

Ski Trip Update

Monday, 16 March 2020 at 14:54

Dear Parents

I am writing to inform you that owing to the evolving situation regarding Coronavirus that the ski trip unfortunately has been cancelled. I am sure that you have been following the news carefully and will have seen over the weekend that further measures have been imposed in France, including the ski slopes being closed by the authorities.

We are currently in communication with Select School Travel, the tour operators, regarding the financial implications. As soon as we have a clear picture of their response we will be in touch, but as you can imagine the company are dealing with many schools in the same position.

Thank you for your continued understanding and patience during these complex and changing times. To make up for the disappointment this year Mr Brandt would very much like to offer all those boys still at Aldwickbury the chance to come on the trip next year, even if they haven't signed up already. If this is the case it would help Mr Brandt to have your interest in a place registered by the end of next week 27 March 2020.

We will be in touch with further details as soon as possible.

With best wishes

Vernon Hales
