Hello, my name is Mrs. Fields and I have been a teacher for over 20 years. This is my 14th year here at Kohl! I grew up in Arizona, but my husband and I have lived here in Colorado for over 20 years. We have a son, Ryder, who is a Kohl 5th grader and has been here since Kindergarten! And we also have a shiba inu dog named Sushi, as well as two cats, that keep her company. I’m excited to learn and grow with you this year! GO COLTS!

Education
- National Board Certified Teacher
