Subject: Information on Coronavirus/Covid-19

Dear Parents and guardians,

Please take note of the following update from the Government in relation to our message yesterday:

If you have returned from these specific areas since February 19, you should call NHS111 and stay indoors and avoid contact with other people even if you do not have symptoms:

- Iran
- Specific lockdown areas in Northern Italy as designated by the Government of Italy
- Special care zones in South Korea as designated by the Government of the Republic of South Korea
- Hubei province (returned in the past 14 days)

If you have returned from these areas since February 19th and develop symptoms, however mild, you should stay indoors at home and avoid contact with other people immediately and call NHS111. You do not need to follow this advice if you have no symptoms.

- Northern Italy (defined by a line above, and not including, Pisa, Florence and Rimini),
- Vietnam
- Cambodia
- Laos
- Myanmar

If either scenario applies to your children or family, please contact us via phone 02089402510 or info@dslondon.org.uk immediately.
