

Dear Families,

As we move into an extended leave from the classroom, we encourage you to visit the Madison Public School Homepage to access some suggested Kindergarten activities. There you will find a menu of activities that you can do with your child at home. As always, we recommend that each day you set aside some time to read/write with your child. Included with this note is a copy of our letter formation for both upper and lowercase letters to help direct your child in the accurate formation of their letters. Using this resource to practice writing their snap words is a great way to practice both letter formation and the automaticity of their snap words. We understand that this is a unique time for us all and we look forward to jumping back into our curriculum upon our return.

Thank you for your continued support!

Madison Public Schools Kindergarten Team
