If health or developmental concerns are identified, educational services are available
- It is fun and provides parents/guardians with valuable information regarding child development

Register for Early Childhood Screening online at <https://whitebear.ce.eleyo.com> or 651-653-3100

Early Childhood Screening takes place at:
 Normandy Park Education Center
 2482 East County Road F, White Bear Lake, MN 55110

» **PERFORMING AND VISUAL ARTS** Students have rich opportunities to explore and develop their talents in the arts. Our students consistently receive state and national-level honors in visual arts. Our strong theatre, choir, band and orchestra programs continue to grow.

» **AVID** Our students benefit from a rigorous, expanding Advancement Via Individual Determination (AVID) program. Students collaborate, engage in inquiry, and learn college-level reading, writing and study strategies.

» **COLLEGE & CAREER** Students have college credit opportunities in 40+ courses. Our grads earned credits totaling \$2.69 mil. at U of M tuition rates last year. Career Pathways also prepare students for their futures.

2020 Spring Theatre Productions

The White Bear Lake Area High School's theatre program has a long history of accolades and recognition, and students in the earlier grades are following suit, as well.

Many of the district's elementary students have already performed or will be performing in spring shows this year. Elementary productions included *Jungle Book Kids*, *Character Matters 2*, *Chitty Chitty Bang Bang Jr.*, *The Grunch*, and *The Noble Gnarble*, with some of our youngest students shining on stage.

The district's upcoming Middle School Musical, featuring students from both Central and Sunrise Park Middle Schools is coming up in April. This year's show is Roald Dahl's *Matilda, Jr. The Musical*, with music and lyrics by Tim Minchin.

Performances will take place at 7 p.m. on April 23 & 24, and at 2 p.m. on April 25. An ASL Interpreter is available for the April 24 production. All performances are at the District Center Community Auditorium. Tickets are \$12 each and are available at the district website, www.isd624.org, or at the door one hour prior to each show. A limited number of free tickets will be made available to area seniors at the Senior Center.

The annual show featuring district students in grades six, seven and eight has been performed to hundreds of audience members each year.

Welcome to White Bear

The district is currently accepting kindergarten enrollments for the 2020-21 school year. Families who would like to visit any of our schools are invited to reach out directly to that school principal to arrange for a tour.

As enrollments have been processed and finalized, schools have sent Kindergarten Welcome Packets to their incoming students, the Class of 2033. Each envelope features an "I'm a Bear" t-shirt and a note from the student's new school.

Enrollments will continue being accepted online or can be completed in person at the Centralized Enrollment Center located at District Center (4855 Bloom Avenue, White Bear Lake, 651-407-7674).
