

Distance Learning Outline of Expectations for STUDENTS and PARENTS

What is expected of me?

Students:

- Log into Finalsite for your teacher’s directions and instructions at the start of each week and scheduled period.
- Log into PowerSchool to keep track of assignment progress.
- Grades will be determined by varied online assessments and submissions. Teachers will provide clear details on how individual assignments will be graded.
- Follow the Distance Learning Schedule.
- You should only have 180 minutes of meaningful work per class per week.
- Write down or book dates for live sessions and follow the Zoom conduct policy.
- Communicate with teachers and advocate when you are having issues.
- Completion of my work is evidence of attendance.
- Seek tech help by emailing stars@student.cghsnc.org. Students can reach tech support on chat during class periods: starsdesk@student.cghsnc.org

Parents:

- Work with your child/children to set a timetable for their study, which includes breaks and stipulates which subjects will be completed during each session.
- Have your child/children work in a common space and remove items that may cause distraction. Students require their Gibbons laptop to complete assignments, so it is necessary to regularly monitor the progress of your child/children.
- Discuss the work completed with your child/children and compare against the provided teacher instructions.
- Encourage your child/children to maintain regular contact with teachers to ensure they are aware of course expectations.
- Log into Finalsite and PowerSchool to check for assignments due for each subject or class.
- If your students are having difficulty completing the work due to technical difficulties, please inform their teachers and contact stars@student.cghsnc.org for remote assistance.
