

Install Office 365

- Log in to your college email account and click the college logo

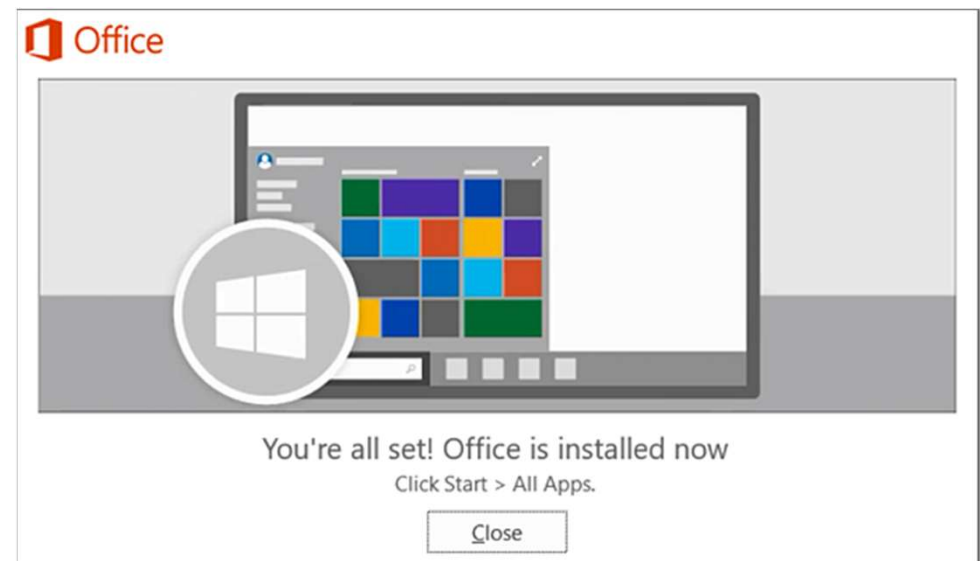

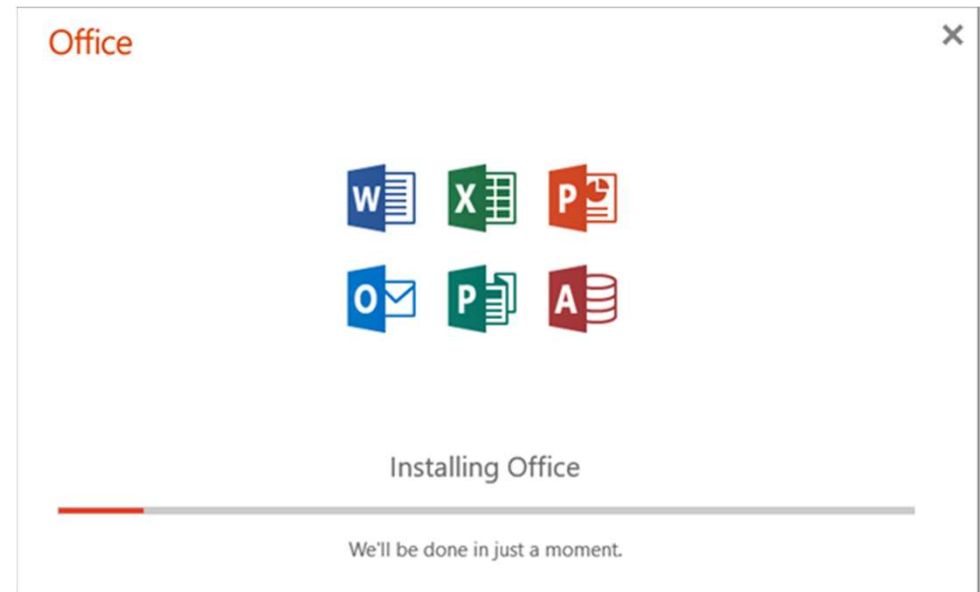

- Click Install Office and then click Office 365 apps

- Depending on your browser, select:
 - Run (in Edge or Internet Explorer)
 - Setup (in Chrome)
 - Save File (in Firefox).
- If you see the User Account Control prompt that says:
 - Do you want to allow this app to make changes to your device?
 - Select Yes.

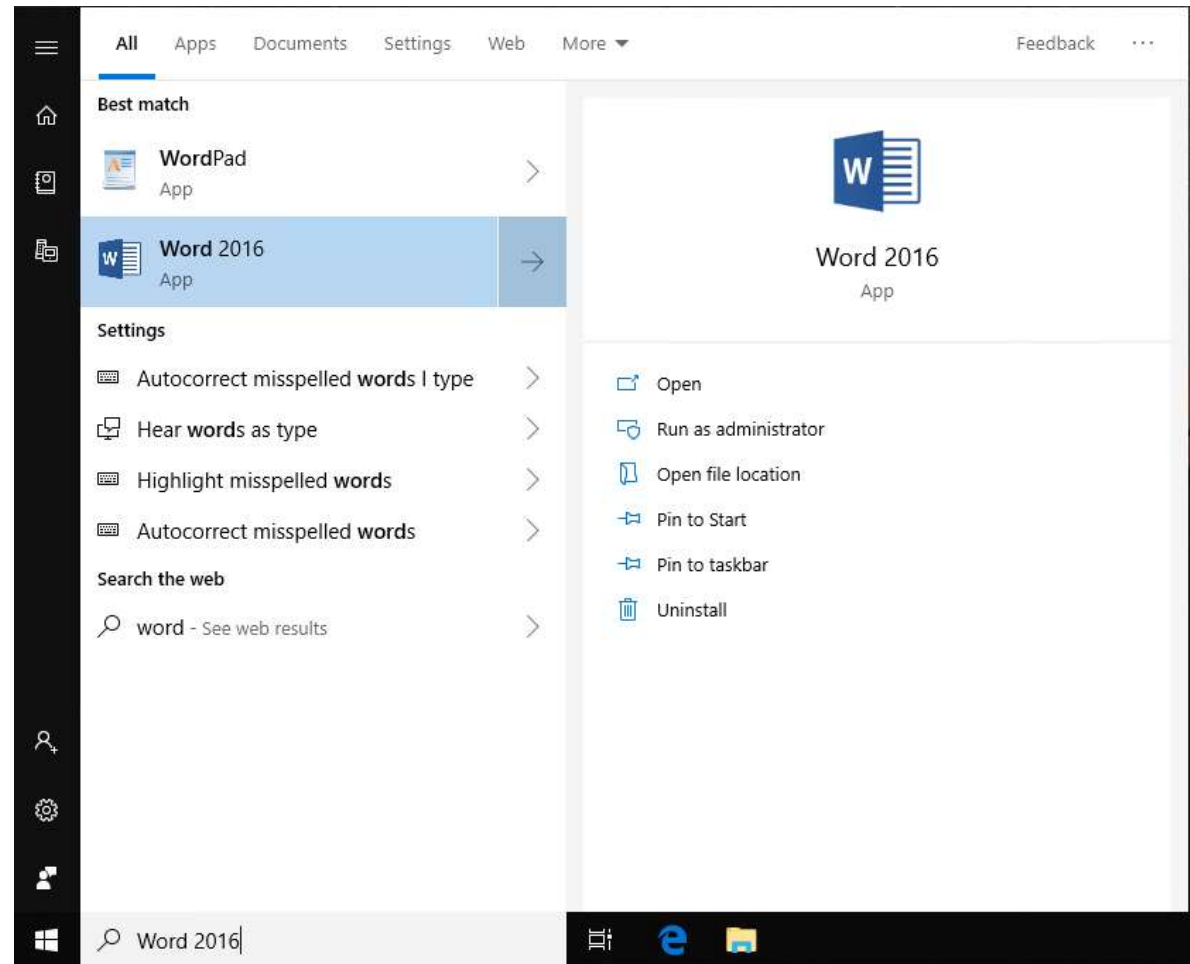

Install Office 365

- The install may take awhile depending on your internet connection
- Your install is finished when you see the phrase, "You're all set! Office is installed now"
- Select Close.

Install Office 365

- To open an Office app, select the Start button (lower-left corner of your screen) and type the name of an Office app, like Word.
- Then select its icon in the search results.
- When the Office app opens, accept the license agreement. Office is activated and ready to use.
