### From the principal...

The Hiking club braved the cold last weekend! As usual, our fall Camping trip happened to be the coldest day of the fall. The overnight low was about 24 degrees....but some of the kids toughed it out and slept in a lean-to!

They opted for that rather than the tents – it was great. We all enjoyed smores, too!

Please remember to send your child dressed for the weather. Hats and gloves make a big difference in keeping a person warm. We will continue to go outside for both recess and morning arrival as long as the windchill is 15 degrees or higher.

As always, reach out if you have any questions.

Abel  
Kornacki  
~  
'Courage'

Abel loves apples and eggs and his favorite book is *Curiosity*. Abel feels he is best at reading writing and science but would like to get better at math. At home, Abel is responsible for picking up his room, cleaning the house and helping with the pets. He would love to go to Florida because NASA is there and he wants to go to space one day. Abel says his dad is his hero because 'he is brave and awesome'!

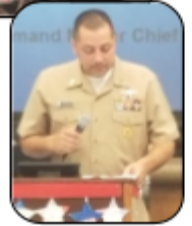

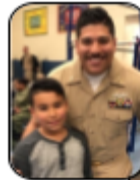

## Barnum's Super Power for November: **Simplicity**

### Three Ways to Simplify Your Life:

- **Matter Up!** - Who is most important to you? Make sure you tell them often.
- **Unplug** - Take the time to step away from electronics and connect with people face to face.
- **Take It Outside** - Get outside and play regularly. Go explore the outdoors and have fun.
