March 12, 2020

Dear Tracy Unified Families:

We are continuing to take direction from the California State Government as well as the San Joaquin County Office of Education and the San Joaquin County Department of Health regarding the COVID-19 virus. The situation is continuing to evolve. The current recommendation from the California Governor Newsom is to avoid any unnecessary gatherings of 250 people or more in any location. At this time, based upon this recommendation from Governor Newsom, the District will be taking significant measures to do our part to slow the spread of the COVID-19 virus. This includes postponing any large events scheduled during the month of March 2020. **Unfortunately, this includes Prom at Kimball High and West High.** This is to notify you that both the West and Kimball High School Proms scheduled on Saturday, March 14, 2020 are postponed until further notice. We will continue to keep you updated as this situation evolves.

Sincerely,

Robert Pecot, Ed.D.

Director of Student Services and Curriculum

Tracy Unified School District
