About Me
Hello! My name is Ms. Taylor. Over the past 25 years, I have been a parent volunteer, paraeducator, substitute teacher and classroom teacher. This is my 15th year working as a general education teacher for BVSD. I love working with Kohl students. In fact, my now grown children are Kohl graduates!

I live in northern Colorado with my husband, Bob; and, our very spoiled dog, Sophie. We enjoying kayaking, hiking and working in the yard.
