March 13, 2020

Dear Parents and Guardians,

Last night, Governor Whitmer announced she was closing K-12 schools from Monday, March 16 through Sunday, April 5, 2020, in order to slow the spread of the Coronavirus disease. Since our spring break is the week of April 5, 2020, we will return instead on Monday, April 13, 2020.

This is an unprecedented emergency school closure and a rapidly evolving public health challenge. We recommend students take home belongings and what they will need for the next few weeks. If your student will need medications currently at school, please come to the office to pick these up prior to the end of the day today, Friday, March 13, 2020. No school campus will be open today after 6 pm, March 13, 2020. The Board Office and Early Childhood Center will also be closed. In an effort to not spread the virus, there will be no sports practices, club meetings or any other activities.

At this point, students are not required to remotely complete curriculum (lessons, assignments, etc.). Teachers may utilize online materials or lessons to support student learning in the weeks to come. Having your student read for 20 minutes each day will be a big benefit!

I know it puts an additional strain on families and this is unprecedented. We are a strong community and one that works together and raises each other up when these things happen. We are Wyandotte! Please contact me if you have questions or need assistance.

Sincerely,

Catherine M. Cost, Ed.D.
Superintendent
