

Tulsa Public COVID-19 Update: Thursday, March 12

As families prepare for the spring break, we want to provide important additional information about our out-of-state travel guidance to our students, parents, and employees.

The coronavirus situation is changing rapidly by the hour. If you have plans to travel out-of-state during spring break, please be aware that there is a very real possibility that you may need to self-quarantine for 14 days upon your return. This potential of a 14-day self-quarantine would apply to all students and employees of Tulsa Public Schools. You can find more information about self-quarantine protocols on the Centers for Disease Control and Prevention website at www.cdc.gov.

Please visit www.tulsaschools.org/coronavirus for updates on CDC and district guidance for international travel restrictions - inclusive of cruise ships.

The coronavirus situation is changing rapidly by the hour, and we are working from the most current information available to us and with consultation from health and safety experts. We are sharing our updated information on our website at www.tulsaschools.org/coronavirus. You can also sign-up for text message alerts from Tulsa Public Schools by texting “YES” to 67587.
