Subject: Information on Coronavirus/Covid-19

Liebe Eltern und Erziehungsberechtigte

Wir hoffen Sie hatten schöne und erholsame Half-Term Ferien.

Sie haben sicher die neuesten Entwicklungen in Bezug auf COVID-19 verfolgt.

Als Schule stellen wir sicher, dass wir in Bezug auf die Entwicklungen und Richtlinien auf dem neuesten Stand sind. Wir haben auch mit unserem Gesundheits- und Sicherheitsberater gesprochen. Es ist wichtig, ruhig zu bleiben und sich nicht unnötig Sorgen zu machen.

Wir haben die neuesten Hinweise auf Postern in der Schule verteilt. Darüber hinaus möchten wir Sie bitten, folgende Ratschläge (unten auf Englisch) zu beachten.

Sofern kein unmittelbarer Kommunikationsbedarf vorliegt, werden wir Sie regelmäßig über unseren Weekly, den Sie jeden Freitag erhalten, informieren. Bitte machen Sie es sich, aus vielen Gründen, zur wöchentlichen Gewohnheit, unseren Newsletter zu lesen, der unser primäres Mittel zur Übermittlung wichtiger updates und Informationen ist.

Mit freundlichen Grüessen
DSL School Management

Dear parents and guardians,

We hope you have had enjoyable half-term breaks.

You will have followed the latest developments in regards to COVID-19.

As a school, we make sure we are up-to-date in regards to the developments and guidances, and we have also spoken with our Health and Safety advisor. It is important to stay calm and not to worry unnecessarily.

We have distributed the latest advice on posters across the school. In addition, we would like you to pay particular attention to the following:

- everyone should read and follow the guidance of how to prevent spreading the virus closely as there is currently no vaccine to prevent COVID-19. The best way to prevent infection is to avoid being exposed to the virus*
- guidance posters are available at the school*
- pupils who have returned from Hubei Province, including Wuhan, in the last 14 days should self-isolate*
- pupils who have returned from China, Hong Kong, Japan, Macau, Malaysia, Republic of Korea, Singapore, Taiwan or Thailand in the last 14 days, are advised to stay at home if they develop symptoms*
- there is currently no good evidence that people who do not have symptoms are infectious to others*
- make sure that children and young people know to tell a member of staff if they feel unwell.*

Unless there are any urgent developments, we will keep you informed regularly via our Weekly, which you receive every Friday. It is important, for many reasons, that you make it a weekly habit to read our newsletter, which is our primary means of communicating important updates and information.

*Kind regards,
DSL School Management*

We regret that this email address is not monitored and any replies will go unanswered. If you would like to discuss this matter please contact the member of staff concerned.
