ACTION ITEM

1. Keep the Learning Going!

While Northshore (and much of the country) is on a “pause” right now, that does not mean you cannot keep the learning going. Here are a few ideas:

- ★ Have your student set a **reading goal** during these 6 weeks - maybe at least a book a week?
- ★ Go to NYC Learn at Home site for materials and ideas (<https://www.schools.nyc.gov/learning/learn-at-home>)
- ★ If your student has AP classes, they can go to <https://apstudents.collegeboard.org/> and access materials they can use to continue to get ready for the AP Exams in May

Additionally, Northshore will be creating resources etc. for you to use. More info coming!

2. Registration for Next Year

Yes - there will be a Next Year! We are going to work on finalizing all registration forms this coming week (your student might be contacted by their Counselor) and we’ll begin creating next year’s Master Schedule this week as well. If your student has not done all of their registration paperwork, please have them do so ASAP! If they don’t choose their courses, we’ll choose the courses for them - and they might not like what we choose!

3. Join #nchsserves

The NCHS ASB has created a “socially distant” movement where NCHS students are serving their families, neighbors and community during the Great Pause of 2020. Some kids are serving by doing extra chores at home. Some are serving by mowing neighbor lawns, or sweeping neighbor sidewalks. Some are serving by leaving positive post-it notes on windows and windshields. Encourage your teen to use this “pause” to serve others (while being safe) and have them post their photos to the ASB Instagram page with the hashtag #nchsserves !
