

BISHOP LOUGHLIN MEMORIAL HIGH SCHOOL

IMPORTANT NOTE

To: Parents

From: Bro. Dennis Cronin, FSC

Date: March 6, 2020

RE: COVID-19

Dear Parent:

We want to assure you that Bishop Loughlin is following the communication from the New York City Department of Health and Mental Hygiene regarding COVID-19.

We are following recommendations for “personal”, “community”, and “environmental” mitigation around the virus. Our maintenance staff is disinfecting handrails and door plates. Beginning on Tuesday, March 10, we will make a morning announcement reminding students that the most effective preventative measure is washing hands with soap and water. Signs will be posted in bathrooms reminding students of the same.

We are encouraging faculty and staff to stay home if they are not feeling well, and we encourage students to do the same. If symptoms persist or are a cause of concern, please see a doctor. Better to err on the side of caution.

The Administration will continue to monitor the situation as we move forward and will communicate as necessary. If you have any questions or concerns, please contact the main office at 718-857-2700.
