On April 24, 2017, the Duncanville ISD District Advisory Committee (DAC) held a Public Meeting to vote on the Duncanville ISD Local Innovation Plan as specified under Texas Education Code 12.A Districts of Innovation. A quorum of DAC members were present.

Following a brief expression of thanks by Dr. Marc Smith, Superintendent, the committee was given time to reread the proposed Local Innovation Plan which has been posted on the Duncanville ISD website for the required thirty days. The provisions of the plan were then reviewed by Melissa Kates, Chief of Staff in Duncanville ISD, followed by a time for questions and/or discussion by anyone present at the meeting. A motion that the DAC vote to approve the Local Innovation Plan was made by Kasey Cheshier and seconded Gloria Lockhart. The DAC voted unanimously to approve the Local Innovation Plan.

Melissa Kates then reviewed the remainder of the District of Innovation process, reminding the DAC that the Local Innovation Plan must be approved by a two-thirds vote of the Duncanville ISD Board of Trustees. She again thanked the committee members for their time and contributions. The meeting was adjourned.
