Celebrating Seventy Years of Catholic Education

In 1944, Bishop Peter Ireton saw the need for a centrally located high school serving Norfolk's Catholic community. In 1950, Norfolk Catholic High School opened its doors with a student body of 305 and a faculty of 17 nuns. Priests served as principals and religion teachers. The curriculum was college preparatory and academic standards were high.

In 1993, because of changing demographics, Catholic High School was established in Virginia Beach. In 2020, seventy years after opening, Catholic High has a student body of 413 students. Over the years, dedicated lay people have replaced the religious faculty. We remain focused on a college preparatory curriculum and academic standards continue to soar.

We celebrate this tradition of excellence and continue the mission of educating young men and women in the Catholic faith.

On Thursday, March 26, The Most Reverend Barry C. Knestout, Bishop of the Diocese of Richmond, will visit the school and celebrate Mass with our community to mark the occasion.

Many other events will take place throughout the year and will be shared on our social media accounts. We hope you will join us!

Letter from the PRINCIPAL

Dear Crusader Family,

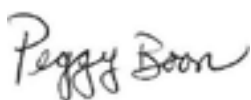

Catholic High School is celebrating 70 years of educating young men and women in Hampton Roads! Academic excellence and Catholic identity remain the cornerstone of the school. Our actions as a Catholic educational institution continue to be guided by the stated mission of the school--nurturing intellect, shaping character, and forming Christian values.

For seventy years, a Catholic High School education has provided opportunities for students to develop the knowledge, skills, and virtues for a life formed by Catholic values. Traditions and high expectations in a safe, nurturing community provide an environment where students grow and thrive. Caring and accomplished faculty guide students through the rigorous curriculum, encouraging healthy risk-taking and cultivating skills in communication, critical thinking, collaboration, and creativity. Catholic High School students are often recognized locally and nationally for their high academic achievements and moral standards.

God calls us to be the best versions of ourselves each and every day. In partnership with parents, we encourage each student to listen to His call. Student participation in service for the common good is an important part of a Catholic High School education and an essential step in a lifelong commitment to civic engagement. Through word and action, our faculty, staff, and students demonstrate in a multitude of ways that it is in giving that we receive.

By providing Catholic High School students with an academically rigorous and doctrinally sound education, we ensure that they have the foundation to live a morally upright life in our complex, modern world.

Kind regards,

Mrs. Peggy Boon

2019 Crusader HOMECOMING

Thank you to our entire Crusader family for joining us at our 2019 Homecoming! It means a lot to our students to share the excitement of this event each year with the whole community. The Cru played a tough game, ultimately falling to Fairmont Heights H.S. 28-14. We especially wish to thank the faculty, staff, students and families of our local Catholic elementary schools who brought so much joy and spirit to our celebration!

All eight of our local Catholic Elementary Schools were represented in our halftime parade, which culminated with the crowning of this year's King and Queen, Sean Ostrowski and Gabriella Gutierrez.

We can't wait to see you again next year for our 70th Celebration!

2019 Spirit Week FESTIVITIES

The 2019 theme was Around the World (Seniors - Europe, Juniors - Americas, Sophomores - Asia, Freshmen - Africa). All week long during Spirit Week the students were invited to dress up each day with a different mini-theme. The Advancement Office provided games and treats every day at lunch to keep the fun going!

MONDAY USA/Patriotic Day - All-American food provided by Sage Dining, along with popcorn & cotton candy

TUESDAY Class Color Day - Ice cream sundae bar

THURSDAY TV Character Day - TV Trivia with MC Marty Campbell

WEDNESDAY Dynamic Duo Day - Photo Booth & Dynamic Duo Game

FRIDAY Sweet Stroll and Pep Rally

CHAIRMAN'S DINNER

On November 6, new Advisory Board Chairman, Eric Washburn '97, hosted the annual Chairman's Dinner to recognize all those who have generously supported CHS and our students over the past year. Former Advisory Board Chairman and past parent, Martin Thomas, was our host at The Decker Law Firm in Norfolk. It was a wonderful evening of fellowship and our school is blessed to have so many generous supporters!

Leaving your imprint to benefit

Future Crusaders

Create a Lasting Legacy at Catholic High School

Join the Crusader Legacy Society

The task of ensuring Catholic High School's future rests with those who invest in the school with a vision for tomorrow. Planned giving is a way to leave a lasting legacy of support for the school. There are many ways to make a planned gift, all of which provide their own opportunities and advantages for you, your family, and Catholic High School. Gifts may be unrestricted or designated for a particular purpose, and there is no minimum amount.

Planned gifts can take a variety of forms.

- ⊕ **BEQUESTS:** Designate Catholic High School as a beneficiary in your will.
- ⊕ **LIFE INSURANCE:** You may donate a policy you no longer need, take out a new policy, or name CHS as the primary or contingent beneficiary of an existing policy, which may yield estate tax savings.
- ⊕ **RETIREMENT ASSETS:** Naming Catholic High as the beneficiary of retirement assets such as 401(k) or IRA may also provide significant income and estate tax savings.
- ⊕ **LIFE INCOME GIFTS:** Do you own low-yielding assets like securities that have appreciated in value? Do you want to sell those assets and reinvest in higher income vehicles? A charitable remainder trust might be your answer. A charitable remainder trust gives the donor a payment for a set term of years or for life, with the remaining trust property passing to Catholic High School.

Planned giving includes a variety of philanthropic strategies that enable you to donate assets to support CHS, yet defer the time that the gifts are received. In many cases, a planned gift enables you to make a significantly greater contribution than would be possible through an outright gift. The best gift plans require careful thought and analysis of income, estate and tax consequences, and we strongly recommend you consult with your attorney or tax advisor to determine the best way to include CHS in your will or estate planning.

Through your gift you can:

- ⊕ Provide a legacy for future needs by making an unrestricted gift.
- ⊕ Create a scholarship for deserving students.
- ⊕ Support our academic, athletic or fine arts programs.
- ⊕ Provide support for our building, technology and equipment initiatives.

Have you included Catholic High School as a beneficiary in your will?

We would be honored to include you as a member of the Crusader Legacy Society. You always have the right to be included as an anonymous member.

CHARITABLE IRA ROLLOVER

Changes Under The Secure Act Impact the Required Minimum Distribution for Individual Retirement Accounts

Beginning in 2020, the new age at which Required Minimum Distributions (RMDs) must start is age 72 with a deadline of April 1 of the following year. It should be noted that RMDs for individuals who turned 70 1/2 in 2019 are not delayed, and instead, such individuals must continue to take their RMDs under the same rules. Federal legislation passed by Congress in 2015 allows account holders who make a contribution directly from a traditional IRA to a qualified charity can donate up to \$100,000 without it being considered a taxable distribution.

Despite the delay in the starting age for RMDs, Qualified Charitable Distributions (QCDs) from IRAs will not be affected. QCDs may still be taken from IRAs as early as age 70 1/2.

Contact your financial advisor for more information. After speaking with your advisor, you may contact Lisa Hamlet, Director of Advancement, to answer any questions you might have about making a gift to Catholic High School.

Alumni

LEGACY SCHOLARSHIP

As proud Crusaders, from Norfolk Catholic, Bishop Sullivan Catholic, and Catholic, it is important to keep Catholic education alive for the children and grandchildren of our graduates. In order to continue to build our legacy, we have established an Alumni Legacy Scholarship. Each year, we hope to award the Alumni Legacy Scholarship to at least one legacy student to enable him/her and his/her families to more easily attend Catholic High School. As we develop the selection criteria, we are planning a matching gift campaign with some of our legacy families. Ultimately our goal is to offer tuition assistance to as many legacies as possible.

**Help us plant the seeds to
grow the fund for
the future!**

If you would like to be a part of this exciting opportunity, please contact Samantha Williams, Alumni Relations Coordinator, at williamss@chsvb.org.

The 2019 Alumni Legacy Scholarship was awarded to Zack Bromley '21, son of Joseph Bromley '94 and Lisa Suhr Bromley '96.

Make an investment in their future *that pays off now.*

Virginia Education Improvement Scholarship Tax Credits

<p>Receive a Virginia tax credit equal to</p> <h1>65%</h1> <p>of your eligible contribution</p>	<p>MINIMUM DONATION FOR INDIVIDUALS</p> <hr/> <h2>\$500</h2>	<p>MAXIMUM ANNUAL DONATION FOR INDIVIDUALS & MARRIED COUPLES</p> <hr/> <h2>\$125k</h2>	<p>MAXIMUM DONATION FOR BUSINESSES</p> <hr/> <h2>None</h2>
<p>IMPORTANT: Consult your tax advisor to determine your specific tax savings.</p>			

SAVE ON STATE AND FEDERAL TAXES

In addition to a 65% state tax credit, individuals and businesses may also receive a deduction for a charitable contribution, and therefore achieve tax savings in two ways:

1. Deductions against taxable income as a charitable donation on both federal and state income taxes.

- ◆ The tax reduction equals the contribution amount times the tax rate of the applicable tax (federal or state)
- ◆ Subject to rules governing deductibility of charitable contributions

2. Credit against Virginia taxes.

- ◆ Tax reduction equals 65% of the amount of the donation
- ◆ Credit is non-transferable

BUSINESSES CAN CLAIM THE EISTC AGAINST:

✓	Virginia Corporate Income Taxes
✓	Virginia Bank Franchise Tax
✓	Virginia Insurance Premiums License Tax
✓	Virginia Public Service Corporations Tax
✓	Personal Income Taxes via pass-through entities such as S-Corporations, LLCs and Partnerships.
✓	The amount of the Tax Credits may not exceed the donor's tax liability for the year in which the credit is claimed, but Tax Credits may be carried over for up to five succeeding years.

PROCESS

To take advantage of EISTC, follow these simple steps:

<h1>1</h1> <p>Obtain a Letter of Intent from the Advancement Office at Catholic High School.</p> <p>Also, obtain the Virginia Department of Education Preauthorization Form.</p>	<h1>2</h1> <p>Send the completed Letter of Intent and Preauthorization Form to MPSF, who will submit your Preauthorization Form by secure electronic dropbox to the VA DOE for approval of your Tax Credits.</p>	<h1>3</h1> <p>Within approximately 7-10 days, the DOE will send you an Approval Letter indicating your tax credits have been reserved for a period of 180 calendar days.</p>	<h1>4</h1> <p>Return the Signed Approval Letter with your check or securities transfer information to MPSF within 180 days of the date of the notice.</p> <p>(Preauthorizations become void after 180 days). Make checks payable to the McMahon Parater Scholarship Foundation.</p>
---	---	---	--

After you have made your donation...

Within 40 days of receiving your gift, MPSF will:

- ✓ Send you an acknowledgment of receipt of your gift
- ✓ Send the DOE a notice that your gift payment has been received
- ✓ Notify the designated school(s) that your gift has been received

Within 30 days, the DOE will issue your Tax Credit Certificate.

- ! The Tax Credit Certificate must be attached to the tax return in which the credits are being claimed.
- ! Tax credits may be claimed for the taxable year of the donation, and for up to five successive years.

Don't miss this opportunity. Enroll today.

Opportunities For GIFT NAMING

Catholic High School has several gift naming opportunities that provide a way for you to leave your own legacy on our campus or to make a tribute or memorial gift in honor of someone special. Your donation may be in the form of a pledge that is paid over a five-year period and is fully tax-deductible, as allowed by law.

Various Naming Considerations:

- ➔ Yourself
- ➔ Parent, Grandparent, Child or Spouse
- ➔ Other Family Member
- ➔ Family Name
- ➔ Mentor/Faculty Mentor
- ➔ Business

All interested donors are encouraged to inquire about naming opportunities.

Through your generous gift of a paver, seat, classroom, athletic field, or other facilities you create a permanent legacy.

For more information, please contact Lisa Hamlet, Director of Advancement, (757) 467-2679, hamletl@chsvb.org.

Chapel Chairs: Help us provide a reverent and comfortable home for our students to encounter Christ by dedicating a Chapel Chair with kneeler in honor or memory of someone special. This is a wonderful opportunity to celebrate someone who has been instrumental in your personal faith journey, has been a beacon of Christ's light in our community, or who has uniquely encountered Christ's love in our school. For \$200, a placard bearing their name will be permanently affixed to the new Chapel Chair. Only a limited number of chairs remain!

In 2013, Finch Field was named for past parent and Advisory Board Vice-Chair, Ms. Marie Finch and the Finch family, whose generosity made it possible to have lights for our football field, allowing for Friday night games and increasing attendance and student participation.

Take A Seat: By giving a gift of at least \$500 you will be eligible to "take a seat" in the state-of-the-art Barry Robinson Theater. A plaque with your name or the name of a loved one will be affixed to the seat of your choice in our beautiful theater. Theater seats are a meaningful and permanent graduation or reunion gift.

Sidewalk Pavers: By giving a gift of \$100 a plaque in your honor will be embedded in the sidewalk at the entrance to Catholic High School. Pavers are a wonderful and permanent graduation or reunion gift.

CRUSADER NEWS

Academic Achievements

Newsweek announced its ranking of the top 5,000 STEM high schools for 2019, honoring excellence in science, technology, engineering, and mathematics and Catholic High School was thrilled to be included!

With its long history of reporting on scientific breakthroughs, technological revolutions, and societal challenges, Newsweek partnered with STEM.org to rank America's Best STEM High Schools. The list includes schools in every region of the country that offer skilled teachers who keep up with developments in these fields and who create dynamic learning environments to engage their students.

In 2019 Catholic High School was once again named to Virginia Living Magazine's Top High Schools and Colleges list!

Virginia Living State of Education, a special bound-in supplement to Virginia Living's October 2019 issue, celebrates excellence and innovation in Virginia's schools. Featuring in-depth and positive coverage of news and trends in secondary and higher education, Virginia Living State of Education includes Top High Schools & Colleges 2019 a list of more than 170 programs in public and private high schools and four and two-year colleges leading the way in innovation across the state.

Congratulations to **Joseph Bonvie** and **Sydni Stock**, who were selected to serve as student leaders on the **Virginia Beach Historic Preservation Commission**. As student leaders, they attend monthly committee meetings, work on committee projects, and coordinate historic preservation advocacy in our school.

On Monday, October 7, Congressman Bobby Scott hosted a **Community Forum Honoring Hispanic Heritage Month** at Old Dominion University. Crusader Cynthia Vallés was invited to say the Pledge of Allegiance at the beginning of the forum.

The Freshmen class conquered the **Penny Wars!** Thanks to all who played and donated, we have raised over \$900 toward our goal of purchasing Elkay Water Bottle fountains for the school! The Freshmen earned 2 dress down days for having the most points and donating the most money of any class.

Thirteen of our students participated in the **William and Mary Model UN**. They represented several countries including Bulgaria, Slovenia, Malaysia, Mexico and China. Model United Nations, also known as Model UN or MUN, is an extra-curricular activity in which students roleplay delegates to the United Nations and simulate UN committees.

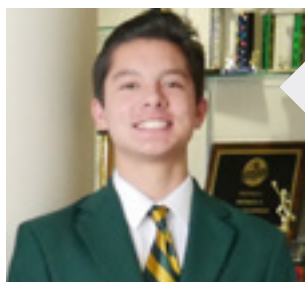

Our AP Environmental Science students attended a **Roundtable Discussion on Sea Level Rise** at Old Dominion University. The panel included an ODU professor, an environmental education specialist, a researcher in environmental resiliency, and two French-speaking poets from Canada in town for the ODU poetry festival. The discussion varied from the role and passion of individuals, schools, communities, nations, and citizens of the world. Global change is a guiding theme of the AP Environmental Science curriculum. The class also recently took part in tracking the King Tide using their cell phones and an app called Sea Level Rise. King tides occur when the moon, sun, and earth line up to form a tide that reaches higher elevations than normal. Students could plot points where they saw the effects of the tide in their area, aiding scientists in their research of how tides work. The information gathered in this survey also helps to predict more accurate flood forecasts and inform local officials about the risk of flooding.

In the year's first meet in October, a team of students representing Catholic High School won high honors in this year's **WordWright Challenge**, a national language arts competition for high school students requiring close reading and analysis of many different kinds of prose and poetry. Participating with 686 school teams from all across the country, the school's 11th graders tied for 8th place in the nation.

Students achieving outstanding individual results in this meet included: Sophomores Annie O'Flaherty, Nadia Evancho, Josephine Mazzeo, Victoria Noriega, and Xavier Vaquera; Juniors Enyojo Agene, Emma Dale, Amara Davidson, and Richelle Fauni; and Seniors Emily Shook, Nicholas Evancho, and Rhys Nagel.

We are so proud of **Hunter Quigley**, who is one of 1,928 high school seniors selected from a pool of 93,075 submitted applications from across the country as a **Coca-Cola Scholars Foundation Semifinalist!** Semifinalists were chosen based on their academic excellence, leadership and service demonstrated in school and community activities. The Semifinalists are in the running for 150 college scholarships worth \$20,000.

Barry Robinson Theater and Fine Arts Center

The CHS Theatre company has performed a number of fantastic shows ranging from classics such as *Antigone* and *Romeo and Juliet* to original plays written by Trey Clarkson, the Director of the Barry

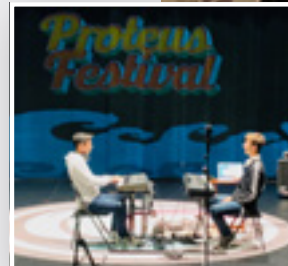

Robinson Theatre and Fine Arts Center. This fall, we revisited Trey and Brant Powell's play based on Mary Shelley's *Frankenstein*, *Frankenstein: Anatomy of a Monster*. This dark tale dives deep into life, its creation, and the humanity of it. While the faces may be gruesome, the students had a blast putting on the show. This Christmas season, we produced *A Christmas Carol The Musical* with guest director, Chris Bernhardt. This classic holiday tale brought a smile to the audience as well as the cast with its eerie yet hopeful reminder that one can do more for one's fellow neighbors —not just in this Christmas season, but all year round.

Two members of our Chorus, Isaac Avis '22 and Nathan (Tri) Tran '22, participated in the **Proteus Festival Creative Teams Competition** in the music category at The Zeiders American Dream Theater in Town Center of Virginia Beach.

They were given the prompt "This is the stuff that dreams are made on" [The Tempest] on Thursday evening and were tasked with creating an original musical work to be performed Sunday morning. They were able to meet with the music team's mentor on Saturday afternoon to receive critiques of their work in progress.

Performing as "The Bridge," Sunday morning they wowed their audience with their composition "Memories of Tomorrow" combining computer generated music and sounds with live keyboard performance. They tied for "Lead Artist" with Mechanical Well, the winners from last year. We are so proud of our creative and talented Crusaders!

They also rehearsed and recorded two pieces with the Diehn Chorale and Concert Choir.

Mrs. Hudson's Art students visited the **art studios of Old Dominion University** with local mural artist and college professor Richard Nickel. Our students worked collaboratively on a 24 foot mural alongside the artist.

At the annual **Virginia Beach Neptune Festival** at the oceanfront, the jurors of the Neptune Youth Art Show selected our very own Oliver Hudson as an Honorable Mention for his glass piece titled "Glass Fusion." Several members of our Crusader community volunteered for the event as well!

Our Fine Arts Department hosted their annual **Winter Concert and Art Show** this past December. The Hunter Hogan Gallery was opened to our guests to enjoy the amazing works of art our students have worked so hard on this semester. They then enjoyed a concert featuring World Music by our Chorus and Instrumental Ensembles. It was a beautiful event showcasing our talented Crusaders!

On Saturday, November 2, 2019, 166 registrants participated in our annual Crusader 5k & Mini Crusader Mile Run! We raised over \$8,700 for our students and school. It was a wonderful morning shared with family, friends, alumni, staff and faculty. We are extremely grateful for everyone who participated, volunteered and assisted in the planning and set up of the race. Congratulations to all of our winners! This year's Crusader 5k sponsors included Mr. Kevin T. Moran of the Moran Practice, Abbate Agency, Knights of Columbus (presenting sponsor), The Rohrer Family (race bag sponsor), and local Knights of Columbus (post-race breakfast sponsor).

#CATCHTHESPIRIT

We are always happy to welcome our partners in education from local Catholic elementary schools to Catholic High School. From marching in our Homecoming parade, to sharing our faith at Mass and a Meal, thank you for joining us in celebrating our Catholic identity!

This fall we welcomed faculty and administrators from all of our Tidewater area Catholic schools for the 2019 Diocese of Richmond Catholic Schools EdCamp! Our educators shared ideas and discussed topics ranging from using formative assessments and technology in the classroom to stress management for students, and everything in between.

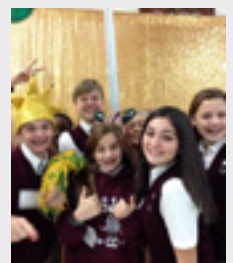

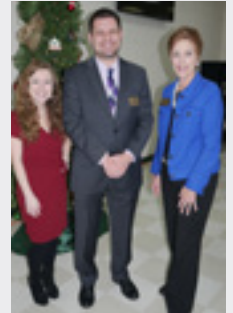

CHS DAY 2019

On December 5, the Crusaders played host to 8th graders from all over Hampton Roads at our annual Catholic High Day! This year's theme was **CRUOLOGY: Head * Heart * Hands**. Our student ambassadors greeted over 250 students from our 8 Catholic partner schools and other interested 8th grade students. A club fair, followed by pep rally, allowed students to imagine the possibilities of how they will fill their days as a freshmen! Next, they experienced four classroom sessions combining lessons that emphasized academics, faith, and action. Along the way, Sage Dining provided their always-delicious lunch, finishing with an ice cream bar and photo booth. Before heading home, we ended the day with a discussion panel. Several of our students talked about their experiences here, their co-curricular choices and took questions from the audience. It was a wonderful way to connect to their future peers!

That same night, we welcomed all interested parents to our Parent Informational Evening. A greeting from our principal, Peggy Boone, and a blessing from our campus chaplain, Fr. Anthony, heralded our delightful dinner catered by Sage Dining. Cate Harmeyer, our campus minister, shared why our faith community makes us special and provides a strong foundation for our students before our guests were "schooled" in our mini-classroom sessions learning about our academic programs. Before leaving, parents were treated to a musical number from *The Christmas Carol* performed by our theater troupe and a parent panel where our current parents shared their stories of choosing a high school and why CHS was the perfect choice for them.

We were thrilled to meet so many future Crusader families and are excited that they are making Catholic High School their choice for Excellence in Education!

CRU MINISTRY

By Cate Harmeyer '99, Campus Minister

Building our Faith Houses on Rock

CRU Ministry's mission is to offer current Crusaders opportunities to encounter Jesus Christ in His Holy Catholic Church. We offer weekly celebrations of Holy Mass, monthly celebrations of the Sacrament of Reconciliation and Eucharistic Adoration, and regular opportunities for personal and communal prayer in our Chapel. Our hope is that the faith our students claim in high school will help them to build their "house on rock" for the joys and challenges of their futures. Here is what a few of our current and past students have to say about the ways they strengthened their faith while at CHS:

"It has changed my life in so many ways, it's so hard to count... Starting out as a freshman in high school, I was so in the dark with my faith and religion in general. I didn't feel compelled to pursue a relationship with God and I didn't understand why this was my faith to begin with. But after going through Campus Ministry, I have developed into the person I am today. It helped lead me to find the Catholic ministry here in college and it has encouraged me to study my faith and get to really understand it."

Camille Cajes, Sophomore at Virginia Tech, Class of 2018

"Campus Ministry has affected my life in that I have grown closer to my faith and closer to people that have made a great change in my life. These friends have held me accountable in my everyday life and in my faith life."

Will Moran, Current Senior, Class of 2020

"I feel like I have a deeper relationship with God, even as a struggling college student. My faith is my backbone, when I feel at a loss I know I am strengthened by Christ through the relationship I was able to establish through Campus Ministry."

Anne Boring, Freshman at VCU, Class of 2019

"The CHS Campus Ministry program affected my life in several ways resulting in my faith life not being left behind once I left Catholic school. At CNU, I am a part of Catholic Campus Ministry which includes going to Mass on Tuesdays, co-ed small groups on Wednesday nights, and Mass on Sundays. At CHS, I was encouraged to talk about my faith with my peers and that is why I am comfortable going to small group at CNU with people that were once strangers."

Margaret Lassalle, Freshman at CNU, Class of 2019

"My friends and I always strive to revolve our day around Christ. The Chapel's wonderful accessibility helps us do so. Through Praise and Worship, we can become closer to God and grow in our own friendships."

Jack Domark, Current Sophomore, Class of 2022

"Mass is consistently the highlight of my week, and when we have adoration, I spend as much time as I can in the chapel. The program has been a beautiful outlet to get me out of stressful and frustrating situations. Our school is so blessed to have such an active Campus Ministry!!"

Kendall Coss, Current
Sophomore, Class of 2022

"The CHS Campus Ministry program has affected my life in an enormous way. I remember walking into the chapel everyday asking Jesus for help... High school was definitely a hard time for me. However, having the opportunity to embrace my faith and feel safe in an environment which encourages me to learn more about how lost I am in His love was so valuable. It not only affected me, but I needed it. I needed him more than ever and that's what Campus Ministry provided. The only regret that I have was not being so involved early on."

Jayden Remias, Sophomore at
Virginia Tech, Class of 2018

"Since graduating from CHS and coming to college, I have been able to grow the spiritual seeds that were sown by the CHS Campus Ministry. Being a Retreat Leader Senior year sparked a desire to minister to youth myself. I recently made a candidate commitment to the Youth Apostles community... I can personally attest that I wanted no part of a Catholic Campus Ministry when entering high school, but through the gentle, loving care of the Campus Ministry, I came to embrace God and His divine role in my life."

Kieran Koch, Sophomore at
Virginia Tech, Class of 2018

Crusaders in the Community

This year the Meehan Chapter of the National Honor Society partnered with the **Judeo Christian Outreach Center** to provide a nutritious, wholesome meal for up to 80 homeless JCOC residents and less fortunate neighbors in our local community. The dinner was a huge success and the students had a blast. In December, they collected bottles of laundry detergent to donate to the Judeo Christian Outreach Center, hoping to bring loads of cheer to families in our local community!

Congratulations to **Rhys Nagel, Hunter Quigley and Victoria Noriega**, were selected to serve on the **Operation Smile Regional Leadership Council** for the 2019-2020 school year. Operation Smile is a Virginia Beach based non-profit organization that provides free surgeries for children and young adults in developing countries who are born with cleft lip, cleft palate or other dental and facial conditions.

On **Veterans Day**, we were honored to be joined for Mass by members from our Crusader family who have served in the armed forces. At least 25% of our school community is made up of military families, and we are proud to celebrate all of their service and their sacrifice today and every day.

Several of our students and volunteer leaders ventured once again to Camden, NJ to serve the poor at **Romero Center Ministries!**

Sophomore **Cullen Kirk** participated in a **Roc Solid Foundation** playset build for an amazing young lady with pediatric cancer. The goal of the foundation is to fight cancer through play.

After hearing of the devastation of Hurricane Dorian early this fall, seniors **Zach Giroux** and **Joseph Bonvie** went down to help elderly NC/Outer Banks residents clean up in and around their homes with a group from Hatteras United Methodist Church.

In December our Campus Ministry team organized two drives to help those less fortunate, one for **Pajama Jams**, an organization providing new pajamas to children in need, and an **Angel Tree for Catholic Charities**. The Cru worked hard to bring Christmas joy to families in need and spread the love of Christ this Christmas in our local community!

In November, our SCA ran a **Food Drive** to help stock the food pantry at the Church of the Ascension. They challenged our community to take this opportunity to help out our local community by collecting at least 1,000 cans and boxes.

SIDELINE SEAT CAMPAIGN

Over the summer, the CHS Athletic Department led a campaign to raise money for new sideline chairs in the Mary and Frank Price Gymnasium. With a goal to sell 40 chairs in 40 days, they sold out in 14 days! Tuesday, January 7, we honored the generous donors and honorees with a ceremony held during our home basketball games.

The Mary and Frank Price Gymnasium is where our community gathers for Mass, volleyball and basketball games, awards ceremonies, the American Red Cross Blood Drive, and much more.

We would like to wish a HUGE thank you from the whole Crusader family to everyone who participated in our Sponsor a Sideline Seat Campaign. For a full list of the honorees and dedications, visit chsvb.org.

Green and Gold Reception and Athletic Hall of Fame Induction Ceremony

One Friday, January 10, we celebrated our 2020 Athletic Hall of Fame Inductees, Les McKay '77 and Thomas Kilpatrick, former Athletic Director and Coach, at the fourth annual Alumni Green and Gold Reception.

After the Induction Ceremony, all guests joined in watching our Crusaders in a basketball game against Norfolk Collegiate School. Our newest members of the Athletic Hall of Fame were acknowledged at halftime and presented with a gift of appreciation.

It was a special and memorable evening. We are so thankful to all those family members, alumni, faculty, and staff who came out to support these inspiring individuals on their well deserved awards.

2019 Crusader Athletic Hall of Fame Inductees

Lester McKay '77

Motivational Speaker and Performance Coach
Les McKay is more than a multiple award-winning Sales, Sales Training and Business Development Executive in the pharmaceutical industry; his diverse background as an educator, coach and top martial arts instructor has given him a unique perspective on the skills needed for success.

Les was a 1977 graduate and two-sport star at Norfolk Catholic High School. As a senior he was a co-captain of the football team and earned All-Conference and All-State recognition as a tight end and defensive end. In basketball, Les led the Tidewater Conference in rebounding and was a second team All-Conference pick. Les also made the TCIS All-Tournament Team that year.

Les earned a degree from Hampton University in Education while balancing a successful college football career as a member of Hampton University's football team. As a teacher and high profile coach with Norfolk Public Schools, he used his personal experiences to inspire the youth and student athletes he mentored, focusing on accountability, attitude and setting short and long term goals.

He believes that the key formula to success and overcoming obstacles in life is one's commitment to: **Family • Faith • Passion • Laughter**

Les uses real-world facts, personal testimonies, and humor to captivate and engage his audiences.

Additionally, Les is an accomplished Hapkido martial artist with a 5th degree black belt in both Jin Jung Kwan and Sin Moo Samrangdo. As a Lead Instructor for Executive Martial Arts of Nashville, TN, he trained police officers and the U.S. Army's Special Forces, receiving special recognition from 2nd Battalion, 5th Special Forces Group (Airborne) for his contributions to their combat readiness.

Les is currently the Regional Account Manager for a major pharmaceutical company, bringing 17 years of management and executive success to his audience. Combined with the Hapkido philosophy of "coordinated power" and his personal experiences as an educator and coach, the result is a dynamic presentation that is not to be missed.

"A positive attitude dictates everything." — Les McKay

Thomas B. Kilpatrick

Thomas B. Kilpatrick graduated from St. Paul's Central High School in Portsmouth, VA in 1964. After briefly attending Old Dominion College, he began a 3-year enlistment in the U.S. Army. Following his military stint he attended Christopher Newport College where he played four years of varsity basketball, graduating in 1975 with a BS in General Education. Upon graduating he began a teaching/coaching career with the Portsmouth Public Schools system. During his 20 years with PPS he served as an assistant football coach at Cradock High School and also as an assistant, then later, as the head varsity baseball coach. In his last three years with PPS he was named the head varsity basketball coach at Manor High School (later renamed Wilson High School) and continued there until his retirement in 1995. Also during his time in Portsmouth he served in part-time positions as an assistant basketball coach at Christopher Newport and later as the head coach at his alma mater, Portsmouth Catholic HS, as it was then named.

In the Fall of 1995 he began his second career and his association with Catholic High School of Virginia Beach, being named the director of athletics, serving in that capacity for the next 18 years. For 15 of those years he also coached the varsity boys' basketball team, one year as an assistant coach and the next 14 as the head coach. During his time as athletic director he was selected to serve as an independent schools representative on the Virginia High School League (VHSL) board of athletic administrators. During this period he was named the Athletic Director of the Year for Independent Schools in 2005 by the Virginia Interscholastic Association of Athletic Administrators (VIAAA). He also served on the board of the Virginia Independent Schools Athletic Association (VISAA) and was the President of the Tidewater Conference of Independent Schools, a position he held for six years at the time of his retirement in 2013.

Because of his affection for CHS, Tommy twice returned to the school to assist the athletic department as changes in leadership developed. He is fondly remembered by his co-workers for his organizational skills, attention to detail, common-sense approach to problem-solving, and sense of humor.

Mr. Kilpatrick considers his most memorable achievements while at Catholic High School to be the following:

His role in the expansion and improvement of the athletic facilities at the school.

Developing and implementing various policies and procedures that stress good communication to guide all aspects for the successful operation of the athletic program.

Nurturing positive relationships with the student-athletes, parents, faculty, staff, administration and alumni at the school.

Initiating and maintaining lasting relationships with the other independent and public schools both in and outside of the Tidewater area and, particularly, with our partner schools in the TCIS.

Mr. Kilpatrick currently resides in Portsmouth and spends most of his time playing golf with friends and watching his two beautiful granddaughters grow up.

Class Reunions

Norfolk Catholic High School Class of 1957

The Norfolk Catholic High School 1957 classmates met for lunch November 26th at Imperial Palace, Virginia Beach, for a mini reunion to reminisce, celebrate being together and remember classmates who couldn't attend. Celebrating were Mary Casablanca Bohenek, Pat Mann Sappenfield, Rufus Jones, Delores Peluso McReynolds, Jerald Murden Hudson, Cathy Hahne Morris, Diana Doherty Barnett and honorary classmates Carole Jones and Jack McReynolds. Regrettably, there was no photo of this gathering to document still looking good after all these years!

Classmates also used this opportunity to donate to this year's Alumni Legacy Scholarship, a legacy-building opportunity to keep Catholic education alive for their grandchildren. (Rufus and Carole Jones have a granddaughter attending CHS this year.) Each year an award is made to a student or students of a graduate. The ultimate goal is to offer tuition assistance to as many legacy students as possible. The 2019 Alumni Legacy Scholarship was awarded to one legacy student to enable them and they families to more easily attend CHS. If interested in participating in this years scholarship, please send checks payable to Catholic High School, c/o Lisa Hamlet, 4552 Princess Anne Road, Virginia Beach, VA 23462.

COMMUNITY

EVERY DAY. EVERY YEAR. YOUR GIFT MATTERS.

Every academic year, we ask our alumni, faculty, staff, and friends to renew their support to CHS. Annual gifts are important to sustaining the growth of our school. In addition to providing an exceptional academic experience, the Annual Giving Crusade supports 75 clubs, sports teams and extracurricular activities. Nearly 100% of our students participate in at least one of these activities, ranging from football and field hockey to forensics, theater and robotics and so many other meaningful programs.

Your Gift Matters!

Your contributions to the annual fund directly impact the students of Catholic High School. Tuition assistance, academic programs, campus ministry, athletics, and the fine arts are all dependent on the funds raised through the annual appeal. Gifts of any size allow us to provide a quality educational experience for our students. We are grateful for your generosity!
