

MANSFIELD INDEPENDENT SCHOOL DISTRICT

A Destination District Committed to Excellence.

March 12, 2020

Dear Mansfield ISD Families and Staff Members:

I hope everyone is enjoying their Spring Break, even as we hear about the ever-changing situation surrounding Coronavirus Disease 2019 (COVID-19).

Please know that Mansfield ISD's top priority will always be the safety and well-being of students and staff.

District leadership and health officials have been monitoring the coronavirus since the beginning of the outbreak; and tomorrow morning, the district will be part of a meeting with Tarrant County Public Health and other school districts in order to do what is in the best interest for MISD students, families and staff members.

After that meeting, the Mansfield ISD leadership team will be meeting to coordinate a specific action plan. All options will be considered to make sure that our children and employees are safe.

We will be sending MISD's coronavirus action plan this weekend as soon as everything is finalized.

Thank you for partnering with us for the health and wellness of the Mansfield ISD community. More credible resources about Coronavirus Disease 2019 are available on the district's web page.

Sincerely,

Dr. Kimberley Cantu
Superintendent
