- This resource is simply a guide to help with the implementation of at home English Language Arts learning within a 40-minute time period. Adjustments make sense based on individual student need.
- Listed resources are available in McGraw-Hill's online platform as well as paper pencil, so either method can be used.
- DSD resources can be printed or pasted into a digital resource such as Nearpod to be shared with parents and students.
- \*Free Heggerty resources can be accessed at <https://www.heggerty.org/download-assessments-and-resources>
