

The following lessons are designed to help you carry on with your learning while school is not in session. You may complete these practices independently or with a peer and in any order.

High School

Day 1

(Click on hyperlinks -- the blue type)

[To sign up and connect College Board and Khan Academy, click this link.](#)

Juniors	Please practice the SAT exercises on Khan Academy . The SAT is coming soon!
AP students:	Please practice your AP test on Khan Academy. To log into AP Classroom for your specific classes that you are taking, go to apclassroom.collegeboard.org
English Access Databases and Online Resources at Kent Memorial Library here	<ul style="list-style-type: none">● Read for 45 minutes a day from your independent reading book. Or read a piece of fiction from CommonLit and answer the questions in the assessment section.● Write: In your journal, write about how the character changes in the course of the story. How does the author develop the theme? What did you notice? What do you wonder?● Practice the following using Grammar Bytes: Fragments Or Practice SAT Questions through Khan Academy: "End of Sentence punctuation."● To stay up to date with AP topics of study, navigate to AP Classroom.

<p>Social Studies</p>	<p>Please use NewsEla Sign In and pick an article from “Election2020” and do the reading quiz that accompanies it. (Please choose the appropriate Lexile level for your reading level and grade.)</p> <p>Writing: What moves does the author make? What are the impacts of those moves? What is the main idea of the article? What is the claim? Or Use the Databases in the Suffield Media Center to study a Global topic of your choice.</p> <ul style="list-style-type: none">● Gale Global Issues in Context● Gale Opposing Viewpoints● Gale U.S. History in Context <p>Consider major events in history to study: WW1/2, the Vietnam War, the Cold War. Who are the major players? What were the economic, social, governmental impacts of the war? Global and historical pandemics such as the Spanish Flu.</p> <p>Or study a current event such as the Coronavirus and think about its economic, social, and political, personal impacts on the world.</p> <p>Access AP Classroom to stay current and review for AP topics.</p>
<p>Science</p> <p>ACCESS YOUR TEXTBOOK THROUGH YOUR POWERSCHOOL LOGIN</p>	<p>Navigate to the “Ah-Choo” Case Study. Read through the entire document and brainstorm general thoughts. What do you notice? What do you wonder? If you would like to, you may work virtually with a partner.</p> <p>Your driving question for this project is, “Through the evaluation of data and research, what are the effects of climate change on allergies.”</p> <p>If you are in any of the following AP classes, connect to Khan Academy from the links below. Review topics you have recently done, have done a long time ago, and are currently working on.</p> <ul style="list-style-type: none">● AP Chemistry● AP Physics 1● AP Biology <p>AP Classroom for all of your connected AP work</p>

<p>Math</p> <p>ACCESS YOUR TEXTBOOK THROUGH YOUR POWERSCHOOL LOGIN</p>	<p>Log in to your Khan Academy account and begin work on the math topic that you struggled with the most. Watch all videos and read all of the tips. Spend at least 40 minutes on it.</p> <p>Please remember that work with Khan Academy improves your test scores on the SAT and will also be helpful to your regular math classwork.</p> <p>If you are in any of the following AP classes, connect to Khan Academy from the links below. Review topics you have recently done, have done a long time ago, and are currently working on.</p> <ul style="list-style-type: none"> • AP Statistics • AP Calculus AB • AP Calculus BC <p>AP Classroom for all of your connected AP work</p>
<p>Agriculture and FFA</p>	<p>Please check the agriculture Google Classroom for program updates and links. 2019-2020 Suffield Agriscience class code : fuiz5p2</p> <p>To sign on to Agriculture Experience Tracker AET https://www.theaet.com/AET/</p> <ul style="list-style-type: none"> • User Id is First initial: Last name • Example : Laura LaFlamme = llaflamme • Chapter Id : Ct 0016 <p>Spend some time exploring SAE opportunities with the Agriculture experience tracker: Once you log on find the Student help tab on the left side and walk through each of the sections as you complete the AET Student Check sheet.</p> <p>Watch videos to help you complete the following sections: ___ Students getting started ___ Watch best SAE practices to see sample quality projects ___ AWARDS ___ Complete the Student Profile in AET (PDF check sheet attached)</p>

Log onto the FFA website: FFA.org:

<https://www.ffa.org/my-toolbox/student/#search-top>

- Go to Student Members Dashboard
- Select Ag Explore

_____ **Take the Career Finder !**

This is a fun interactive exploration tool that will lead you to careers that might be right for you

_____ **Explore the Virtual Field Trips.**

These 30 minute videos will bring you behind the scenes of some large agriculture industries

If you decide to watch the video, consider writing a reflection and log it in as SAE career exploration hours.

<p>Music:</p> <p>Multi-day assignments</p> <p>Please repeat each day.</p>	<p>Listen to music each day. Reflect on what makes it appealing to you. What are the different genres you listen to? Try listening to at least two different genres. What are the differences? Consider melodic range, rhythm, and the use of different instruments. How is technology being utilized in the different pieces if at all? How do you feel when listening to different types of music?</p> <p>Try watching a movie with the sound turned off and then with it on during the most climatic parts. How did the accompanying music affect the suspense, the mood of the climatic part?</p> <p>Band/Choral students: Please practice your musical instrument daily for at least 30 minutes a day. Reflect on your learning. Are you improving? How are you practicing? Think about tone, pitch accuracy, timbre, rhythm, texture, and breath control.</p>
<p>Physical Education</p> <p>Multi-day assignments</p> <p>Please repeat each day.</p>	<p>Exercise of your choice for 30 minutes. Keep a journal of your workout. Are you getting better at the exercise? How did you feel before? How did you feel after?</p> <p>Wellness Check: Keep a log each day of the following: what you are eating and how much? What exercises are you doing and how long are you doing them? How much sleep you are getting each night?</p> <p>Yoga: Please spend time practicing yoga with Adriene.</p>
<p>World Language:</p> <p>Multi-day assignment</p>	<p>Think of 10 words you've learned either this year or in a prior year's study of Spanish or French. Try to select at least one or two words from categories of words: nouns, adjectives, and verbs.</p> <p>Can you think of a circumstance where you might use these words together in a real life situation (at a store, in the pool, on vacation)? Create a dialog, or write a message like a letter or an email using as many of the words as possible and using as many tenses ("Present", "Present progressive", "Preterit", "Subjunctive") or formulas ("ir+a+ infinitive", "tener+que+infinitive") as you have learned or can remember and linking it to the situation you have chosen.</p>

<p>World Language, continued</p>	<p>Access one of these sites each day to practice your French and Spanish vocabulary and verb conjugation for 25 minutes.</p> <p>French https://www.education.vic.gov.au/LanguagesOnline/french/french.htm https://www.euroclub-schools.org/french-zone</p> <p>Spanish https://www.youtube.com/user/tontitofrito http://www.classzone.com/cz/index.htm https://www.quia.com/</p> <p>For all World Language https://www.wordreference.com/ https://conjuguemos.com/</p>
<p>Interior Design: multi-day assignment.</p>	<p>Types of Furniture Activity: Click on the link please.</p>
<p>Child Development Multi-day assignment</p>	<p>Develop lesson plans for ages 3-4. Plan for a full week of preschool. What does the schedule look like? Please try to do at least four different activities for your students. Lesson plan template.</p>
<p>Cooking/Baking: Please repeat each day. Choose a different meal to plan.</p>	<p>Plan and make breakfast/lunch/dinner. What recipe will you follow? What ingredients do you need? Make it! Did it go as well as you thought? Reflect on how to make it better or keep it saved so you can add it to your favorites in the future. Serve it on a plate and take a picture of it.</p>
<p>Art: Please repeat this process two times in a week.</p>	<p>Choose a specific famous artist. Find three pieces of art created by the artist. What artistic elements are used for the different pieces: think about Space, Color, Shape. Form, Value, Texture, Line. Consider the principles of design: Balance, Unity, Variety, Emphasis, Movement, Pattern, Proportion.</p> <p>What statement is the artist making through this piece of art? What emotions are being evoked? What societal, cultural or historical context does the piece of art represent?</p>

Ceramics: This is a multi-day assignment	Sculpture study with assignment . Studio Visit and assignment .
Technology	Using resources online, such as amazon.com , woodcraft.com , toolnut.com , woodworkingshop.com , and cpooutlets.com , research various table saw types and brands. Compare and contrast the brands and their features as well as cost. From the research of at least four different saws, choose the one that you think is the best. Justify your reasons based on all factors considered.
Business & Accounting: Multi-day project	<p>Find and research at least 5 articles on how the coronavirus is impacting the United States' and the World economy. What businesses are affected the most? What happens in a bull v bear market?</p> <p>Scenario: you are finally on your own and you have your first job. Make a budget for the month. What will you spend your money on? Your first job pays you \$2000.00 a month after taxes. How much will you spend on food, rent, electricity, phone, clothes, transportation, insurance? Do some local searches online to see how much these things cost and make a budget. Do you have enough to have "fun" money?</p>
Psychology: Multi-day Lesson	<p>Watch any sitcom where many of the same people interact with each other. Examples could include <i>Friends</i>, <i>The Office</i>, and <i>Parks and Rec</i>. Look for examples of Psychological states,</p> <ol style="list-style-type: none"> 1. Winning/losing 2. Parent Ego 3. Adult Ego 4. Child Ego 5. Psychological "strokes" 6. Structured time <p>How does these play out in the show? What are the impacts of them?</p> <p>For AP Psychology, click here for AP Classroom</p>

The following lessons are designed to help you carry on with your learning while school is not in session. You may complete these practices independently or with a peer and in any order.

High School

Day 2

English

- **Read** for 45 minutes a day from your independent reading book.
- Or read a piece of fiction from [CommonLit](#) and answer the questions in the assessment section.
- **Write** in your journal: Think about how the character changes in the course of the story. How does the author develop the theme? What did you notice? What do you wonder?
- **Practice** the following using [Grammar Bytes: Irregular Verbs](#) Or Practice SAT Questions through [Khan Academy](#): “Within sentence Punctuation”

To stay up to date with AP topics of study, navigate to [AP Classroom](#)

Social Studies

Please use NewsEla [Sign In](#) pick a second article from “Election2020” and do the reading quiz that accompanies it. (Please choose the appropriate Lexile level for your reading level and grade.)

Write a short reflection on the 2 articles you have read about elections 2020. What have you learned? What surprised you? What did you notice? What do these articles make you wonder about?

To stay up to date with AP topics of study, navigate to [AP Classroom](#)

<p>Science</p> <p>ACCESS YOUR TEXTBOOK THROUGH YOUR POWERSCHOOL LOGIN</p>	<p>Using the “Ah-Choo” case study, read the procedure again. <p>Technology</p>	<p>Using the data that you gathered from the previous days, determine a total cost that the equipment would come to. Using a budget of \$5000 (excluding taxes and shipping), will you be able to purchase all of the equipment for your own workshop? If not, you need to go back and revisit your choices to get under budget.</p>

The following lessons are designed to help you carry on with your learning while school is not in session. You may complete these practices independently or with a peer and in any order.

High School

Day 10

English

- **Read** for 45 minutes a day from your independent reading book.
Or read a piece of fiction from [CommonLit](#) and answer the questions in the assessment section.
- **Write** in your journal, write about how the character changes in the course of the story. How does the author develop the theme? What did you notice? What do you wonder?
- **Practice** the following using [Grammar Bytes: Misplaced and Dangling Modifiers](#)
Or Practice SAT Questions through [Khan Academy: Precision and Concision](#)
- To stay up to date with AP topics of study, navigate to [AP Classroom](#)

Science
[ACCESS YOUR TEXTBOOK THROUGH YOUR POWERSCHOOL LOGIN](#)

Wrap results up for the [“Ah-choo” case study](#). Complete any final work that you must finish.

If you are in any of the following AP classes, connect to Khan Academy from the links below. Review topics you have recently done, have done a long time ago, and are currently working on.

- [AP Chemistry](#)
- [AP Physics 1](#)
- [AP Biology](#)

To stay up to date with AP topics of study, navigate to [AP Classroom](#)

<p>Math</p> <p>ACCESS YOUR TEXTBOOK THROUGH YOUR POWERSCHOOL LOGIN</p>	<p>Log in to your Khan Academy account and begin work on the math topic that you struggled with the most. Watch all videos and read all of the tips. Spend at least 40 minutes on it.</p> <p>If you are in any of the following AP classes, connect to Khan Academy from the links below.
