

## THIRD GRADE LIBRARY

### Meet the Encyclopedia Britannica Online

To do this assignment, you will have to use the Phillips Brooks School website. First, find <https://www.phillipsbrooks.org/library>

Once you are on the library resource page, select Britannica Encyclopedia. Since you are not at school, you will have to log in.

username- phillips

password- brooks

In the search bar at the top of your screen, type in the name of the person you are studying for your monologue. Spend some time exploring the features of this encyclopedia.

Do you notice that there are three tabs for article reading levels? Take a look at each one. Probably the best choice for you is the "level 1" article but you will find some great information in each.

Describe the difference between the level 1 and level 2 article (find 2 examples)

---

---

---

Look for the list of resources on the left side of the page. Are there photos of your subject? Videos? Magazine articles? Explore each choice then tell me about 2 great things you found.

I found \_\_\_\_\_ . It will help with my

project because \_\_\_\_\_
