The following information is being provided to you as part of a home learning packet for you to use with your child while school is closed due to Coronavirus precautions.

The following distance learning platforms are utilized to supplement our curriculum and are familiar to your child.

Naviance- Middle & High School Only

Naviance is a college and career readiness program that assists students with college planning and provides career assessment tools. To log into Naviance, students should use the same credentials they use to log into their chrome books.

Website: www.naviance.com

O*Net Online- Middle & High School Only

O*Net Online is a free website created by the U.S. Department of Labor for career exploration and job analysis. To log into O*Net, students should use the same credentials they use to log into their chrome books.

Website: www.onetonline.org

Apex Learning

Apex Learning provides a digital curriculum with a variety of courses that are credit bearing core classes and elective classes.

Website: www.apexvs.com

Selected students have an account created and know what their user names and passwords are. If you need assistance with Apex during school closure, contact **Sarah Whitley** at
