**Tracy Unified School District Announces School Closures Effective Monday,  
March 16, 2020**

Dear Tracy Unified School District Families and Community,

The Tracy Unified School District continues to respond and make changes regarding COVID-19 based on the advice and guidance from the San Joaquin County Public Health Services and the San Joaquin County Office of Education. This memo provides an update on the most recent information.

On Friday, March 13, 2020 in consultation with the San Joaquin Public Health Services and the San Joaquin County Office of Education, the county superintendents have determined that all schools in San Joaquin County will be closed beginning Monday, March 16, 2020 through Sunday, April 5, 2020. Therefore, the Tracy Unified School District will close all its schools and cancel all classes and any student-related activities from Monday, March 16, 2020 through Sunday, April 5, 2020.

The health and safety of students, staff, and the public is paramount to the Tracy Unified School District. To date, no TUSD student or staff has tested positive for COVID-19. Please remind your students that coronavirus is a serious health concern and they can help prevent the spread by staying home as much as possible during this school closure time period.

Meals will be available at select locations, at no charge, for children who are 18 years of age or younger. Please check the TUSD website or contact your school regarding meal pick-up times and locations.

The Tracy Unified School District will continue to work with the government of California, the San Joaquin County Public Health Services (PHS) and the San Joaquin County Office of Education to monitor the situation and provide updates as necessary.

Sincerely,

Brian Stephens, Ed.D.
