March 16, 2020

Dear Parents and Guardians,

As you have been made aware, Suffield Public Schools are closed. **Interim Learning Opportunities, formerly known as Distance Learning Plans, for each school are located on the Suffield Public Schools web page under [Parent & Student Resources](#).** During this time of school closure, these Interim Learning Opportunities are considered supplemental and intended to engage your children in continued learning during this period of closure.

Please note:

- **At this time, students are not required or expected to submit work included in the Interim Learning Opportunities.**
- **At this time, teachers will not be providing feedback on the Interim Learning Opportunities.**

As noted in the memo sent on March 13, 2020, the Interim Learning Opportunities were created by our Curriculum Coaches in consultation with teachers and administrators to ensure that all students are provided with access to curriculum and continued learning during this time. The plans included are aligned to the district's curriculum and grade-level expectations.

If you have any questions regarding the Interim Learning Opportunity, please do not hesitate to email or call me.

I appreciate your patience and cooperation during this time.

Sincerely,

Michelle Zawawi  
Assistant Superintendent
