

Dear Middle School and High School Families,

We appreciate your patience and flexibility in this unprecedented time. We want to share important information with you regarding the distribution of instructional materials and meal service for Cloud Learners during this school closure.

Instructional Materials

We will be transitioning our teaching and learning online through Cloud Learning. It is our goal each day to do what is best for kids and we believe keeping the pathways to education open for our students fall directly in line with that objective. All classes will be held through *Google Classroom*. You should have received an invitation to join your child’s classes today - please accept that invitation to monitor your child’s progress. If you or your child need help accessing the Google platform, visit www.wbsd.org/cloudlearning for technology assistance.

Breakfast and Lunch

We are committed to providing access to the nutrition West Bloomfield students need during their education outside the traditional classroom. During the West Bloomfield Cloud-Learning Initiative, we will be offering meals for pick up at some school sites. You will need to complete our pre-order form each day. These forms will be located at www.wbsd.org/mealservice.

Meal Service Pick-Up Dates and Locations

Date	Meal Pickup	Location
Monday, March 16	11AM-1PM	Home building
Tuesday, March 17 through Friday, March 20	11AM-1PM	Pickup site will be chosen on the meal service preorder form
Monday, March 23 through Friday, March 29	11AM-1PM	Pickup site will be chosen on the meal service preorder form

Blessings in a Backpack

Food backpacks will be ready for pickup between 11am-1pm at Orchard Lake Middle School and Roosevelt Elementary on Thursday, March 19th and Thursday, March 28th.
