

At Nazareth Academy High School, we are committed to creating and sustaining a comprehensive, coordinated effort to improve the overall safety and well-being of our students, educators and administrators. Earlier this year students were trained in an anonymous reporting program/app called Safe to Say Something. "Safe2SaySomething" is a youth violence prevention program run by the Pennsylvania Office of the Attorney General. Safe2Say Something (S2SS) teaches youth how to recognize warning signs and signals, especially within social media, from individuals who may be a threat to themselves or others and to "say something" BEFORE it is too late.

Here's how it works:

Step 1

Submit an anonymous tip using one of the following options:

Call the tip line
1-844-SAF2SAY

Use the Website
www.safe2saypa.org

Use the mobile App available from Apple and Android devices

Step 2

All calls and tips received by the 24/7 crisis center

- 1 - A crisis center analyst receives and reviews tip information
- 2 - The tip is triaged and categorized as either life safety or non-life safety
- 3 - The tip is then sent to school officials and law enforcement (as needed) via text, email, and/or phone call within seconds

Step 3

School officials & law enforcement intervene and help individual(s)

- 1 - School officials and law enforcement (as needed) act immediately to investigate, assess, and intervene with reported at-risk individuals
- 2 - At-risk individuals receive the help they need BEFORE they ever get to the point of hurting themselves or others
- 3 - School officials report their outcomes into the Safe2Say Something platform and close out the tip, ensuring accountability for every tip submitted
