

PLATFORM	DETAILS
Tynker	Complete this form to get full access to the entire Tynker curriculum and platform at no cost; webinars and training materials available here: training page
iReady	<p>For current subscribers: Effective 3/6/20, we have decided to give you the option to turn on Online Instruction in i-Ready free of charge for the remainder of this school year. All students who use i-Ready would receive a personalized path of online lessons based on their most recent Diagnostic results, and all teachers would be able to assign lessons of their choosing to your students, including on-grade level instruction. Students can work on these lessons at school, or they could continue their learning at home if classrooms close. Contact Jeff Ohmer, Director of Sales to turn on</p>
Kami	Free domain-wide access to Kami Education license. Contact support@kamiapp.com to request.
Nearpod	Complimentary access upon request https://nearpod.com/coronavirus
BrainPOP	There is a free Coronavirus Topic on BrainPOP with an accompanying lesson plan. For younger kids, we are offering a free Washing Hands Topic on BrainPOP Jr.
