Mission Statement

Donations

The Beaverton School District is fortunate to have strong support from parents, community members, and local businesses that support our schools by bringing opportunities and resources to the classrooms through donations, partnerships, and volunteering. Many community organizations and businesses already have avenues through which the donate.

Beaverton School District is providing a way to make it easier for families and other community members to donate by simply following the [link](#) and using the dropdowns to navigate to the school and program you wish to donate to.
