

Dear Families,

Attached you will find optional language arts activity boards to keep your Pre-K- second graders engaged in academics over the next few weeks . The boards are designed with choice in mind. Students can pick three activities each week to get “three in a row, Tic-Tac-Toe!” or if your child is eager to continue, they can certainly try to complete the whole board.

Below are a list of apps and websites that you may find helpful as you complete the boards.
