Dear Families,

The curriculum for your scholar is currently available online and has been sorted by grade level to make it easier to navigate. We have also included a comprehensive calendar that outlines all of the assignments for each specific date.

If you have any questions or concerns with the assignments, please message your scholar's teacher. She/he will respond within 24 hours.

We thank you for your understanding and support as we make this transition to online learning.

Sincerely,

The Excellence Community Schools' Team
